MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Environment and Planning
Re: Notice of Public Hearing - Erie County Sewer Districts
2011 Assessment Rolls (2012 Levy)
Date: August 19, 2011

SUMMARY

The Erie County Legislature calls a Public Hearing on the 2011 Assessment Rolls as prepared by the Division of Sewerage Management at 1:30 p.m., local time, on November 4, 2011 in the Legislature Chambers. It is also requested that the Clerk of the Legislature be directed to have the attached Public Notice published in the official County newspapers and the Buffalo News.

The Notice of Public Hearing must be published in the official papers prior to the Public Hearing. Since the official papers are published only once during the week, it is requested that notice be published the week of September 25, 2011.

FISCAL IMPLICATIONS

There is no cost to the County's General Fund associated with holding the Public Hearing on the 2011 Assessment Rolls. However, if the Public Hearing is not held, then the County will not have the legal authority to levy sewer charges against the lots and parcels of land within the Erie County Sewer Districts.

REASON FOR RECOMMENDATIONS

Sections 270 and 271 of Article 5A, County Law, require the Erie County Legislature to annually hold a Public Hearing on the Assessment Rolls.

BACKGROUND INFORMATION

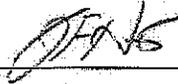

Pursuant to Article 5A, Sections 270 and 271 of the County Law of New York, the Erie County Legislature has annually held a Public Hearing on the Assessment Rolls for the Erie County Sewer Districts. In order for the Sewer Districts to raise the sewer tax levies against the lots and parcels of properties within the Sewer Districts, it is first necessary to hold a Public Hearing on the Assessment Rolls. The purpose of the Public Hearing is to allow the public an opportunity to voice their objections, if any, in the manner in which various lots and parcels have been assessed. Then, once the Public Hearing has been held, the Legislature may adopt and affirm the Assessment Rolls, or they can request the Assessment Rolls be revised.

CONSEQUENCES OF NEGATIVE ACTION

If the Public Hearing on the Assessment Rolls is not held, the Erie County Legislature, and therefore, the Erie County Sewer Districts, will not have the legal authority to raise the sewer district tax levies. As a result, funds would not be available in 2012 to carry out Sewer District operations, nor to pay annual principal and interest due on Sewer District Bonds.

STEPS FOLLOWING APPROVAL

1. The Clerk of the Legislature must have the Public Hearing Notice published in the official County newspapers and the Buffalo News no later than the week of September 25, 2011.
2. A Public Hearing will be held by the Erie County Legislature on November 4, 2011 at 1:30 p.m. local time.
3. The Legislature will be requested to adopt and affirm the Assessment Rolls.
4. The Sewer Districts Budgets must be approved in conjunction with the Erie County Budget.
5. The Sewer District tax levies must be approved in conjunction with the 2012 Budget.
6. After approval of the Budget, the Commissioner of Finance must raise the Sewer District tax levies from the various lots and parcels of land within the Erie County Sewer Districts.
