RESOLUTION #157

Motion made by Councilman Joyce and seconded by Councilman Roth to adopt the following resolution:

WHEREAS: New York State Government has passed legislation to permanently eliminate sales tax of clothing and footwear, and

WHEREAS: such a decision will cost the Town of Holland over \$11,400, but have a greater effect on the School District, and the County of Erie, and

WHEREAS: the property owner in New York already carries an unjust burden, and

WHEREAS: No tax is a good tax, but some are more equitable than others;

BE IT RESOLVED: that the Town of Holland is opposed to any such legislation from New York State which would permanently eliminate sales tax on clothing and footwear, and

BE IT FURTHER RESOLVED: That the Supervisor of Holland vote so accordingly on a resolution to be presented to the Erie County Association of Governments at their December 17, 1998 meeting.
