Re: Local Law 5-1 (2011) on Redistricting

Dear Madam Chair:

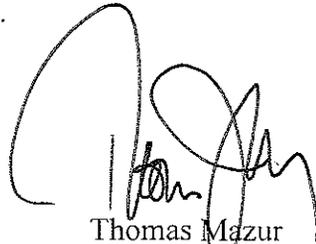

Attached for your convenience is local law 5-1 (2011) regarding redistricting. This local law simply corrects errors in the metes-and-bounds that were identified in local law 4-1 (2011).

As you are aware, local law 5-1 (2011) will now need to age the required eight days and you, in your capacity as Chairperson of the Legislature, will need to call a public hearing on the law.

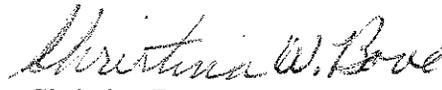

We respectfully request that you convene a public hearing on the new law as soon as possible. We further request that you convene a special session for the purpose of voting on the law as soon as the required aging period has elapsed.

Very Truly Yours,

 Maria Whyte
