**Notice of Deletion of Site From Registry**

Site Name and #: **Niagara Mohawk Dewey Ave. Service Station #915144**

Site Address: **144 Kensington Avenue, Buffalo, Erie County**

On October 3, 2011, the New York State Department of Environmental Conservation (NYSDEC) deleted the identified site from the New York State Registry of Inactive Hazardous Waste Disposal Sites (the Registry). The 60-day notification period and inclusive 30-day public comment period have ended. These requirements were established for the proposed deletion of sites from the Registry.

If you have questions about the deletion of the site, please contact the NYSDEC project manager, Stanley Radon, NYSDEC, Division of Environmental Remediation, Region 9, 270 Michigan Avenue, Buffalo, NY 14203, or at 716-851-7220.

Please do not respond to this email. Replies go to an untended mailbox. To protect your privacy, contaminated sites email notices are sent out as a bc (blind copy). That means no one can see your email address. If you wish to be removed from this contaminated sites email list, go to: <http://www.dec.ny.gov/chemical/61092.html> and click on the correct county link, where there is an option to unsubscribe.
