**RE: Erie County Sewer Districts/Western New York  
Council on Occupational Safety & Health  
Proposed Agreement**

Honorable Members:

Enclosed please find an accompanying memorandum from the Department of Environment and Planning pertaining to a proposed agreement with the Western New York Council on Occupational Safety & Health to provide training to the Sewer District staff through a New York State Department of Labor Hazard Abatement Board grant.

Should your honorable body require further information, I encourage you to contact the Department of Environment and Planning. Thank you for your consideration on this matter.

Sincerely,

CHRIS COLLINS  
Erie County Executive

## MEMORANDUM

To: Honorable Members of the Erie County Legislature  
From: Department of Environment and Planning  
Re: Erie County Sewer Districts/Western New York  
Council on Occupational Safety & Health  
Proposed Agreement  
Date: May 2, 2011

---

### **SUMMARY**

Approval of an agreement with the Western New York Council on Occupational Safety & Health (WNYCOSH) for safety training classes to be provided to Sewer District employees through a New York State Department of Labor (NYSDOL), Hazard Abatement Board grant is requested.

### **FISCAL IMPLICATIONS**

There will be no fiscal impact on Erie County's General Fund or Sewer Fund. All costs for the training will be paid by WNYCOSH.

### **REASON FOR RECOMMENDATION**

There is an opportunity to provide mandated safety and health training to Sewer Districts staff without charge to the Sewer Districts. Without this free training, the Sewer Districts would have to provide the mandated safety and health training using their own funds.

### **BACKGROUND INFORMATION**

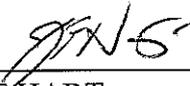

State and federal regulations mandate specific training for sewer operation and maintenance personnel. Failure to provide this training could result in NYSDOL fines. A lack of adequate training would put County employees at risk.

### **CONSEQUENCES OF A NEGATIVE ACTION**

Any of the required training not provided through the grant will be conducted at the Sewer District's expense.

**STEPS FOLLOWING APPROVAL**

No further legislation action will be required. The agreement will be executed with WNYCOSH and the training initiated.
