**Re: Niagara Frontier Transportation Authority**

Dear Chairperson Grant:

Enclosed is a CD containing a PDF of the revised version of the five year capital plan for fiscal years ending March 31, 2014-2018 and the annual operating budget for fiscal year end 2014. On December 17, 2012, the NFTA Board passed the budget and pursuant to Public Authorities Law Section 2801, this was submitted prior to December 31, 2012.

We have updated the budget assumptions noted below based on more current information and we are presenting a revised balanced budget:

Revenues are decreasing \$510,520 primarily due to lower cost compensatory BNIA revenues and decreased property rental income expected from 485 Cayuga.

Operating Assistance (excluding New York State Operating Assistance) is increasing \$1,423,398 due to higher Erie County Sales Tax, mortgage recording tax and 88c funds, based on more recent trends.

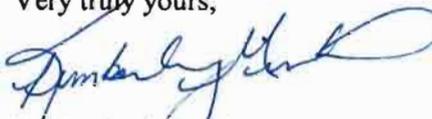

Expenses are increasing \$202,629 primarily the result of higher NFTA/Metro personnel benefits costs based on adjusted pension and health insurance estimates, and increasing electric utility costs based on revised consultant estimates, partially offset by decreased BNIA maintenance and repairs expenses, based on more recent trends.

Central administration capital spending is decreasing \$440,000 due to revised costs for our time capture and management project. BNIA capital costs decreased \$400,000 with the removal of the parking signage upgrade/replacement project, which was completed in FYE 13 at a lower cost.

Non-operating items are increasing \$1,550,250 primarily the result of higher Metro capital/other reserve funding, partially offset by increasing passenger facility charges and lower BNIA net bond debt service costs.

If you have any questions regarding the enclosed, please contact Deborah C. Leous, Chief Financial Officer, at (716) 855-7250.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Kimberley Minkel", is written over a light blue rectangular background.

## **MISSION STATEMENT**

The Niagara Frontier Transportation Authority is a multi-modal entity encompassing a skilled and dedicated workforce. We are firmly committed to providing safe, efficient and professional transportation services that enhance the quality of life in the Buffalo Niagara region in a manner consistent with the needs of our customers.

Aviation: serves as a catalyst for economic growth by maintaining cost effective, customer oriented, efficient airports to attract and retain comprehensive and competitive air transportation services.

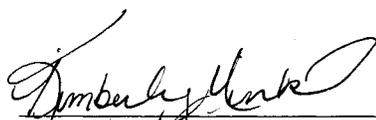

Surface: enhance the quality of life of residents and visitors by providing the highest level of safe, clean, affordable, responsive, and reliable transportation through a coordinated and convenient bus and rail system.

Property: manage and develop the NFTA owned real property to optimize the generation of self-supporting discretionary revenue to support our transportation businesses while fostering economic growth.

**MANAGEMENT'S CERTIFICATION OF THE BUDGET  
AND FINANCIAL PLAN**

The management of the Niagara Frontier Transportation Authority is responsible for the preparation and presentation of the Authority's budget and financial plan in accordance with Section 203.9 of 2 NYCRR. Management is also responsible for and certifies to the reasonableness of the assumptions, methods of estimation and judgments inherent in the preparation of the budget, and that these regulations have been satisfied.

Niagara Frontier Transportation Authority

## ORGANIZATION OF THE BUDGET DOCUMENT

The NFTA operating and capital budget is presented under eight sections.

- The first section, Executive Summary, contains the Chief Financial Officer's Budget Message and Summary. The message outlines overall revenue projections, spending priorities, operational goals, and capital needs.
- The second section, Budget Overview, outlines the organization of the budget document and contains key revenue and expenditure indicator assumptions used to form the financial plan. Each footnoted key indicator of the summary page 1-1 corresponds to the numbered explanations of this section.
- The third through sixth sections, Surface Transportation, Aviation, Property Group and Central Administration Budgets, are organized by business center and branches making up the Central Administration respectively. Included for each business center and branch is an organization chart, a line item revenue and expense consolidated cash flow surplus/(deficit) summary statement by business center or branch, a narrative, a detail line item revenue and expense summary by cost center and capital budgets. All Central Administration branches, with the exception of EEO/Diversity Development, General Counsel and Engineering, include cost centers which are part of Metro reporting but, by function, belong with the branch. For legal and/or accounting purposes, these Metro cost centers must be recorded separately from the Authority. Where appropriate, the Metro portion of revenues and expenditures have been identified separately from the Authority.
- The financial net surplus/(deficit) summary statement provides FY 11-12 actuals and a comparison of the FY 12-13 budget vs FY 13-14 budget.
- The narrative includes: the business center or support unit description, purpose, responsibilities, services, program and service objectives, key performance indicators and key changes in operations or budgets.

- The detail line item revenue and expense summary provides actual revenues received and expenditures for FY 2011-12, the current annual budget, the FY 2012-13 September year-to-date actuals, the FY 2013-14 recommended budget and the variance from the prior budget.
- Capital budgets follow each business center.

## SUMMARY OF REVENUES AND EXPENDITURES

The NFTA consolidated operating budget is prepared on a basis that parallels the NFTA's accounting systems. Budget summaries are prepared by grouping categories of revenues and expenditures under meaningful headings designated as business centers. Financial statements are prepared using the accrual basis of accounting. The financials of the NFTA are prepared in conformity with governmental accounting and financial reporting principles of the Governmental Accounting Standards Board.

The financial transactions of the NFTA are accounted for under two enterprise funds which are titled the Authority and Metro. The Authority includes the activities of transportation centers, airports, various properties/facilities and related administrative support. Metro includes all the activities of the bus/paratransit and rail system. The operating budget is organized on a departmental basis within these two funds and is oriented for expenditure control and accountability.

**NIAGARA FRONTIER**  
**TRANSPORTATION AUTHORITY**

**TO:** NFTA Board of Commissioners  
**FROM:** Kimberley A. Minkel   
Executive Director  
**SUBJECT:** NFTA FY 2013-14  
Operating and Capital Budget

Presented herein and in the accompanying documents is a balanced operating and capital budget for the NFTA's fiscal year ending March 31, 2014.

The Authority is projecting operating income for FYE 14 of \$21.3 million, offset by capital spending of \$6.6 million and non-operating expenditures totaling \$14.7 million. This budget is designed to protect the financial well being of the Authority without increasing transit fares to our customers.

Operating Revenues

Consolidated FYE 14 revenues of \$105,187k, are \$288k, or 0.3%, above FYE 13. This increase is attributable to higher Metro revenues, partially offset by lower Transportation Centers, BNIA and NFIA revenues.

NFTA operating revenues of \$66,919k are \$699k, or 1.0%, below FYE 13. NFTA revenues are generated from four business centers: Buffalo Niagara International Airport (BNIA), Niagara Falls International Airport (NFIA), Transportation Centers (MTC and NFITC) and Property Development; they are decreasing \$32k, \$512k, \$152k and \$3k, respectively.

Niagara Frontier Transit Metro, Inc. (Metro) operating revenues of \$38,268k are \$987k, or 2.6%, above FYE 13. Metro operating revenues are generated from two sources: farebox and advertising on our buses, stations and bus shelters.

Operating Expenses

Consolidated FYE 14 operating expenses of \$182,972k, are \$4,917k, or 2.8%, above FYE 13. A number of factors contribute to the increase:

- NFTA/Metro contractual salary/step increases of \$1,729k.
- Increase in NFTA/Metro workers' compensation costs of \$877k, or 13.3%, based on long term trends.
- Anticipated \$300k savings in personnel costs with the implementation of our time capture management software system.
- Increase in NFTA/Metro health insurance costs of \$1,562k, or 6.4%, as an anticipated 7.5% rate hike is partially offset by an increase in employee contributions throughout the entire organization.
- Increase in Safety & Security of \$1,915k, or 19.0%, due to higher contractual salaries, health insurance and workers' compensation costs, loss of ARRA grant offsetting these costs, increases in NFIA police overtime consistent with TSA guidelines, higher Metro garage security costs and increases in BNIA traffic control costs based on prevailing wage adjustments.
- Decrease in Transit Fuel/Power expenses of \$656k, or 7.1%, due to lower diesel fuel costs. We anticipate our #2 ULSD market diesel fuel to average \$3.27/gallon, we have locked-in 55% of our FYE 14 usage at \$3.16/gallon. FYE 13 actual market prices have ranged from a low of \$2.75/gallon on 6/25/12 to a high of \$3.52/gallon on 2/18/13.

Operating Assistance

Operating assistance provided by federal, state, and local governments for Metro operations of \$98,275k is \$4,816k, or 5.2%,

above FYE 13. Also included is \$851k for miscellaneous Federal grants for operations in our Executive branch (Transit Police department.)

Total Federal assistance of \$13,313k is \$390k, or 2.8%, below FYE 13 levels primarily due to a decrease in Federal Paratransit assistance based on the apportionment formula program.

New York State Operating Assistance (STOA) is increasing \$2,202k, or 4.7%.

	<u>FYE 13</u> (000's)	<u>FYE 14</u> (000's)
<b>STOA:</b>		
• General Fund Section		
18(b) (requires local match)	4,100	4,100
• Public Transportation Operation		
Assistance Funds	<u>40,827</u>	<u>43,072</u>
TOTAL	<u>\$44,927</u>	<u>\$47,172</u>
<b>Additional State Operating Assistance:</b>		
• Miscellaneous Other Grants	<u>\$ 1,569</u>	<u>\$ 1,526</u>
<b>TOTAL STATE OPERATING ASSISTANCE</b>	<b><u>\$46,496</u></b>	<b><u>\$48,698</u></b>

Local operating assistance is increasing 8.7% to \$37,115k, reflective of more recent trends and consistent with our FYE 13 forecast and Mortgage Tax is increasing \$1,563k, or 21.7%.

	<u>FYE 13</u> (000's)	<u>FYE 14</u> (000's)
Local assistance includes:		
• Erie County Sales Tax	\$18,644	\$19,302
• Mortgage Recording Tax	7,200	8,763
• 88c	4,013	4,750
• Erie County match to 18(b)	3,657	3,657
• Niagara County match to 18(b)	443	443
• Peace Bridge	<u>200</u>	<u>200</u>
<b>TOTAL</b>	<b><u>\$34,157</u></b>	<b><u>\$37,115</u></b>

### Non-operating Items

The FYE 14 budget includes \$12,203k in BNIA net debt service and operating reserves related to the Buffalo Niagara International Airport Improvement Program (AIP) project, debt service for construction of our new NFIA terminal, glycol collection operation and energy initiative program. Finally, Noresco (energy initiative, non-BNIA) debt of \$374k was partially offset by interest income of \$100k.

### Capital Expenditures

The NFTA commitment to protecting its existing assets and investing in the future of Western New York is evidenced in the proposed capital plan. The total amount for capital projects projected for FYE 14 is \$63.7 million, with the NFTA equity share at \$6.6 million.

## NFTA BUSINESS CENTERS

The NFTA's business centers are organized into three strategic business units. The Surface Transportation Group includes Metro and the Transportation Centers. The Aviation Group includes the Buffalo Niagara International Airport and the Niagara Falls International Airport. The Property Group is responsible for the planning and management of the non-transportation property assets of the NFTA, including the Boat Harbor.

In addition to establishing program and service objectives, which define the level of planned achievements, activities and management direction, each business center has been charged with developing key performance indicators for FYE 14. These key performance indicators are included in the detailed business center section. Our goal is to tie future operating revenue projections, expenditure allocations, and capital needs to performance as represented by these indicators.

### **Surface Transportation Group**

#### Metro

Niagara Frontier Transit Metro System, Inc. provides bus and rail transportation services within Erie and Niagara Counties. It is also responsible to implement the paratransit service mandated by the American with Disabilities Act, which began in FYE 94. Metro is the NFTA's largest business center and, due to the public service nature of its operations, it receives operating assistance from federal, state and local governments.

FYE 14 operating revenues of \$38,268k, are \$987k, or 2.6%, above FYE 13. FYE 14 passenger fares are increasing \$816k, or 2.2%, primarily reflective of increasing University Pass revenue. Advertising revenue is \$210k, or 52.4%, higher than FYE 13 due to the implementation of new contractual agreement.

FYE 14 fully allocated expenses of \$130,718k, are \$3,266k, or 2.6%, above FYE 13. Personnel Services are \$1,657k, or 1.9%, above FYE 13 as an increase in contractual salaries, health insurance and workers' compensation costs contribute to the variance. Maintenance & Repairs are \$320k, or 4.8%, above FYE 13 due to higher revenue vehicle maintenance, facilities and rail-related (elevator, escalator,

OCC building) expenses. Transit Fuel/Power is decreasing \$656k, or 7.1%, as we anticipate our #2 ULSD market diesel fuel to average \$3.27/gallon; we have locked-in 55% of our FYE 14 usage at \$3.16/gallon, thus our net composite diesel fuel is budgeted at \$3.21/gallon. FYE 13 actual market prices have ranged from a low of \$2.75/gallon on 6/25/12 to a high of \$3.52/gallon on 2/18/13. The rail traction split of Transit Fuel/Power is \$575k, which is \$5k above FYE 13. Utilities are decreasing \$60k, or 3.1%, below FYE 13 levels as the FYE 14 budget anticipates a decrease in gas billings consistent with our FYE 13 forecast, partially offset by an increase in electric billings. Insurance & Injuries are \$153k, or 4.8%, above FYE 13 as increasing reserve appropriations contribute to the variance. Safety & Security is increasing \$1,382k, or 35.9%, due to higher police salaries, workers' compensation, health insurance and pension costs along with the loss of a ARRA grant offsetting these costs, increasing Metro garage security costs also contribute to the variance. General Business/Other is \$201k, or 1.7%, above FYE 13 as increasing advertising and related bus shelter expenses, as part of implementing new contractual agreements, contribute to the variance.

FYE 14 capital: NFTA funded \$1,350k, grant funded \$29,250k, 88c funded \$2,744k, other funding \$896k. Major projects include LRV Mid-life Rebuild - \$7,054k, Fare Collection Replacement Design - \$3,399k, Rail Fare Collection Replacement - \$2,618k, Rail Fastener & Pad Replacement - \$2,000k, Four Trolleys - \$2,000k, Niagara Street Corridor Project - \$1,612k, Rail Control Carborne ATP System - \$1,500k.

#### Transportation Centers

The Transportation Centers business center manages the Metropolitan Transportation Center bus terminal in Buffalo and the Niagara Falls International Transportation operation in Niagara Falls.

FYE 14 revenues of \$1,679k are \$152k, or 8.3%, below FYE 13 due to lower office space rental fees consistent with our FYE 13 forecast.

FYE 14 fully allocated expenses of \$2,611k are \$59k, or 2.3%, above FYE 13. Personnel Services are \$64k, or 5.4%, above FYE 13 due to an increase in non-represented and contractual salaries, workers' compensation, health insurance and pension costs, as well as one additional custodian position. Maintenance & Repairs are increasing \$22k, or 9.9%, as higher materials, supplies and janitorial

expenses at our MTC location contribute to the variance, our FYE 14 budget is 6.2% lower than our FYE 13 forecast. Safety & Security is \$55k, or 15.0%, below FYE 13, more in line with our FYE 13 forecast. General Business/Other is increasing \$30k, or 65.7%, due to higher temporary labor costs, reflective of our FYE 13 forecast.

FYE 14 capital: NFTA funded \$535k. Major projects include NFITC Facility Lease - \$417k, MTC Concourse Restroom Rehab - \$88k.

## **Aviation Group**

### Buffalo Niagara International Airport

Buffalo Niagara International Airport is the primary commercial service airport for Erie and Niagara Counties. As such, it is a major element of the Niagara Frontier's transportation infrastructure as well as being an airline passenger's first impression of the local community. An airport improvement program has significantly upgraded the gateway image of the airport and provides the community with low cost quality air transportation.

FYE 14 operating revenues of \$58,864k are \$32k, or 0.1%, below FYE 13. Operating and financing costs are factored into compensatory airline billings through our Airport Fees & Services and Rental Income. Airport Fees & Services are \$343k, or 2.1%, above FYE 13 due to higher direct and indirect landing area expenses, reflected in our cost compensatory billings to our airlines, decreases in interest income offsetting these higher expenses, an increase in our air cargo revenue and a higher NFIA net deficit (BNIA signatory airlines reimburse the NFTA for 50% of NFIA's net deficit). These increases were partially offset by lower general aviation revenue. Rental Income is \$283k, or 3.2%, above FYE 13 due to an increase in auto rental revenue with the restructuring of our auto rental service agreement, partially offset by an anticipated 10% decrease in signatory airline billing square footage. Concessions/Commissions are \$565k, or 2.0%, below FYE 13 due to restructuring of our auto rental service agreement, partially offset by increasing parking lot/ramp revenue; we are assuming a 1% increase in enplanements for FYE 14. Resales & Rebillings are decreasing \$88k, or 6.3%, as lower fuel farm and gas billings contribute to the decrease.

FYE 14 fully allocated expenses of \$39,903k are \$1,466k, or 3.8%, above FYE 13. Personnel Services are \$199k, or 1.4%, above FYE 13 due to an increase in health insurance, workers' compensation, pension costs and non-represented and contractual salaries. Utilities are increasing \$331k, or 16.3%, due to an anticipated 28.9% increase in electric billings based on higher commodity and capacity charges; remaining utility costs are consistent with our FYE 13 forecast. Safety & Security is increasing \$551k, or 10.1%, as anticipated higher police health insurance, workers' compensation, pension costs and contractual salaries contribute to the variance, also included in our FYE 14 budget are higher traffic control costs based on prevailing wage adjustments. General Business/Other is \$164k, or 2.5%, above FYE 13 due to increasing parking management fees and advertising expenses.

Non-operating items are decreasing \$4,917k, or 27.8%, to \$12,789k due chiefly to the elimination of our ADF refunding program established in FYE 13, \$1,000k in entitlement funds to offset our NFIA loan obligation and the transfer of funds from Metro for prior period liabilities, partially offset by lower PFC funds used to lower debt service in FYE 14.

FYE 14 capital: PFC funded \$2,244k, NFTA restricted/reserved \$3,224k, grant funded \$16,895k. Major projects include Noise Compatibility Study - \$7,663k, Long Term Lot B Parking Expansion - \$6,900k, Level 1 Baggage Claim Expansion - \$2,985k, Rehab Runway Intersection 5/23 & 14/32 - \$965k.

### Niagara Falls International Airport

Niagara Falls International Airport is a joint use military/general aviation airport that currently provides general aviation and air cargo service. NFIA has been designated by the Federal Aviation Administration as a reliever airport to attract general aviation traffic from Buffalo Niagara International Airport. Our newer 69,430 square-foot, \$32.5 million terminal is revitalizing the airport, providing an economic boost to the entire region and stimulating business activity.

FYE 14 revenues of \$1,771k are \$512k, or 22.4%, below FYE 13 due to lower parking lot revenues, consistent with our FYE 13 forecast.

FYE 14 fully allocated expenses of \$4,945k are \$83k, or 1.7%, above FYE 13. Personnel Services are decreasing \$54k, or 2.8%, consistent with our FYE 13 forecast. Maintenance & Repairs are \$103k, or 11.0%, below FYE 13 due to lower facility maintenance costs and janitorial/laundry expenses, partially offset by an increase in automotive and snowplowing costs. Utilities are \$11k, or 3.1%, below FYE 13, consistent with our FYE 13 forecast. Insurance & Injuries are increasing \$22k, or 21.3%, as an adjustment in allocated insurance premium costs and anticipated higher claim losses contribute to the variance. Safety & Security is \$30k, or 9.1%, above FYE 13 due to an increase in police health insurance, workers' compensation, pension costs, contractual salaries and overtime consistent with TSA guidelines, traffic control costs are also increasing based on prevailing wage adjustments. General Business/Other is \$125k, or 15.3%, below FYE 13 as lower advertising costs contribute to the variance. Costs Transferred to Capital Projects are decreasing \$260k, or 100.0%, with the completion of our major runway mill and overlay project.

FYE 14 non-operating net revenues of \$1,686k are \$329k, or 24.3%, above FYE 13 due to an increase in the annual contribution billable to the BNIA signatory airlines, representing 50% of the FYE 14 NFIA net deficit.

FYE 14 capital: NFTA restricted/reserved funded \$146k, PFC funded \$536k, grant funded \$1,916k, other funding \$1,470k. Major projects include New Terminal Apron, Phase II - \$752k, Master Plan Update - \$954k, R/W Broom - \$505k, Replace Snow Blower - \$535k.

## **Property Group**

### Property Development

The Property Development business center is responsible for planning and management of the non-transportation property assets of the NFTA. Its mission is to maximize the financial return to the Authority on its non-public transportation assets while improving and preserving the physical integrity of those buildings and grounds

FYE 14 operating revenues of \$4,606k are \$3k, or 0.1%, below FYE 13 due to decreasing rental income from our 485 Cayuga property, partially offset by increasing rental revenue from our Terminal A Building and higher Boat Harbor fees and gas sales, consistent with our FYE 13 forecast.

FYE 14 fully allocated expenses of \$3,944k are \$90k, or 2.3%, above FYE 13. Personnel Services are \$12k, or 1.7%, above FYE 13 due to increases in contractual salaries, health insurance, workers' compensation and pension costs. Utilities are decreasing \$45k, or 7.2%, consistent with our FYE 13 forecast. General Business/Other is increasing \$27k, or 3.4%, with projected higher Boat Harbor fuel sales contributing to the variance.

FYE 14 capital: NFTA funded \$661k, other funding \$133k. Major projects include 485 Cayuga Road upgrades - \$321k, Fish Cleaning Station Replacement - \$140k.

## **SUPPORT SERVICES**

The support service branches include Executive, EEO/Diversity Development, General Counsel, Engineering, Public Affairs, Human Resources and Finance & Administration.

The support services are intended to assist the business centers in meeting their goals in such areas as revenue enhancement, upgrading employee skills, and market research and planning. The expenses of these support services are charged to the business centers to the extent they are utilized. A full cost allocation plan has been implemented which distributes NFTA central administration expenses and capital costs to each business unit. Our long-range goal is to provide these support services more efficiently, thereby reducing costs to the business centers.

Each department of each support branch has also been charged with developing key performance indicators along with their level of program and service objectives for supporting the transportation business centers. As with the business centers, it is the intent to link operating budget needs to the level of support required.

### Central Administration

FYE 14 expenses of \$9,870k, net of operating assistance, are \$841k, or 9.3%, above FYE 13 due to anticipated contractual and non-contractual increases, higher health insurance, workers' compensation and pension costs and the addition of five new positions.

FYE 14 capital: NFTA funded \$703k, grant funded \$277k, PFC funded \$125k, 88c funded \$80k, other funding \$149k. Major

projects include Personnel Time Capture & Management - \$160k, Lawson Software Upgrade - \$100k, Ellipse Continual Improvement Program - \$150k.

### PERSONNEL ISSUES

Providing transportation services is notably labor-intensive and personnel costs account for approximately three quarters of all operating expenses. Managing costs, therefore, to a great extent means managing human resources.

Providing multi-modal transportation services to our two county service territory from nine locations requires a diverse group of employees. NFTA employees belong to thirteen collective bargaining units representing responsibilities from public safety to bus operators, from clerical to maintenance. Both pay rates and work rules are set by union agreement. Authority initiatives to stabilize employee expenses have been realized as a majority of labor contract agreements contain employee contributions for medical expenses.

#### General Assumptions

General assumptions in our personnel services for FYE 14 are the following:

- Union cost increases reflective of labor agreements.
- Union cost increases on expired contracts based on submitted proposals.
- Metro fringe benefit rate at 74.1%, FYE 13 was 68.5%.
- NFTA fringe benefit rate at 51.0%, FYE 13 was 49.4%.

#### Benefit Costs

A major component of employee costs are the legally or contractually obligated benefits for employees.

- Increases in our health insurance costs of \$1,562k, or 6.4%, which include an anticipated rate hike of 7.5%, partially offset by an increase in employee contributions throughout the entire organization.

- NFTA's pension costs are increasing \$815k, or 14.7%.
- Safety and control of workers' compensation incidents are a high priority. A Health, Safety and Environmental team, along with a workers' compensation department, help to manage our workers' compensation cases. Workers' compensation costs are increasing \$877k, or 13.3%, based on the most recent actuary estimate.
- As a self-insured provider of disability benefits, we can limit financial exposure by increasing the general health of our employees. Our wellness program provides blood pressure screening, cholesterol testing, weight loss clinics and smoking cessation programs.

#### Overtime

The FYE 14 overtime budget is anticipated at \$7,183k, an increase of \$440k, or 6.5%, from FYE 13 primarily due to higher police costs consistent with TSA guidelines and increases in Metro, partially offset by lower BNIA costs, consistent with our FYE 13 forecast.

### CAPITAL BUDGET

The NFTA does not generate enough revenue to cover operating costs as well as a full capital program. Of our total FYE 14 capital budget of \$63,721k, 73% comes from federal or state funding agencies, such as Federal Transit Administration (FTA), Federal Aviation Administration (FAA), and the New York State Department of Transportation (NYSDOT), reflecting government's ongoing investment in transportation. Another 4%, earmarked for Metro rail operations, is funded through our 88c program, while 5% comes from Passenger Facility Charges (PFC) to help with capital needs at our Buffalo Niagara International and Niagara Falls International Airports.

## **AUTHORITY REVENUE ASSUMPTIONS** **(Footnote Numbers From Page I-1)**

### **1. AIRPORT FEES & SERVICES**

Airport Fees & Services revenue comprises 29.0% of total Buffalo Niagara International Airport Revenues and are increasing \$343k, or 2.1%, as higher direct and indirect landing area expenses, reflected in our cost compensatory billings to our airlines, increasing air cargo revenue and a higher NFIA net deficit (BNIA signatory airlines reimburse the NFTA for 50% of NFIA's net deficit) account for the variance. Airport Fees & Services are also a source of revenue at our Niagara Falls International Airport, and comprise 5.3% of total revenues at that airport. They are decreasing \$23k, or 19.3%, due to lower business activity as a result of the DirectAir bankruptcy. Combined, this source of revenue is projected at 16.3% of all Authority FYE 14 revenues.

The BNIA landing fee rate is calculated on a cost recovery formula based on budgeted expenses applied to gross landing weight. In addition to budgeted expenses, the FYE 14 landing fee rate reflects signatory airline billings for debt service and operating reserves under the 1998, 1999, 2000 and 2004 Airport Revenue Bonds.

### **3. BOAT HARBOR FEES**

The NFTA Boat Harbor business center is open for operation five months of the year and currently has 1,005 boat slips. FYE 14 Dock Rental revenue is anticipated to increase \$50k, or 5.6%, above FYE 13.

### **4. RENTAL INCOME**

Building space and other rentals are a source of revenue for each of the Authority business centers. These are space and land occupancy fees charged to tenants. BNIA Rental Income is \$283k, or 3.2%, above FYE 13 due to an increase in auto rental revenue with the restructuring of our auto rental service agreement, partially offset by an anticipated 10% decrease in signatory airline billing square footage. Property Development Rental Income is \$93k, or 3.2%, below FYE 13, due to decreasing rents from our 485 Cayuga property, partially offset by increasing rents from our Terminal A Building. Our

Transportation Centers are decreasing \$113k, or 6.4%, consistent with our FYE 13 forecast for office space rental fees.

### **5. CONCESSIONS/COMMISSIONS**

The fees charged to tenants for the right to sell their goods and services to the public or to use NFTA premises to sell their products is a source of revenue for most business centers. These types of services and products range from parking lot services and car rental services to food and beverage sales and video games. BNIA Concessions/Commissions are decreasing \$565k, or 2.0%, as a 1% enplanement growth projection is offset by a restructuring of our auto rental service agreement. NFIA is decreasing \$544k, or 29.5%, due to anticipated lower parking lot revenue, consistent with our FYE 13 forecast.

### **6. RETAIL SALES**

The source of this revenue is predominantly the receipts from the sale of gasoline at our Boat Harbor facility, and is increasing \$40k, or 12.9%.

### **7. REALES & REBILLINGS**

The charges to customers for their share of utility usage are categorized as resales & rebillings. BNIA is decreasing \$88k, or 6.3%, as lower fuel farm and gas billings contribute to the decrease.

### **8. OTHER OPERATING REVENUES**

The primary source of this revenue is direct billing to our BNIA airlines for the new baggage handling system. BNIA is decreasing \$5k, or 0.2%.

**METRO REVENUE ASSUMPTIONS**  
**(Footnote Numbers From Page 1-1)**

**2. PASSENGER FARES**

Total passenger fares for FYE 14 are expected to increase \$816k, or 2.2%, primarily reflective of higher University Pass revenue.

**8. OTHER OPERATING REVENUES**

This consists chiefly of the receipts from bus and rail advertising, and is increasing \$171k, or 27.7%, due to the implementation of a new contractual agreement.

**OPERATING ASSISTANCE**  
**(Footnote Numbers From Page 1-1)**

**9. - 13. LOCAL OPERATING ASSISTANCE**

Total anticipated local operating assistance for FYE 14 is \$37,115k, and is comprised of the following:

	<b>FYE 14</b> <b><u>(000's)</u></b>
Erie County Sales Tax	\$19,302
Mortgage Recording Tax	8,763
88c	4,750
Erie County match to 18(b)	3,657
Niagara County match to 18(b)	443
Peace Bridge	200
	<b><u>\$37,115</u></b>

**14. - 21. STATE OPERATING ASSISTANCE**

New York State operating assistance includes funding primarily for our Metro operations made available through the Public Transportation Operation Assistance Fund and miscellaneous other grants.

**FYE 14**  
**(000's)**

Public Transportation Operation Assistance Funds	43,072
18(b)	4,100
Miscellaneous Other Grants	<u>1,526</u>
	<b><u>\$48,698</u></b>

By mandate, Section 18(b) funding is matched by Erie and Niagara Counties.

**22. - 32. FEDERAL OPERATING ASSISTANCE**

Total Federal assistance of \$13,313k is \$390k, or 2.8%, lower than FYE 13 levels. FYE 14 includes a decrease of \$291k to Federal Paratransit assistance based on the apportionment formula program.

**KEY EXPENDITURE ASSUMPTIONS**  
**(Footnote Numbers From Page 1-2)**

Key expenditure indicators can be summarized on an NFTA-wide basis since the characteristics of the expenditures are similar to each fund.

**33. PERSONNEL SERVICES**

Salaries

The FYE 14 budget for NFTA/Metro totals 1,566 employees. FYE 14 includes union cost increases reflective of labor agreements and increases on expired contracts based on submitted proposals. Included in our FYE 14 budget are increases in NFTA/Metro overtime costs of \$440k, or 6.5%, due to higher police costs consistent with TSA guidelines and increases in Metro, partially offset by lower BNIA costs, consistent with our FYE 13 forecast.

Benefits

Paid employee benefits are budgeted at 51.0% of salaries for Authority employees and 74.1% of salaries for Metro employees. Fringe benefits are calculated for all NFTA employees in accordance with the various collective bargaining agreements and/or government mandate. Those

paid benefits are as follows:

### Pensions

All Authority employees are eligible for membership in the New York State Employees Retirement System (NYSERS). Employees who joined the system prior to July 23, 1976 or joined after July 23, 1976 with ten years experience and the Transit Police are in a non-contributory plan. Employees who joined after July 23, 1976 with fewer than ten years experience (except Tier V) and belong to Tier III, Tier IV or Tier V are required to contribute 3% of their compensation to the plan. Employees who joined after April 1, 2012 are Tier VI members and required to contribute between 3% and 6% of their compensation to the plan, based on salary level. Authority contribution is estimated to be 18.5% of employee compensation for FYE 14. Authority pension amounts factor in early retirement incentive costs, and are \$815k, or 14.7%, above FYE 13.

All full-time Metro employees who are union members are covered by a contributory single employer defined contribution pension plan. All full-time Metro employees contribute 4% of their pay to the plan, while the current Metro contribution is 11%.

### Social Security Tax

The Authority and Metro contribution to the Federal Social Security System is calculated using an effective rate of 7.65% of salaries. Salaries of \$113,700 and higher are subject to a 1.45% Medicare portion of FICA only.

### Workers' Compensation

Due to double digit premium increases, the Authority became self-insured for workers' compensation coverage in mid FYE 91. The appropriation for the expense provides funding for medical and indemnity payments, mandated state assessments, administration fees and third party administrator fees. A workers' compensation team within the Risk Management

department helps manage our workers' compensation cases. Workers' compensation costs are increasing \$877k, or 13.3%, based on long-term trends.

### Medical and Hospitalization Insurance

The FYE 14 budget anticipates an increase in our health insurance costs of \$1,562k, or 6.4%, as a foreseeable rate hike of 7.5% is partially offset by an anticipated increase in employee contributions throughout the entire organization.

### Dental Insurance

Dental insurance is provided through GHI. The FYE 14 budget for this is based on current rates per covered payroll and adjusted for a possible rate increase during the fiscal year.

### Unemployment Insurance

Financial exposure results if unemployment costs are not controlled. The NFTA is self-insured for unemployment insurance. The FYE 14 budget is based on historical experience factored with our FYE 13 costs.

### Group Life Insurance

All Metro employees and non-union Authority employees are provided group life insurance. All Authority employees who fall under the New York State retirement system are provided basic life insurance coverage through that plan. The FYE 14 budget for group life insurance is based on current rates per covered payroll and adjusted for a possible rate increase during the fiscal year.

### Disability Insurance

The NFTA is self-insured for disability benefits. The FYE 14 budget for disability expense is based on historical experience factored with the 2013 payment structure.

### Long-Term Disability Insurance

All non-represented employees are provided long-term disability insurance. The FYE 14 budget for this coverage is based on current rates per covered payroll and adjusted for a possible rate increase during the fiscal year.

### **34. MAINTENANCE & REPAIRS**

The routine expense of maintenance and operation of the NFTA's buildings, equipment, buses and rail cars comprise 9.9% of the total Authority FYE 14 budget. Total FYE 14 costs of \$18,150k are \$385k, or 2.2%, above FYE 13. Metro's costs are increasing \$320k, or 4.8%, as higher revenue vehicle maintenance, facilities and rail-related (elevator, escalator, OCC building) expenses contribute to the increase.

### **35. TRANSIT FUEL/POWER**

Diesel fuel to run buses and electric power to run the rail cars comprise 6.6% of the total Metro budget. Total FYE 14 costs of \$8,565k are \$656k, or 7.1%, below FYE 13. The FYE 14 budget anticipates \$3.27/gallon #2 ULSD diesel fuel, we have locked-in 55% of our FYE 14 usage at \$3.16/gallon, thus our net composite diesel fuel is budgeted at \$3.21/gallon. FYE 13 actual market prices have ranged from a low of \$2.75/gallon on 6/25/12 to a high of \$3.52/gallon on 2/18/13. The rail traction split of Transit Fuel/Power is \$575k, which is \$5k above FYE 13.

### **36. UTILITIES**

FYE 14 utilities of \$5,617k are \$226k, or 4.2%, above FYE 13. Metro expenses are decreasing \$60k, or 3.1%, as the FYE 14 budget anticipates lower gas billings consistent with our FYE 13 forecast, partially offset by an increase in electric billings. BNIA utilities are increasing \$331k, or 16.3%, due to an anticipated 28.9% increase in electric billings based on higher commodity and capacity charges, remaining utility costs are consistent with our FYE 13 forecast.

### **37. INSURANCE & INJURIES**

The Authority purchases property insurance then assumes the liability for most risks including, but not limited to, property damage and personal injury claims. NFTA also purchases insurance for most risks such as airport liability, excess liability, police professional liability and property and is self-insured for public property damage and personal injury at our Transportation Centers.

The Insurance & Injuries category records the expense of investigation and settlement of annual routine claims as well as the cost of purchased insurance.

An increase in Metro reserve appropriations contributes to an overall increase of \$174k, or 4.3%, above FYE 13.

### **38. SAFETY & SECURITY**

The Authority provides secondary security services through an outside service that provides support at Buffalo Niagara International Airport, Niagara Falls International Airport and guard service at our Metro bus garage and rail yard locations. FYE 14 costs of \$1,302k are \$383k, or 41.6%, above FYE 13, as higher Metro garage security costs and increases in BNIA traffic control costs based on prevailing wage adjustments contribute to the variance.

### **39. GENERAL BUSINESS/OTHER**

General business expenses include non-employees, communications, office supplies, business travel, consultant fees, contingencies, management fees, payments in lieu of taxes, employee training and printing & advertising. FYE 14 costs of \$22,693k are \$494k, or 2.2%, above FYE 13. Metro's expenses are increasing \$201k, or 1.7%, as a result of higher advertising and related bus shelter expenses, as part of implementing a new contractual agreement. BNIA's expenses are \$164k, or 2.5%, above FYE 13 due to higher parking management fees and advertising expenses.

**40. OVERHEAD COST ALLOCATION - ADMINISTRATIVE COSTS**

The current administrative cost allocation formula is as follows:

BNIA	33.1%
NFIA	7.5%
Transportation Centers	4.4%
Property Development	12.2%
Metro	<u>42.8%</u>
TOTAL	<u>100.0%</u>

**41. OVERHEAD COST ALLOCATION - POLICE COSTS**

The Authority maintains a Transit Police force that provides pro-active security for all NFTA/NFT Metro facilities. The oversight responsibility for the Transit Police force rests within the Executive Branch. For accounting purposes, this unit is recorded in Central Administration on the appropriate expense lines. To the extent that costs are incurred in support of BNIA, NFIA, Metro, MTC or Property Development, those business centers absorb the appropriate costs in the Safety & Security category. The costs of these services are reimbursed to Central Administration on the Inter Division Reimbursement line.

FYE 14 police costs are increasing \$1,533k, or 16.7%, due to higher contractual salaries, health insurance and workers' compensation costs, loss of ARRA grant offsetting these costs and increases in NFIA police overtime consistent with TSA guidelines.

**42. DIRECT COSTS TRANSFERRED TO CAPITAL PROJECTS**

The Authority receives capital grants from FTA, FAA and New York State for the purpose of procurement and construction of major assets to support operations. As staff time commitments and administrative expenses related to these non-operating projects

accumulate, the Authority operating expenses are equally offset by the project funding. FYE 14 Direct Costs Transferred to Capital Projects of \$2,052k are decreasing \$676k, or 24.8%, consistent with our FYE 13 forecast.

**43. INTER DIVISION REIMBURSEMENT**

The Authority accounts for specific functions and services of staff that can be directly expensed to other divisions and units. This results in an offset to the appropriate departments on a separate reimbursement line. FYE 14 Inter Division Reimbursement of \$23,180k is \$1,651k, or 7.7%, above FYE 13 as higher police contractual salaries, health insurance and workers' compensation costs, loss of ARRA grant offsetting these costs and increases in NFIA police overtime consistent with TSA guidelines, contribute to the variance.

**44. BOND DEBT SERVICE**

The debt service under the 1998, 1999, 2000 & 2004 Airport Revenue Bonds.

**45. OPERATING EXPENSE RESERVE**

The operating reserve of \$212k represents the amount needed to maintain our two-month BNIA operating expense reserve fund as outlined in the bond resolution.

**46. DEBT SERVICE – GLYCOL COLLECTION**

BNIA debt service related to the installation of the glycol collection system.

**47. DEBT SERVICE – PROPERTY MANAGEMENT**

The debt service related to the refinancing of our Terminal A facility loan, which matured in FYE 13.

**48. DEBT SERVICE – NORESCO**

The debt services related to NFTA/Metro energy initiatives.

**49. NFIA CONTRIBUTION (Excluding Debt Service)**

This is the BNIA signatory airline contribution, excluding debt service, to 50% of NFIA's deficit, this amount is included in BNIA revenues under Airport Fees & Services.

**50. BNIA CONTRIBUTION (Excluding Debt Service)**

This is the contribution from the BNIA signatory airlines, excluding debt service, representing 50% of NFIA's deficit.

**51. NFIA CONTRIBUTION – Debt Service**

The debt service related to the construction of the new NFIA Terminal, exclusive from BNIA signatory airline contribution.

**52. BNIA CONTRIBUTION – Debt Service**

This is the contribution from BNIA for the debt service related to the construction of the new NFIA Terminal.

**53. NFIA CONTRIBUTION – Debt Service Entitlement Applied**

Entitlement funds used to offset NFIA loan obligation.

**54. ADF NFIA DEBT SERVICE FUNDING**

Partial funding for the NFIA debt service.

**55. ADF REFUNDING**

FYE 13 included replenishment of prior period funds.

**56. DEBT SERVICE**

The debt service related to the construction of the new NFIA Terminal, exclusive from BNIA signatory airline contribution.

**57. METRO CAPITAL/OTHER RESERVE FUNDING**

This represents a reduction in reserves for future Metro operating and capital needs.

**58. INTERCOMPANY TRANSFER - METRO**

This is the contribution of Metro to Transportation Centers for Metro related operating and capital costs, also included is a contribution to BNIA for Metro related prior period liabilities.

**59. INTERCOMPANY TRANSFER - TRANSPON CENTERS**

This is the receipt of funds from Metro for Metro related operating and capital costs.

**60. INTERCOMPANY TRANSFER - BNIA**

This is the receipt of funds from Metro for Metro related prior period liabilities.

**61. INTEREST INCOME**

This is interest income on NFTA deposits, primarily BNIA related.

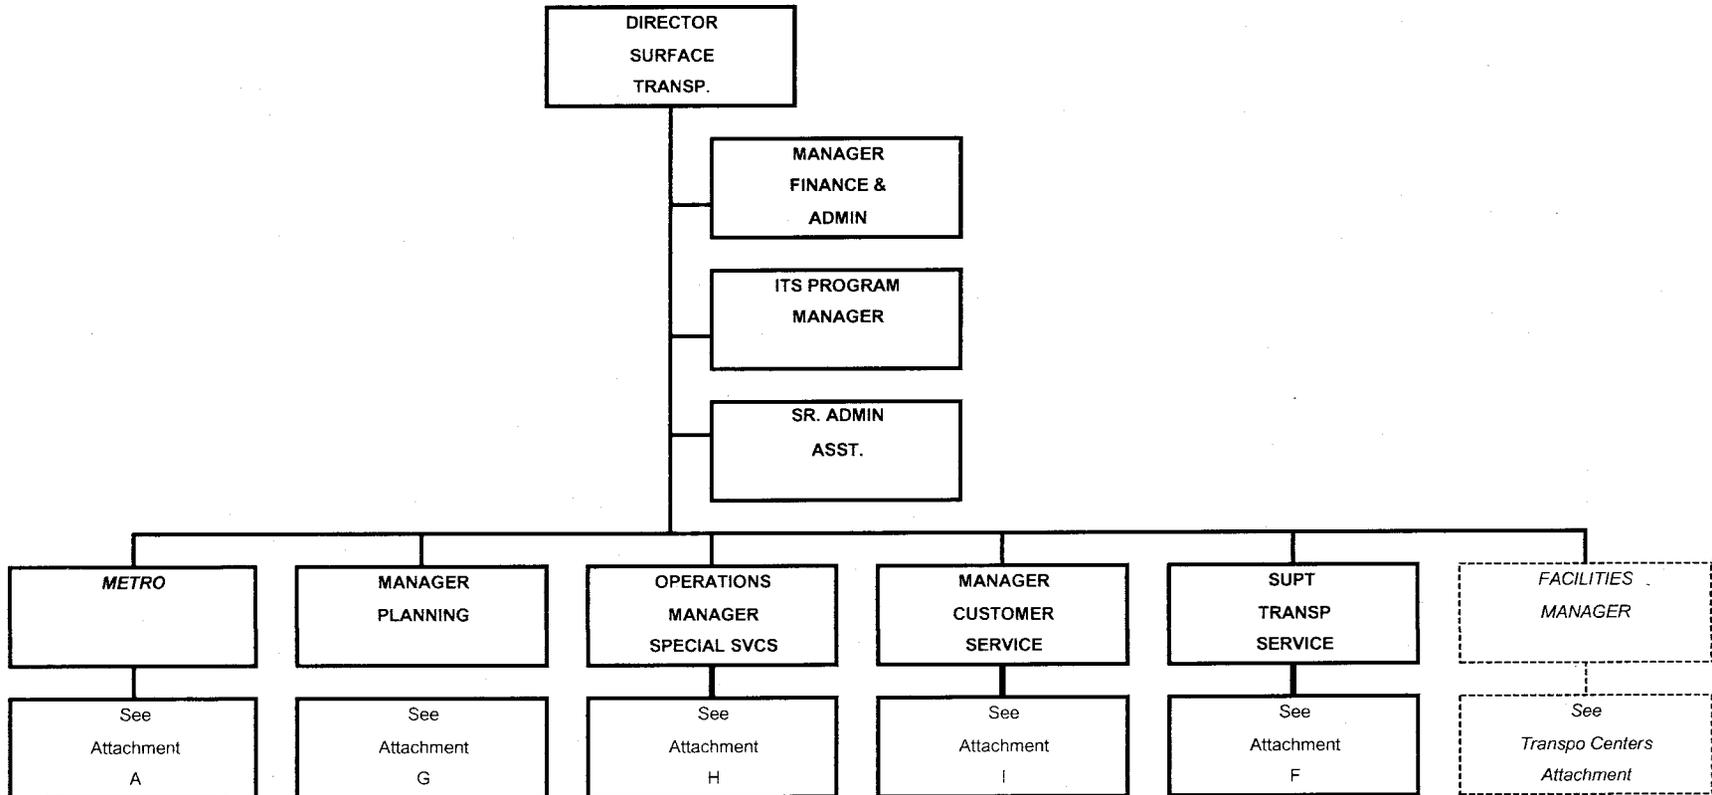

**62. PFC**

PFC stands for Passenger Facility Charge and is a source of the Airport Improvement Program (AIP) funding. These funds, used to offset BNIA debt service, are decreasing \$166k, or 6.2%, in FYE 14.

**63. DIRECT CAPITAL**

This is the NFTA equity funded portion of our projected FYE 14 capital expenditures.

## SURFACE TRANSPORTATION

### DESCRIPTION

The Surface Transportation Business Unit is responsible for all ground-based transportation services operated and provided by NFTA. Such services include fixed-route bus and rail routes, paratransit and other non-traditional transit services, and intercity bus terminals in Buffalo and Niagara Falls. Surface Transportation units include Metro (fixed-route bus and rail), Marketing, Service Planning, Special Services (paratransit and MetroLink), Transportation Centers (bus terminals and Central Services), and Customer Service.

The mission of the Surface Transportation Business Unit is to enhance the quality of life of residents and visitors by providing the highest level of safe, clean, affordable, responsive and reliable transportation through a coordinated and convenient bus and rail system. Our vision is to support the effective coordination and partnership with public and private entities in continuously improving transportation services to promote regional growth. The range of mobility services we will provide includes traditional bus and rail lines, circulator routes, employer shuttles, paratransit, bicycle programs and pedestrian enhancements. Our goal is to achieve a reputation as the best transit system in the United States.

#### 1.0 METRO

Metro provides comprehensive fixed-route urban and suburban public transportation services within the Erie and Niagara county service area. Metro's 310 fixed-route big buses, 74 Paratransit/MetroLink small buses and 27 rail cars operate up to 21 hours per day, seven days per week, to serve the residents of the urbanized area. There are 78 bus routes on which Metro operates nearly 13.3 million annual bus miles, and one rail route on which 1,010,000 annual car miles are operated. Each weekday, Metro carries approximately 104,500 passengers on buses and trains. In FYE 12, 30,583,000 customers used Metro.

Metro consists of two operating divisions, Bus and Rail. Metro Bus consists of three operating locations, Bus Transportation Service and Bus Maintenance. Metro Rail encompasses one operating location, Rail Transportation Service and Rail Maintenance. In addition, the Transportation Support department is included within Metro. There are approximately 1,130 budgeted positions in these units.

It is the primary responsibility of each operating location to provide service to the public as scheduled. This involves managing a properly trained workforce of transportation and maintenance professionals of an adequate, cost-effective size; monitoring and enhancing the quality of service; and adjusting service as required to accommodate service needs.

The Transportation Service Departments in the Bus and Rail divisions are responsible for supervising transit service and control center operations. Their functions include the continuous monitoring of service delivery with corrective action when problems occur, responding to emergencies, providing service to special events, coordinating transit service with construction projects, and communicating with operators and maintenance personnel.

Major Bus Maintenance activities are performed at the Cold Spring Shop. Such activities include major component change-out, bodywork, painting, engine and transmission rebuilding, parts reconditioning and structural repairs, radio maintenance and farebox maintenance. Shop employees also maintain the bus garage facilities, bus stop signs and bus loops.

Maintenance of the rail physical infrastructure is the responsibility of Metro Rail Maintenance. Among the physical plant elements that require a high level of ongoing maintenance are the track, communications systems, fare collection system, ventilation system, train control system, the electrical distribution system, and the stations and tunnels.

The Transportation Support Department is responsible for new operator training, oversight of the bus communications system, and the issuance of system operating notices.

## **2.0 MARKETING**

The Marketing Department is responsible for developing goals and implementing strategies and programs to increase customer utilization and satisfaction of services. Staff works with businesses, schools, agencies and the public to determine customer needs, and provides feedback to Service Planning to help in the design of service.

## **3.0 SERVICE PLANNING**

The Service Planning function ensures that convenient, cost-effective transit services are available to meet the mobility needs of the public. This is accomplished through a complex and dynamic process involving continuous measurement and estimation of ridership demand, followed by the development of convenient, cost-effective operating schedules to meet that demand. Service Planning reports and evaluates Metro ridership/route performance statistics.

## **4.0 SPECIAL SERVICES**

Metro's Special Services unit is responsible for the overall direction of complementary paratransit service, as required by the Americans with Disabilities Act (ADA). It serves individuals who are unable to use Metro's regular, fully accessible fixed route bus and rail system. In addition, this unit is responsible for managing MetroLink and non-traditional transportation services, such as airport shuttles, college circulators, vanpools and, employer shuttles, provided by Metro either directly or through agreements with private providers and/or outside agencies and Metro's reduced fare program which allows services and people with disabilities to ride at a reduced rate..

## **5.0 TRANSPORTATION CENTERS**

The Transportation Centers unit maintains the Metropolitan Transportation Center including NFTA corporate offices located at 181 Ellicott Street in Buffalo, the Transportation Centers in Niagara Falls, the Operations Control Center and Transit Police Headquarters. This department provides building maintenance and janitorial services in order to present a clean, comfortable and safe environment for

NFTA employees and the traveling public. This unit also monitors and performs services for the tenants of various facilities.

## **6.0 CUSTOMER CARE**

The Customer Care department is responsible for providing the public with quality bus and rail information. This is achieved through the operation of a customized automated telephone information system (IVR) along with an automated trip planner (ATIS) that is accessible to the public via the NFTA website. The Customer Care department processes nearly 4 million calls annually. Currently, the automated trip planner is utilized by agents and customers in planning more than 55,000 trips per month. Along with being responsible for resolving customer complaints and providing trip information, the department also administers the Emergency Ride Program.

**KEY PERFORMANCE INDICATORS**

	FYE 12 <u>Actual</u>	FYE 13 <u>Goal</u>	FYE 13 Current <u>Estimate</u>	FYE 14 <u>Goal</u>

Rail Fare Evasion Rate	1.09%	2.00%	1.40%	1.50%

**Customer Service**

Complaints Received per 100,000 Boardings	2.3	2.6	2.6	2.6
Commendations per 100,000 Boardings	0.65	0.60	0.80	0.75

	FYE 12 <u>Actual</u>	FYE 13 <u>Goal</u>	FYE 13 Current <u>Estimate</u>	FYE 14 <u>Goal</u>
<b><u>Productivity</u></b>				
Attendance Rate	91.9%	92.0%	91.9%	92.0%
Big Bus Miles Between Service Interruptions	6,641	6,500	7,000	6,700
Small Bus Miles Between Service Interruptions	29,038	31,500	29,500	29,500
Hybrid Bus Miles Between Service Interruptions	9,076	8,500	11,000	10,000
On-Time Performance	83.7%	84.0%	83.9%	84.0%
	CY 11 <u>Actual</u>	CY 12 <u>Goal</u>	CY 12 Current <u>Estimate</u>	CY 13 <u>Goal</u>

**Safety**

Recordable Injury Rate	8.6	8.5	8.8	8.5
Cases with Days Away Rate	6.4	5.2	5.6	6.2
Days Away Rate	404.8	240.0	260.0	360.0

## **KEY POINTS**

- Implement enhanced partnership with UB (2020 Plan) and Buffalo Niagara Medical Campus.
- Receive delivery of mid-life rebuild rail cars
- Enhance customer amenities with Real Time Information Next Bus Interactive Voice Response, Bus Shelters and more Park & Rides.
- Negotiate Paratransit Medicare Service opportunities
- Continue marketing Metro Express and Park & Ride
- Facility Consolidation Study
- ITS Strategic Plan Development
- Fare Collection System Replacement Design
- Compressed Natural Gas (CNG) Fleet and Facilities Integration
- Citizens Advisory Committee (CAC) ongoing
- Continue working with COB cars on Main St. project
- Alternatives Analysis Study
- Niagara Street Corridor construction and procurement

## **PROGRAM AND SERVICE OBJECTIVES**

- Maintain on-time performance and reduce service interruption.
- Reduce number of recordable accidents and cases with days away.
- Increase employee attendance rate.
- Continue to maximize efficiency of paratransit service.
- Increase MTC & NFITC revenue opportunities with advertising and vendor upgrades
- Continue to improve productivity and cost effectiveness of Metro services

\* - FYE12 actual includes \$833,159 in direct capital spending funded with capital reserve funds. FYE13 forecast includes \$753,373 funded with capital reserve funds. FYE14 budgeted capital spending funded with our BNIA ADF account as capital reserve funds have been depleted.

## **BUFFALO NIAGARA INTERNATIONAL AIRPORT**

### **DESCRIPTION**

The Buffalo Niagara International Airport (BNIA) is the primary commercial airport for Western New York and Southern Ontario. BNIA provides safe, high quality, and reliable scheduled air passenger and cargo services. The mission of BNIA is to provide quality aviation services and facilities in a manner that enhances customer service and is cost effective.

Seven scheduled air carriers regional/commuter airlines fly out of BNIA handling approximately 5.2 million passengers annually.

The 1,000 acres of airport property includes two runways (8,827 ft. and 7,161 ft. in length), an FAA Air Traffic Control Tower, Weather Observatory, Aviation Fuel System, General Aviation Facility, Transit Police Station and an Aircraft Rescue and Firefighting facility.

The BNIA terminal and parking facilities are comfortable, easy to use facilities that are equipped with 24 airline gate positions including an international gate as well as 5,000 on-site and 1,900 remote public parking spaces with free shuttle service.

The BNIA terminal features an expanded security screening area, a state of the art baggage handling system, and expanded food and concession venues. Additionally, BNIA is one of the first airports in the country to use an environmentally friendly glycol treatment system during winter operations.

A state-of-the-art air cargo facility including 1,000,000 square feet of apron area is located on the airport complex. Two scheduled air freight forwarders based at the facility handle the majority of the 91 million pounds of yearly cargo.

Additionally, BNIA has a Facilities Maintenance staff which provides building system support (HVAC, roofing, conveyors, remodeling, etc.) for approximately 21 buildings, 284 bus shelters, and 22 miles of former railroad right of ways within the NFTA and its various business centers.

In addition, BNIA enjoys the reputation of providing exemplary snow removal services known throughout the airline industry.

### **PROGRAM AND SERVICE OBJECTIVES**

- Achieve optimal standards of performance in relation to delivering high quality customer service and satisfaction.
- Operate first class public parking facilities in a manner which makes customer service the hallmark of the operation but still maximizes returns to the Authority.
- Increase the number of passengers utilizing BNIA by aggressively improving service and reducing air fares to several key business markets and maintaining service and low air fares to key leisure markets.
- Maximize BNIA long term parking market share through sales and marketing to major local corporate travelers and contingent market radio advertising campaigns.
- Develop and implement a long-range plan to increase parking capacity to meet increasing demand.
- Implement a long-range plan to maximize usage of the expanded terminal space.
- Support unit and snow equipment replacement program to ensure safe air carrier operations.
- Promote and facilitate a safe working environment for BNIA employees, with an effort toward minimizing employee injuries and reducing workers' compensation expense.

**KEY PERFORMANCE INDICATORS**

	FYE 12 <u>Actual</u>	FYE 13 <u>Original Budget</u>	FYE 13 <u>Current Estimate</u>	FYE 14 <u>Budget</u>

# NIAGARA FALLS INTERNATIONAL AIRPORT

## PERFORMANCE INDICATORS

### DESCRIPTION

Niagara Falls International Airport (NFIA) is a joint-use military/general aviation airport that provides commercial passenger and air cargo service. NFIA has been designated by the Federal Aviation Administration as a reliever airport to attract general aviation traffic from Buffalo Niagara International Airport (BNIA). NFIA has a positive impact on BNIA's limited airside capacity, which enhances the efficiency and safety of BNIA airside operations.

NFIA, which is situated on 1,100 acres of property, has a 9,800 foot main runway as well as two general aviation runways (5,188 and 4,030 feet). A 69,000 square foot state-of-the-art terminal building was opened in December 2009. During March 2012, the main air carrier (Direct Air) curtailed business operations. However, there has been gradual growth of flight services offered by two other scheduled air carriers (Spirit Airlines and Allegiant Air) since its discontinuation. There are 1,800 parking spaces located on or near the terminal building grounds with free passenger shuttle service. In addition to the main terminal, NFIA has a general aviation complex consisting of hangars, tie downs, a customer service area and a pilot's lounge. A private Fixed Base Operator, FBO, offers full aviation services to the aviation public.

	FYE 12 <u>Actual</u>	FYE 13 <u>Original Budget</u>	FYE 13 <u>Current Estimate</u>	FYE 14 <u>Budget</u>
FAA Regulations	100%	100%	100%	100%
Total Passengers	216,798	219,716	141,984	170,238
Air Carrier Flights	1,878	1,890	1,140	1,462
Parking Fees Per Passenger	\$7.52	\$15.13	\$13.06	\$12.83

### PROGRAM AND SERVICE OBJECTIVES

- Continue the aggressive marketing approach to capitalize on Air Cargo and Charter opportunities in the most cost efficient operating manner.
- Work closely with the FBO to assure the performance of contracted services.
- Continue to market the NFIA terminal to potential air service providers and concessionaires to provide quality customer service and improve operating profits.
- Continue to increase satisfaction and customer service and enhance public and customer perception of the airport.
- Continue to promote and maintain a safe working environment for NFIA employees with the goal of no lost time incidents and no workers' compensation expense.

## THE PROPERTY GROUP

### DESCRIPTION

The primary mission of the Property Group is to maximize revenue to the Authority on its non-public transportation assets through effective property management while improving and preserving the physical and financial integrity of these Authority-owned buildings, grounds and facilities. The NFTA Board of Commissioners has recognized that the activities of the Property Group provide an impetus to enhance the region's economic development potential. The Property Group serves as the Authority-wide provider of real estate services; acting as the negotiating entity for real estate matters.

#### Property Management Department

Currently the Business Center's portfolio of real estate includes 1.3+ million square feet of industrial warehouse distribution and associated office space; 600+ acres of developed and undeveloped real estate. Encumbering these properties are 120+ leases of building space, ground rental, and occupancy/license agreements; 14+ miles of railroad rights of way containing in excess of 80 separate pipe, wire, and ground leases. In addition to the property management of these assets, the Business Center is responsible for establishing rental rates and tenant fees and the negotiation and preparation of real estate agreements in order to secure new tenants and provide for the renewal of existing contracts.

#### Real Estate Services

The Department is responsible for performing real estate services for all other NFTA divisions and Metro. This work is comprised of:

- Securing and analyzing real estate appraisals.
- Negotiating leases for the real estate of NFTA and Metro transportation operations.
- Seeking Requests for Proposals or competitive sealed bids for the sale of Authority and Metro owned real estate.
- Preparation of real estate net income analysis reports.
- Management of surplus transportation facilities.

#### Land Planning & Development Department

In order to capitalize on the value of NFTA's undeveloped land assets, the department manages land planning and development efforts. This activity provides for a sound financial basis for further NFTA investment in ancillary property.

### PROGRAM GOALS AND OBJECTIVES

- 1.) Port Terminals A & B – Reassess sale versus lease of property; continue lease marketing efforts.
- 2.) 247 Cayuga Road - Continue leasing program with goal to maintain maximum occupancy.
- 3.) 485 Cayuga Road – Continue leasing program with goal to reach maximum occupancy.
- 4.) DL&W - Continue to progress the redevelopment of this facility in order to support community objectives.

### KEY PERFORMANCE INDICATORS

#### PROPERTY GROUP

#### **Financial Goals for FYE 2014**

**INTERNAL AUDIT DEPARTMENT**

**KEY PERFORMANCE INDICATORS**

**DESCRIPTION**

	<u>FYE 12</u> <u>Actual</u>	<u>FYE 13</u> <u>Current</u> <u>Estimate</u>	<u>FYE 14</u> <u>Budget</u>
--	--------------------------------	--	--------------------------------

Internal Audit is an independent appraisal function established within the organization to examine and evaluate its activities. The Internal Audit department reports directly to the Board Audit and Governance Committee. This reporting relationship ensures departmental independence, promotes comprehensive audit coverage and assures adequate consideration of audit recommendations. Day to day administration is provided by the Executive Director.

Number of Internal Financial, Operational and Performance Audits Performed and Reports Issued

	23	21	20
--	----	----	----

The general responsibilities assigned to the internal auditors include evaluating, documenting and testing the NFTA's system of internal control and the reliability and operation of accounting and other reporting systems. The Internal Audit department checks for compliance with established policies, plans, procedures, governmental laws and regulations, and reviews the soundness and adequacy of the policies and procedures to accomplish their purpose at a reasonable cost. The Internal Audit department also verifies the existence of the Authority assets assuring proper safeguards are maintained, identifies opportunities for improved operational performance, coordinates the audit work with that of the external auditors, submits audit plans to the Audit and Governance Committee for review and evaluates specific programs and performs other special projects requested by management.

Submit annual audit plan to Audit & Governance Committee for review and approval.

	1	1	1
--	---	---	---

Price analysis in accordance with the procurement guidelines

	8	8	8
--	---	---	---

Test internal controls in accordance with the Model Governance Principles for Public Authorities

	1	1	1
--	---	---	---

**PROGRAM AND SERVICE OBJECTIVES**

- The objective of Internal Audit is to assist members, activities, and functions of the organization to carry out their responsibilities efficiently and effectively. To this end, Internal Audit provides analysis, appraisals, recommendations, counsel and information concerning the activities reviewed.

**TRANSIT POLICE**

**DESCRIPTION**

The Transit Police department is responsible for the protection and safety of passengers, employees and property of the Authority. The department provides security, law enforcement and investigative services for all divisions of the NFTA and Metro.

The department also oversees the Adjudication department. The Adjudication department is responsible for administration and collection of fines associated with fare evasion, parking and other violations of the Rules and Regulations of the Authority.

**PROGRAM AND SERVICE OBJECTIVES**

- Continue programs to provide a safe and secure system for all NFTA employees and the riding public at all NFTA facilities, Metro Bus, LRRT and the airports.
- Continue mandated DCJS training programs to increase the level of performance and professionalism of the police force.
- Effectively interpret and implement all relevant required federal, state, and local laws and programs.

**EMPLOYEE ASSISTANCE PROGRAM**

**DESCRIPTION**

The Employee Assistance Program is responsible for providing direct services to all NFTA and NFTA Metro employees, employee’s family members and retirees through interview assessments and appropriate referrals to community resource services providers so as to address various personal problems including problems related to alcohol and substance use/abuse, marital, financial, legal and a wide range of interpersonal conflicts in the workplace, the family unit and within the community. The department also provides information, relevant training and education to all levels of employees, including wellness programs and other health and mental health related services.

**PROGRAM AND SERVICE OBJECTIVES**

- Increase the awareness of employees as to the scope of the services provided by EAP, and the confidential manner in which cases are handled to increase employee utilization of pending EAP activities, via distribution of printed material.
- Identify and provide appropriate services to employees and family members who have problems specifically related to alcohol and/or substance use and abuse or other personal problems to reduce man hours lost due to absenteeism.
- Provide wellness programs of various categories to employees including additional mini-wellness fairs.
- Provide SAP services as required by Department of Transportation including assessment and two-year follow-up monitoring.
- Provide intervention services in resolving problem situations which arise from interpersonal, inter-departmental and union/management conflicts as might be indicated.
- Provide follow-up services to new and existing clients as necessary.
- Develop and maintain skills through training in order to provide the best level of care possible to clients – skills enhancement.

- Continue to provide Critical Incident Stress Debriefing as might be indicated and additional training.

**KEY PERFORMANCE INDICATORS**

	FYE 12 <u>Actual</u>	FYE 13 <u>Actual To Date</u>	FYE 14 <u>Projected Estimate</u>
Provide services to an additional group of New Clients <sup>(1)</sup>	57	16	60
Provide services to existing group of Readmit Clients	36	10	45
Provide SAP services as required.	7	4	7
Increase number of participants in Wellness Program <sup>(2)</sup>	40%	10%	45%
Provide Debriefing encounters	7	1	5
Reasonable Suspicion Training to Manager/Supervisor/Union	133	36	36
New Hire Orientation for new employees regarding drug/alcohol and EAP services	96	19	50
Provide Direct Intervention in Conflict Resolution to Other Departments	2	0	2
Skills Enhanced <sup>(3)</sup>	6	4	6

(1) Marketing – brochures + presentations

(2) Marketing – offer more popular items, heart, cholesterol, etc.

(3) Attend pertinent seminar and conferences

## **RISK MANAGEMENT**

### **DESCRIPTION**

The Risk Management department is responsible for protecting the financial assets of the NFTA and NFTA Metro against the adverse effects of accidental losses; establishment of Authority wide risk management programs and procedures; determining whether to maintain or transfer risk exposures via contracts.

The responsibility of the Risk Management department specifically includes the control, procurement, and specification requirements of all property and casualty insurance policies; identifying and analyzing exposures and selecting appropriate risk management techniques to handle exposures; planning what work must be done to protect the Authority by managing workers' compensation, claims, and communicating with senior management the progress of the risk management program.

- Process payments related to workers' compensation in conjunction with Third Party Administration (TPA) agreements.
- Review and maintain continuous insurance compliance protection under all leases, contracts and tenant agreements.
- Participate in the Authority wide safety program.

### **PROGRAMS AND SERVICES OBJECTIVES**

- Maintain continuous protection of the Authority assets through self-insurance or risk transfer via insurance policies.
- Forecast insurance costs and allocate costs to business centers on a cost of coverage basis so as to monitor annual insurance cost allocation to business centers and variances to budget.
- Develop written procedures and operating policies on the risk management program.
- Evaluate the overall effectiveness of the risk management program and make changes where needed.
- Emphasize more loss control and coordinate with corporate safety to recommend training to decrease our frequency and severity of losses.
- Control and direct the Workers' Compensation Third Party Administrator, as well as the internal claim process.

## CLAIMS DEPARTMENT

### DESCRIPTION

The overall responsibility of the Claims department is the prompt, thorough investigation, evaluation, and reasonable resolution of claims against the Authority. The department administers, under Risk Management and in coordination with NFTA Counsel, self-insured aspects of Authority operations, including Metro Bus/Rail, BNIA, NFIA and various properties, with the exception of workers' compensation. No-fault claims, including arbitrations, small and commercial court actions, personal injury and property damage claims, property damage recoveries, and lawsuits, in conjunction with Counsel, are handled from initial investigation through resolution. Additionally, the department maintains accident statistics, prepares monthly and yearly accident summaries, and serves as an investigative resource and assistant in court-related matters for other departments.

### PROGRAM AND SERVICE OBJECTIVES

- The primary objective is disposing of claims within budget.
- Continue development and refining of methods to track and evaluate accident data in order to facilitate reduction of accidents.
- Emphasize interdepartmental communication in order to increase organizational ability to reduce accidents.
- Continue refinement of methods by which other departments may access accident and cost information as necessary for their operations.
- Expedite investigation and recovery procedures by development of direct computer access to bus operational and mechanical data.
- Continue development and enactment of procedures for preservation of bus/rail video, digitalization of investigative and medical records of no-fault and litigated claims.
- Obtain training for current staff to keep up to date on issues effecting tort and no-fault claims

### • KEY PERFORMANCE INDICATORS

	FYE 12 <u>Actual</u>	FYE 13 <u>Original Budget</u>	FYE 12 <u>Current yr to date</u>	FYE 14 <u>Budget</u>
Total No-Fault Claims Submitted	152	151**	48**	144

## HEALTH, SAFETY AND ENVIRONMENTAL QUALITY

### DESCRIPTION

The health, safety and environmental quality department is responsible to develop, administer and promote programs aimed at protecting the safety and well being of employees, customers, the community and environment. The department also ensures compliance with local, state and federal regulations pertaining to health, safety and environmental protection.

### SAFETY & TRAINING

The **safety** section of the Safety and Training department has two primary areas of oversight responsibility. The first area is operational safety, which focuses on Metro Bus, Metro Rail and Paratransit services. The second area is employee safety, which includes all NFTA employees.

As a public transportation provider, safety is incorporated into all phases of the organization. The end product of the operational safety component is the welfare and safety of our customers. The end product of the employee safety component is the safety and security of our employees. Each individual in this organization is continually challenged to produce this safety product.

Safety **training** is provided to all employees of the NFTA to ensure compliance and to help reduce injuries. Skills training is provided to all employees of Metro Bus, Metro Rail and Paratransit, as well as maintenance employees of the Metropolitan Transportation Center, the Niagara Falls International Transportation Center, the Operational Control Center and the Transit Police Headquarters. Skills training is provided to maintain the necessary skills needed to provide quality services throughout and to help reduce operational losses.

The training element of this department anticipates the need to meet the rapidly evolving technologies applied in today's transportation environment. Through continued education to employees, this organization will smoothly transition through new technological and transportation demands.

## SECURITY

The **security** section of the group is responsible for systems Security Program Plan for the NFTA. This includes vulnerability assessment to identify the degree of vulnerability and the appropriate countermeasures needed to provide the necessary levels of protection. This group also monitors compliance with applicable transportation security policies, directives, regulations and agreements and acts as the Authority's liaison with local, state and federal law enforcement and intelligence agencies.

## ENVIRONMENTAL

**Environmental** has two main areas of concentration. These include operational oversight for environmental compliance and environmental assessments to determine environmental impact of projects such as expansions, renovations and maintenance activities. The department ensures that sound environmental practices are observed and encourages open communication with employees, customers and the public regarding the NFTA's environmental program as well as any hazards that may arise from its operations. Environmental looks at ways to minimize waste, prevent pollution, and incorporate recycling in all practices and operations. Sound environmental practices are developed to minimize releases that may impact the environment.

## PROGRAM AND SERVICE OBJECTIVES

- Interpret and implement all regulatory requirements as they relate to safety, security and the environment.
- Make operations safe for employees, customers and the environment.
- Reduce work related employee injuries and illnesses.
- Minimize waste and releases and examine recycling opportunities.
- Train employees to be aware of and responsive to environmental responsibilities.
- Identify operational vulnerabilities and select appropriate countermeasures to minimize losses.

**EQUAL EMPLOYMENT  
OPPORTUNITY/DIVERSITY DEVELOPMENT  
BRANCH**

**DESCRIPTION**

The Niagara Frontier Transportation Authority is committed to ensuring that all persons who are employed, seeking employment, or those individuals who are seeking contracts with the NFTA, are afforded equal opportunities.

The Equal Opportunity / Diversity Development branch is responsible for planning, developing, implementing and evaluating the Authority's Affirmative Action / Equal Employment Opportunity Programs. The department also administers the Disadvantaged Business Enterprises (DBE) in compliance with 49 CFR Part 26, Sub Part D, FTA Circulars 11.55.1, 1160.1, Executive Order 11246 and Affirmative Action Programs as required under Title VI of the Civil Rights Act of 1964. The department is also responsible for Authority-wide compliance with the Americans with Disabilities Act of 1990.

**PROGRAM AND SERVICE OBJECTIVES**

- Administer the Disadvantaged Business Enterprise (DBE) Certification Program and the Equal Employment Opportunity (EEO) Program.
- Monitor contracts for compliance with all federal and state requirements.
- As required, reports are filed with the Federal Aviation Administration and Federal Transit Administration.
- Provide branch managers and department heads with information pertaining to civil rights compliance.
- Monitor hiring and promotional activity to ensure that minorities and women are represented in all job groups.
- Investigate and resolve complaints of discrimination filed by employees of the NFTA and NFTA Metro.
- Investigate and resolve Title VI Complaints.

- Conduct civil rights, sexual harassment and Americans With Disabilities Act training classes.
- Provide fixed route mobility training per request.
- Ensure Authority-wide compliance with ADA of 1990 employment, facility and transportation service requirements.
- Serve as liaison with the disabled community via the Advisory Committee on the Disabled.

## GENERAL COUNSEL

### DESCRIPTION

The office of General Counsel provides and/or administers all legal services for the NFTA and NFTM on civil and administrative matters. This includes representation of the NFTA and NFTM in negligence claims, negotiations with and proceedings involving state and federal agencies, arbitrations involving collective bargaining agreements or employee grievances, professional negligence, tort and contract claims, condemnation and relocation proceedings, negotiation of collective bargaining agreements, preparation of leases, releases, use and operating agreements, settlements and memoranda of understanding.

The office of General Counsel provides advice, opinions and counsel to the Board of Commissioners, the Executive Director, business center managers and staff on matters concerning labor and employment relations, environmental compliance and litigation, landlord-tenant and real property transactions, procurement and contracting issues, suretyship, risk management and insurance, municipal bonds and finance, secured transactions, commercial relationships, and corporate and legislative concerns.

Under the direction of the General Counsel, staff attorneys appear in state and federal trial and appellate courts and before arbitration panels and administrative agencies such as the New York State Department of Labor, the U.S. Environmental Protection Agency, the New York State Department of Transportation and the Federal Transit Administration. General Counsel attorneys draft proposed agency rules and administrative procedures, and pursue enforcement and collection of judgments for fare evasions and parking violations. Staff personnel manage the board agenda, prepare resolutions for consideration by the Board of Commissioners and assist and provide guidance to user departments and business centers on procurement and various other matters impacting the day-to-day and long range operations of NFTA and Metro. The General Counsel also oversees the functions of the Property Group.

### PROGRAM AND SERVICE OBJECTIVES

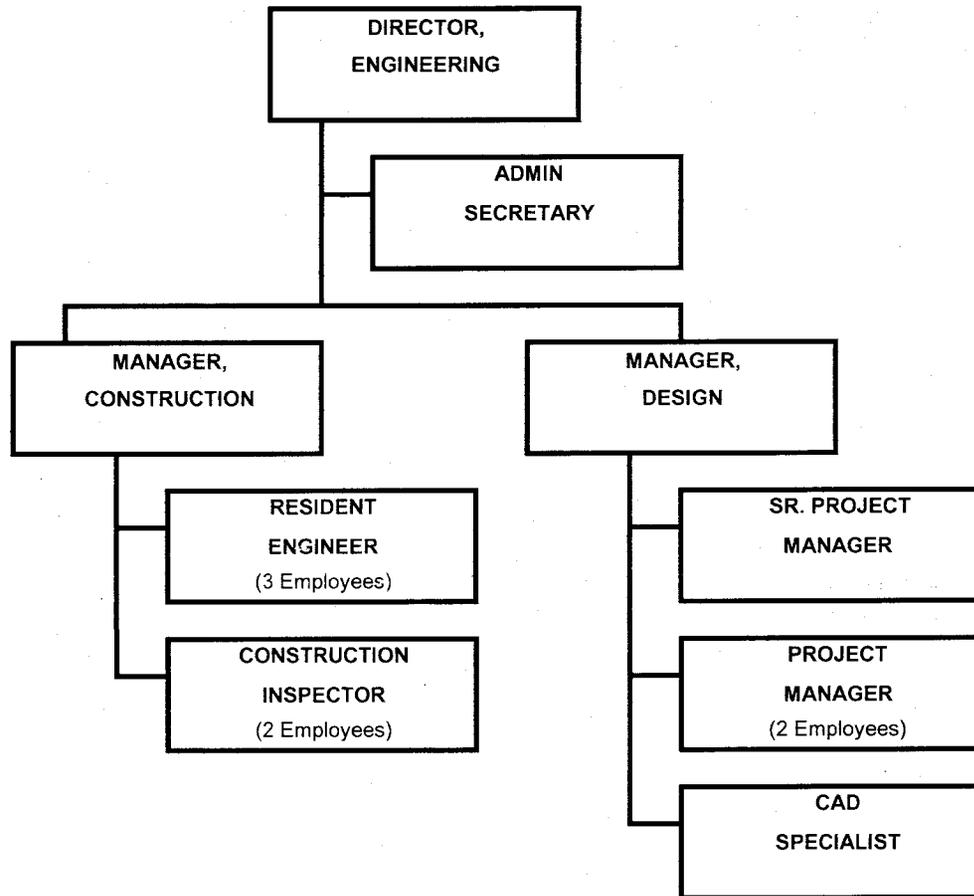

- To provide thorough, timely and effective legal counsel to Authority management, its commissioners and officers.
- To effectively represent the Authority in all disputes, claims, litigation, and administrative proceedings.
- To continue preparation and updating of legal agreements consistent with federal and state requirements and as necessary to support Authority objectives.
- To effectively use outside legal services within budgeted allocations.
- To regularly review pending litigation files and determine reasonable settlement/reserve values.
- To provide contract administration services and guidance to the procurement and user departments involved in specialized procurements.
- To assist management in the updating, promulgation and implementation of various operational guidelines for procurement consistent with the needs of user departments, state and federal funding participants and applicable law.
- To provide legal advice and services to facilitate the acquisition of real property as required to implement project undertakings of the Authority.

## ADMINISTRATION

### DESCRIPTION

The Administration Department is responsible for the management and administration of the Engineering Branch, which includes the Design, and Construction Departments. The Administration Department interacts with other support service branches to ensure consistency with the goals and objectives of the NFTA Business Centers.

### PROGRAM AND SERVICE OBJECTIVES

- Provide cost effective project management including engineering design, design support, construction monitoring, and inspection.
- Manage NFTA energy management programs.
- Implement the NFIA Airport Improvement Program projects.  
Total program cost - \$19.8M
- Implement the BNIA Airport Improvement Program projects.  
Total program cost - \$57.0M
- Implement Metro and LRRT Capital Program.  
Total program \$62.5M
- Implement the LRV Rebuild program.  
Total program cost - \$45.5M
- Manage BNIA Residential Noise Compatibility 10-year Program - \$56.9M.
- Provide oversight/coordination for the Authority wide radio system.
- Provide oversight for the certified inspection of elevators and escalators throughout the Authority.

## DESIGN

### DESCRIPTION

The Design Department provides and manages design development of capital projects and studies consistent with the goals and objectives of the NFTA Business Centers. The services include the establishment of Authority design objectives, criteria and standards, ensuring that project designs comply with technical building code regulations, and development of project scopes and budgets. In addition, the department prepares cost estimates, capital and planning budgets, reports, and studies. The department also reviews and approves contractor shop drawings, requests for tenant modifications, and private development plans and specifications. The management of consultants includes initiating and concluding the selection process, reviewing and approving payments, and contract closeout.

The Design Department is instrumental in development of the Authority-wide Five Year Capital Plan, FAA Airport Improvement Programs, FTA quarterly reports, FTA semi-annual project reviews, managing with the Business Center the BNIA Noise Compatibility Program, the LRV Mid-Life Rebuild Project, BNIA Level 1 Baggage Expansion, and the NFIA New Terminal Apron – Phases 2 and 3.

Other services provided include technical advice and information to Business Center staffs for non capital and maintenance work.

### PROGRAM AND SERVICE OBJECTIVES

- Initiate implementation of capital projects in a cost and time effective manner.
- Each capital project is assigned an implementation schedule with milestone dates and cashflow projections. The actual costs, cashflows, and milestone dates are monitored to assess overall performance of consultants and contractors.
- Provide oversight for Authority Wide radio system and certified inspections for escalators and elevators.

## CONSTRUCTION

### DESCRIPTION

The Construction Department is responsible for construction management of all capital improvement projects. The department ensures that projects are constructed and completed within budget and schedule consistent with the goals and objectives of the NFTA Business Centers. The Construction Department also manages Professional Services Contracts. The primary purpose of the department is to assure contract compliance with contract documents and to ensure full reimbursement of all grant eligible costs from funding agencies.

Liaison with Federal and State funding agencies and various other jurisdictional agencies and public and private utilities, Authority tenants, and adjacent property and business owners is required.

The department also provides coordination between contractors and all other Authority Support Service branches including assisting with implementation of the BNIA Noise Compatibility Program, Fare Collection Replacement, and the NFIA Terminal Apron Expansion, Gates 1 & 2.

Other services provided include technical advice and information to Business Center staff for non capital and maintenance work.

### PROGRAM AND SERVICE OBJECTIVES

- Provide cost effective construction monitoring/management services consistent with the requirements of the Business Centers (i.e., scope, budget, schedule, and coordination).
- Ensure contract compliance and monitor project quality control.
- Management of construction projects which results in full cost reimbursement from the appropriate funding agencies.
- Ensure that the costs of inspection/management services are within acceptable industry standards.
- Ensure contract and project closeouts in a timely manner.

## **PUBLIC AFFAIRS**

### **DESCRIPTION**

The Public Affairs Department provides support with public relations, advertising, printing, communications, graphic design, production, crisis management, website support, community outreach, and marketing materials to all business centers within the NFTA.

The Director of Public Affairs acts as the Public Information Officer for the authority. Public Affairs is responsible for the dissemination of pertinent, timely and vital information to the media, the community and within the authority. This is accomplished by complying with media requests for interviews and information, through communication campaigns to increase the awareness of the NFTA's public transportation services, to generate revenues, to promote a positive corporate image and by posting the authority's electronic informational news stories online for employees and community stakeholders.

In addition, the department is responsible for the preparation, design and production of all collateral and marketing support materials used by various departments within the NFTA. The in-house print and sign departments produce the majority of the materials and provide assistance in the production of signage used throughout the authority. The majority of signage work involves bus stop additions, vehicle detailing, bus shelter advertising, Metro Rail station signage, replacements and modifications.

## **PROGRAM AND SERVICE OBJECTIVES**

- Design and produce marketing materials that support the mission and objectives of the various business centers within the NFTA
- Provide communication/marketing services to all business centers within the authority
- Prepare and produce all Metro timetables, route maps, updating service information with quarterly changes
- Help to maintain a consistent corporate identity for the NFTA
- Continue to improve the effectiveness of the public relations programs using established public relations practices and techniques
- Gain support from the Buffalo Niagara region for NFTA's public transportation initiatives through participation in various community events and activities
- Communicate NFTA operational policies and changes.
- Write articles and take photos for NFTA's in-house online newsletter the Transporter as a means of informing NFTA associates and community stakeholders about happenings within the authority
- Maintain and update the NFTA's various websites
- Assist with the publishing of the NFTA's Annual Financial Report
- Respond in a timely manner to inquires from the media relating to matters concerning the NFTA

Labor contracts negotiated	10	13	12	13

**PROGRAM AND SERVICE OBJECTIVES**

- Implement programs/initiatives that provide cost effective benefits, effective staffing, personnel development, diversity and training.
- Develop positive union/management relationships that encourage mutual respect and common approaches to labor and business issues.
- Successfully conclude labor contract negotiations within established bargaining parameters and in a timely manner.
- Review existing benefit plans for effectiveness and appropriate cost/benefit relationships.
- Develop and obtain Board approval on bargaining strategy for contract negotiations.
- Develop with business directors, organization plans that minimize costs while upgrading talent by promotion, replacement and external recruiting.

## **CHIEF FINANCIAL OFFICER**

### **DESCRIPTION**

The Chief Financial Officer reports to the Board of Commissioners with functional responsibility to the Executive Director and is a member of the Executive Director's Management Team. The Finance and Administration Branch functions as the chief administrator and advisor on all financial matters, (Financial Planning and Analysis, Cash Management, Accounting and Grant Administration), as well as administrative matters (Purchasing, Government Relations and Management Information Systems.)

The Chief Financial Officer is responsible for the strategic financial plan of the authority and the branch is responsible for compliance with all state and federal standards and regulations related to financial and control matters. The Chief Financial Officer and branch management works with the Management Team to develop innovative cost containment measures and revenue enhancements.

### **PROGRAM AND SERVICE OBJECTIVES**

- Provide thorough, timely and effective financial information and guidance to Authority management, its Commissioners and Officers, and as required, to funding agencies.
- Effectively interpret and implement all required financial procedures as determined by external controlling agencies.
- Regularly review and advise the Authority of pending changes in the financial arena that will impact on the performance of the Authority.
- Recommend a balanced program for improvements in office technology that utilizes resources, both financial and human, most appropriately.
- Develop financing and cash management techniques that will more effectively maximize our working capital position.

## FINANCIAL PLANNING AND ANALYSIS

### DESCRIPTION

The Financial Planning and Analysis (FP&A) department is responsible for the preparation, implementation and monitoring of the annual operating and capital budget. This process is intended to recognize and allocate all available resources to our transportation service providers and their support units in the best possible manner to allow the Authority to complete its mission. The annual operating budget becomes the financial plan for the Authority. The Financial Planning and Analysis department is also responsible for the five-year operating and capital plan. This document, as required by New York State, is utilized as a long-term strategic tool in allocating resources to the various business and support units. The department also performs financial analysis in support of business decisions for management and also assists in efforts to achieve and maintain fiscal stability

### PROGRAM AND SERVICE OBJECTIVES

- Prepare the annual operating and capital budgets for all business centers and support units.
- Prepare the five-year operating and capital plan for all business centers and support units.
- Implement, monitor and analyze balanced adopted budgets throughout the fiscal year.
- Provide the Board of Commissioners, Executive Director, and general managers with accurate financial and budget performance data on fiscal issues and recommend appropriate action.
- Assist transportation service providers in developing performance indicators to link the operating budget to services provided.
- Provide detailed analysis in development of BNIA rates & charges.

**ACCOUNTING SERVICES DEPARTMENT**

**KEY PERFORMANCE INDICATORS**

**DESCRIPTION**

The Accounting Services department is responsible for maintenance and control of the general ledger and supporting systems, establishment of NFTA accounting policies and procedures, recommendations on financial techniques to improve management understanding and preparation of all financial reports of the NFTA including NFTA Metro in accordance with Generally Accepted Accounting Principles.

The responsibilities of Accounting Services specifically include the control of accounts receivable, accounts payable, fixed assets, payroll processing, application for grant reimbursements, preparation of reporting requirements for federal, state and local governmental funding agencies, and the preparation of financial information with a management orientation that will improve financial understanding.

**PROGRAM AND SERVICE OBJECTIVES**

- To process and account for all financial transactions through reconciliation of the general ledger accounts, and assure such transactions are in accordance with Generally Accepted Accounting Principles.
- To prepare interim, annual and comprehensive financial statements for federal, state and local governmental authorities and funding agencies as required.
- To develop and provide timely, concise, accurate and effective accounting reports to the Board of Commissioners, Executive Director, and general managers for internal analysis and control.
- To review the MIS accounting systems and make recommendations for enhancements and changes to ensure they adequately support the objectives of Accounting Services.
- To develop ongoing financial training methods.

## CASH MANAGEMENT DEPARTMENT

### MISSION STATEMENT

The Cash Management department is responsible for all treasury functions, with NFTA/NFTM including short-term investments, sale of fare media, transfers of funds, banking relationships and cash flow projections.

### DESCRIPTION

The Cash Management department reports to the Chief Financial Officer regarding the security of all revenue received, placement of all investments, timely collection of operating assistance, management of BNIA bond funds, negotiation of banking agreements, and management of Metro fare media. The department also coordinates with other departments to facilitate a consistent method of handling cash and bank deposits, distributes payroll and general account checks for NFTA/NFT Metro, reconciles Metro payroll and all NFTA accounts, administers all transportation pass programs, controls both NFT Metro pension plans, controls and accounts for all NFTA and NFT Metro cash, supervises the NFT Metro money center, monitors bus loop lease agreements, audits and remits commissions for various vending agreements and processes various federal, state and county reports.

### PROGRAM AND SERVICE OBJECTIVES

- Prepare projected cash flows for NFTA and NFT Metro.
- Investigate any new legislation pertinent to investment policies, procedures and guidelines in accordance with New York State Public Authority Law.
- Report status of all operating assistance to Chief Financial Officer.
- Develop and implement training of treasury management throughout the Authority.

## **GOVERNMENT AFFAIRS DEPARTMENT**

### **DESCRIPTION**

Government Affairs personnel work with NFTA Business Centers, federal, state and local government officials and private-sector partners to formulate and program projects that meet NFTA goals and grantor requirements. Government Affairs personnel also identify, secure and manage financial resources to meet the ongoing capital and operating needs of NFTA Business Centers.

### **PROGRAM AND SERVICE OBJECTIVES**

The functions of the Government Affairs department include:

- Identify appropriate funding sources to satisfy Business Center funding needs.
- Work with partners on program/project planning to formulate projects that maximize funding eligibility.
- Assist budget planning to optimize grant funding opportunities.
- Prepare and submit grant applications.
- Perform administrative and legislative liaison tasks to facilitate obtaining funding.
- Assure project management compliance with grantor rules, regulations, and grant closeout requirements.
- Communicate with partners on administrative and legislative initiatives in a timely and accurate manner.
- Communicate with partners on project status and funding information in a timely and accurate manner.
- Represent NFTA funding interests in regional project planning.

## **PERFORMANCE MEASUREMENTS**

- Grants awarded.
- Funds received to permit project implementation within budget timeframe and maintain NFTA cash position.
- Acceptance of legislative initiatives in support of NFTA needs.
- Favorable grant management review and audit findings.

**DESCRIPTION**

The Procurement department supports the operation of the NFTA by procuring materials, parts, supplies, equipment, utilities and services in accordance with NFTA Policies and Procedures.

**PROGRAM AND SERVICE OBJECTIVES**

- To procure goods and services cost effectively in keeping with the Procurement Guidelines, budgetary limits, and departmental requirements.
- To ensure the integrity of the procurement process and to support new standards for materials, equipment and supplies.
- Improve service to customers at all facilities.
- To assist DBE's to maximize opportunities in their participation in NFTA procurements.
- Issue purchase orders within 24 hours of receipt of purchase requisition.
- Enhance the competitive bidding process.
- Reduce the number of purchase orders processed via the increased use of the purchasing card.

**KEY PERFORMANCE INDICATORS**

# **MANAGEMENT INFORMATION SYSTEMS**

## **DESCRIPTION**

The mission of MIS is to provide the NFTA, its branch operations and business centers, with business systems analysis and automation to achieve efficient, timely, and reliable system solutions at a reasonable cost. The Goal of the MIS department is to improve organizational productivity and performance through more effective and consistent application of integrated technology.

## **PROGRAM AND SERVICE OBJECTIVES**

- Support and maintain corporate business applications such as, the Enterprise Asset Management and Maintenance, Procurement and Financial (Ellipse), HR Payroll (Lawson), and Email (Lotus Notes) systems
- Coordinate technology services offered by the MIS Department, by providing direction in the implementation of computer systems.
- Work with vendors to understand and introduce new technology to the organization.
- Provide and maintain a secure stable Network Infrastructure
- Continue to develop MIS policy and procedures to effectively manage the Authority's MIS resources.
- Plan, investigate, develop and install new applications and programming.
- Provide user support through training and maintenance programming.
- Make available over the NFTA network information needed by the user community.
- Successfully support user help calls directly or through other (vendors, education, etc.) resources.
