Erie County Legislature Clerk
25 Delaware Avenue
Buffalo, NY 14202

Dear Ms. Scibilia:

The New York State Department of Environmental Conservation (DEC) maintains a Registry of sites where hazardous waste disposal has occurred. Property located at 204 Bristol Street in the City of Buffalo and County of Erie and designated as Tax Map Numbers; 111.66-8-28 and 111.66-8-29.1 was listed in the Registry because there was some concern that hazardous waste was deposited there. The name and site I.D. number of this property is listed in the Registry as 204 Bristol Street, Site #915170. The DEC is proposing to delist this site from the Registry. The reason for proposing the removal of this site from the Registry is as follows:

- The reason for this deletion is that the site has been remediated and no further action is required at the site.

Public comments about delisting this site are being received before the decision to remove this site from the Registry is finalized. If you would like to provide us with your written comments, please send them to: Mr. Gregory P. Sutton, P.E., Project Manager, NYS Department of Environmental Conservation, 270 Michigan Avenue, Buffalo, New York 14203-2999.

The public comment period will end January 23, 1999. A summary of any comments we receive will be made available at our Region 9 Headquarters at 270 Michigan Avenue, Buffalo, NY 14203.

If we do not receive any new or additional information during this public comment period that changes our proposal, we will delist the identified site on or after February 23, 1999.

We are sending this letter to you and others who own property near the site listed above as well as the county and town clerks. We are notifying you about these activities at this site because we believe it is important to keep you informed.
