Robert M. Graber
Clerk of the Erie County Legislature
92 Franklin St., 4th Floor
Buffalo, NY 14202.

Dear Mr. Graber:

My office is in receipt of the Erie County Legislature's Resolution dated March 17th, 2011 opposing state consolidation of regional Off Track Betting Corporations.

The Western Regional Off Track Betting Corporation remains an invaluable economic development engine for Western New York, and I will work to ensure that it retains its independence and sound financial footing. The County Legislature's views will be kept close in mind should legislation concerning this matter come before me on the Senate floor.

Please do not hesitate to contact me with any other concerns, or if you feel I can be of further help in this or any other matter.

Very truly yours,
