RE: Erie County Jail Oversight Committee

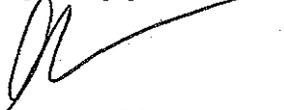

Dear Mr. Graber:

At the suggestion of Legislator Timothy M. Kennedy I have enclosed my resume for your consideration in filling positions on the Erie County Jail Oversight Committee. I feel that I have the experience and qualifications to make the committee a success.

For the past three years, I have served as the Chairman to Municipal Law Committee for the New York State Bar Association, Torts, Insurance and Compensation Law Section. I have also for the past several years offered advice and guidance to both the Genesee County Jail and the Niagara County Jail. I have defended both County Jails in various courts in the State of New York, defending the jails against various claims, including but not limited to, medical claims, dental claims, mental health claims and others.

I thank you in advance for your consideration of my application. Should you have any questions or require additional information, please feel free to contact me at any time.

Very truly yours;

Shawn P. Martin
