IMMEDIATE CONSIDERATION REQUESTED

RE: Erie County Holding Center – Second Floor Reception Housing Units

Dear Honorable Members:

Pursuant to the “Stipulated Order of Dismissal” agreed to by Erie County and the United States of America, and as ordered by federal judge William M. Skretny on August 18, 2011, the County is required to continue its current plan to develop and implement policies and procedures to create a Reception Housing Unit in the Erie County Holding Center, subject to approval by the New York State Commission of Correction. The plans developed by the County were approved by the Commission of Correction on October 18, 2011.

Your Honorable Body previously authorized the County Executive to enter into contracts with the lowest responsible bidders on February 16, 2012 (copy attached). Copies of the original bids received on December 14, 2011 are also attached for your reference.

This resolution is requesting authorization to allow the County Executive to enter into contracts with the second-lowest responsible bidders for the plumbing and heating, ventilation and air conditioning portions of the work only. Time is of the essence for completion of this contract. Should your Honorable Body require further information, please contact Commissioner John C. Loffredo at the Department of Public Works. Thank you for your consideration on this matter.

Sincerely,

Mark. C. Poloncarz, Esq.
Erie County Executive

MEMORANDUM

COMPTROLLER'S
RECEIVED

To: Honorable Members of the Erie County Legislature
From: Department of Public Works
Re: Erie County Holding Center – Second Floor Reception Housing Unit
Date: May 31, 2012

SUMMARY

Your Honorable Body previously authorized the County Executive to enter into contracts with the lowest responsible bidders. Due to the delay in starting the project, the lowest responsible bidders for the Plumbing and HVAC contracts would not extend their bid proposals beyond the original expiration date of March 14, 2012. This resolution is requesting authorization for the County Executive to enter into contracts with the second lowest responsible bidders for the Plumbing and HVAC contracts only. Time is of the essence for completion of this contract.

FISCAL IMPLICATIONS

Funds for the project are currently available from the approved and adopted 2011 Capital budget, SAP project account is A.11001 – 2011 – Erie County Holding Center Improvements.

REASON FOR RECOMMENDATION

The County is required to develop and implement policies and procedures to create a reception housing unit in the Erie County Holding Center pursuant to the “Stipulated Order of Dismissal” and as ordered by the Honorable William M. Skretny, US District Judge, on August 18, 2011. If the County does not comply with the “Stipulated Order of Dismissal”, further action will be taken by the United States of America against Erie County.

BACKGROUND INFORMATION

The “Stipulated Order of Dismissal” was agreed to by Erie County and the United States of America to fully resolve the differences and disputes between the parties. One August 18, 2011, the above mentioned was signed by the Honorable William M. Skretny and filed in Erie County. As part of this order, the County is required to continue its current plan to develop and implement policies and procedures to create a reception unit in the Erie County Holding Center, subject to the approval of the NYS Commission of Corrections. On October 18, 2011, the

County received approval from the Commission of Corrections for the proposed reception housing units. The project was advertised for bids and bids were received by the Department of Public Works on December 14, 2011. On February 16, 2012, your honorable body authorized the County Executive to enter into contracts with the lowest responsible bidders. Due to the delay in starting the project, the lowest responsible bidders for the Plumbing and HVAC contracts, would not extend their bid proposals beyond the original expiration date of March 14, 2012. This resolution is requesting authorization for the County Executive to enter into contracts with the second lowest bidder for the Plumbing and HVAC contracts only.

CONSEQUENCES OF NEGATIVE ACTION

If the County of Erie does not comply with the "Stipulation Order of Dismissal", the United States of America could impose further expense, disruption and uncertainty or litigation, without admitting liability on the terms and conditions set forth in the above noted order.

STEPS FOLLOWING APPROVAL

Contracts with the second lowest responsible bidders will be entered into by the County Executive so the work can begin
