Petition Draft

To: Bill Geary, Erie County Commissioner of Public Works

CC: Jack Mills, Joe Lorigo, Scott Bieler and John Hart

We the undersigned residents of West Falls Road, West Falls, NY hereby request that the Erie County Department of Public Works repave our road. It has been in a continuous state of disrepair and has become a matter of public safety. West Falls Road in addition to being a major avenue for residents (walking, biking, family and vehicle usage) is also a primary route for ambulance, fire and police transit. Furthermore, it serves as the primary roadway for the Aurora Waldorf School and as the main transit for East Aurora residents who are traveling to and from West Falls and Colden and further southern destinations (Kissing Bridge, Buffalo Ski Club, etc....).
