Hon. Barbara Miller-Williams
Chairperson of the Erie County Legislature
92 Franklin Street – Fourth Floor
Buffalo, New York 14202

RE: Water Authority Appointment – Letter of Interest

Dear Chairperson Miller-Williams:

I am writing to formally express my interest in being the legislature's appointment to serve as a commissioner of the Erie County Water Authority. I have discussed this with the Legislature's Minority Leader, John Mills, and in accordance with section 5.01 of your Legislative Rules of Order 2011, I am submitting this letter as notice of my candidacy.

Attached you will find a copy of my resume. I am providing it for you and your colleagues to reference before and during the interview process with the Energy and Environment Committee. While looking at my resume you will notice that I have initiated a number of programs related to the supplying of water to the residents of Marilla. These include the proposing, developing and bonding of three separate water districts. Additionally, my initiation and management of a Sanitation district added to my managerial development. I think my past experiences have prepared me nicely for this service, and I would look forward to the opportunity to continue to give back to a community that has given me so much.

Minority Leader Mills has informed me that he will circulate and present a petition on my behalf at the appropriate time. Thank you for your time and consideration on this matter.

Sincerely,

Earl Jann
