

**STATE OF NEW YORK**  
**LEGISLATURE OF ERIE COUNTY**  
**BUFFALO, N.Y., FEBRUARY 18TH, 2016 A.D.**

**I HEREBY CERTIFY**, That at a regular session of the Legislature of Erie County, held in the County Hall, in the City of Buffalo, on the 18th day of February, 2016 A.D., a resolution was adopted, of which the following is a true copy:

**WHEREAS**, The Erie County Legislature seeks to honor individuals and institutions of Erie County who enhance the quality of life in the community through their efforts; and

**WHEREAS**, Main Mobility was created by Tom Lorentz, who back in 1984 converted a van for his band, which unbeknownst to him at the time would lead to a thirty plus year career; and

**WHEREAS**, Main Mobility began when a local parent seeking a way to transport a child who was in a wheelchair approached Tom for a solution, and after doing extensive research he found a wheelchair lift that enabled easier vehicle access, which began his journey in the mobility industry; and

**WHEREAS**, from humble beginnings in Tom's grandfather's former Brownie's Garage to now operating in the former General Motor's Training Center at 9580 Main Street in Clarence, **Main Mobility**, with its talented and creative staff, have established themselves as leaders in the mobility industry becoming the largest mobility converter of Chevy vans in the country; and

**WHEREAS**, Main Mobility's Tom Lorentz continues to have a passion for music, which led him to write several theme songs for the Special Olympics, such as "Ordinary Life," and his need to serve people with special needs goes above and beyond his business, having served on several not-for-profit organizational boards; and

**WHEREAS**, Main Mobility will be honored on February 25, 2016 as the Clarence Chamber of Commerce's 2016 Business of the Year; and

**NOW, THEREFORE, BE IT**

**RESOLVED**, the Erie County Legislature pauses in its deliberations to recognize and acknowledge

**Main Mobility**

for its entrepreneurial successes and for being named the Clarence Chamber of Commerce's 2016 Business of the Year.
