Neighbors Helping Neighbors!

February 22, 2011

Legislator Thomas A. Loughran
Erie County Legislature
7 Bernhardt Dr.
Amherst, NY 14226

Dear Mr. Loughran,

The Eggertsville Community Organization (ECO) was formed eleven years ago with the purpose of maintaining the quality of life in our neighborhoods. Over the years we have attracted over 250 members and professional sponsors. We have been successful in many endeavors including cooperation with the ongoing Eggertsville Task Force formed by the Amherst Town Board.

As a united community, we are concerned with the upcoming reapportionment of Erie County legislative districts. It would be detrimental to our progress if the Eggertsville area were divided as part of two or more districts.

We are asking your support by being a strong voice for the integrity of Eggertsville in the reapportionment. We also seek your advice on opportunities to make our position better known. I can be contacted at 870-1817 or ehc959@aol.com. ECO appreciates your continued support.

Sincerely,

Stephen W. Matisz Jr.
President
