Re: SUNY Erie Mid-Year Budget Hearing

Dear Chair Savage,

As you are aware, 2018 Erie County Budget Resolution No. 79 requires the County Legislature to hold a mid-year budget hearing for SUNY Erie in the month of February. To date, no such budget hearing has been scheduled.

As in previous years, dating back to at least 2013, items to be discussed at the mid-year budget hearing include, but are not limited to, a review of the performance and efficiency of SUNY Erie's budget management and detailed, line-by-line budget updates and presentations by SUNY Erie officers and staff with direct knowledge of the status of budget items.

I hope you will act soon to schedule this required budget hearing as it is now two months overdue.

Thank you for your attention to this matter,
