Art and Culture in Public Places

A Community Service Project Langston Hughes Institute

Description of Service

Art and Culture in Public Places is a service utilizing experienced teachers and Professional Artists who engage in arts, creative learning and cultural history education and training in bringing various mediums of the Arts and Cultural Heritage to public places and facilities in the City of Buffalo. Additionally, the project provides community development and community organization activities for youth and young adults and seniors, by engaging neighborhood residents in the implementation and production of art and culture in public places.

Langston Hughes Institute (LHI) will collaborate with community based organizations and the Johnnie B Wiley Amateur Athletic Pavilion. Utilizing the Sports Pavilion as the service site for the project would entail the use of the building facility and available grounds (separate from playing fields). The facility and grounds would house our expected enrollee population of 25-30 youth between 10-17 years of age with other student internship support. Under the supervision of an experienced project manager and five (5) Artists/Mentors, these youth and interns would engage in approximately 15 - 20 hours of activities on site per week.

Being aware that the JBW Sports Pavilion facility is a community based center for service to the community and provides usage to diverse groups for meetings and activities, this proposal is not for exclusive usage by the Langston Hughes Institute during the proposed schedule. The Project proposes usage of large meeting room, conference room, computer room, food service area, storage space and grounds adjacent to the building. Secured storage space is required as exclusive, accessible by LHI project staff and J B Wiley Board (and/or designee only). All other spaces can be cooperatively coordinated for use on a daily basis during the twelve weeks of the project based on scheduled commitments of the J B Wiley Board.

The project presents four (4) terminal objectives to be accomplished during the planned twelve (12) weeks of the project:

- (1) At each public site there would be an arts activity or visual art installation, either temporary or permanent;
- (2) At Johnnie B Wiley facility there would be a community event presentation of arts and culture;
- (3) Video documentation of the activities of the project;
- (4) Project evaluation and collaborative assessment.

The artists will provide arts, technology and crafts instruction to students for the purpose of presentation of their arts creations in designated neighborhood and community locations. The art creations will include expressions in Visual Art, Communications Media, and Media Art, Dance and Music. Educators engaged in literary arts and African American Heritage will provide writing and poetry training.

The project will be initiated with an Arts contest for youth (**Inspired Art**) targeted to the City Council Districts of the proposed project locations. Artist/Mentors will review and evaluate the

submissions. Based on quality of work and ideas, youth submitting will be awarded and invited to participate in the project.

We propose that the Johnnie B Wiley Sports Pavilion become the site location for the delivery of the **Art and Culture in Public Places Project** for a twelve week period. Weeks 1 through three will be utilized for Arts Contest Outreach and evaluation. This will be followed by six (6) weeks of learning and production activities, followed by a community event and three weeks of project follow up evaluation with Artists/Mentors, participating students and collaborating partners.

Scheduling for the project during July and August would provide for six (6) days per week access to the facility from 9:00am to 7:00pm, Monday through Saturday. The proposed schedule provides for variations in Artists and students schedules (summer school, employment) and assures sufficient access to allow for weather delays when outside activities are not possible at the other community sites. Additionally, while actual student training on site is planned for 15 – 20 hours, project coordinating, Artists/Mentors meetings storage and supplies distribution.

A model schedule for July and August would entail:

Monday	Administrative and Artists meeting day
Tuesday	Group A training meeting 10am – 12pm
Wednesday	Group B training meeting 1pm – 3pm
Thursday	Group C training meeting 10am – 12pm
Friday	Group D training meeting 5pm – 7pm
Saturday	All Groups training meeting either morning or afternoon

During September and October a model schedule would provide for continuation of training during after school hours Tuesday through Friday 4:30pm – 6:30pm and Saturday morning or afternoon.

Proposed Locations for presentation arts and cultural heritage activities include the following:

- ◆ Rosa Gibson-Garden of Love
- ◆ Martin Luther King, Jr. Park
- ◆ Broderick Park
- ◆ Johnnie B Wiley Athletic Facility
- ◆ Jefferson Avenue Art Park
- ◆ Michigan Avenue Under Ground Rail Road/African American Heritage Corridor

Proposed Duration of Project and Facility Usage

We are requesting facility Usage from 8/1/2011 through 10/31/2011.

Proposed Consideration for Usage

During this period, LHI would provide Insurance coverage and daily maintenance. Through requested support refurbish areas as needed for public use will be accomplished. This may encompass new

carpeting, carpet cleaning and painting as necessary.

Funding of the Arts and Culture in Public Places Project:

We propose this project to be a sponsored project of LHI, JB Wiley Sports Pavilion, and co-sponsored with the support of collaborating organizations and local businesses.

BY-LAWS (CONSTITUTION)

Langston Hughes Institute, Inc.

136 Broadway

Buffalo, New York 14203

Revised by the Constitution and By-Laws Committee – May 2003
All previous editions are obsolete.

Mission Statement and Brief History:

The Langston Hughes Institute, Inc. was founded in 1968 as the A.P.S. Creative Arts Center, Inc. It continued under that name until 1984 when its name was changed to the Langston Hughes Institute, Inc. The change was made to be consistent with the name under which its programs were operated, and in tribute to the contributions to African American literature made by Langston Hughes.

The Institute provides educational, cultural and programs that have a communal world focus. Its primary objective is to create a positive image of self and instill positive motivation in the community's youth. The Institute provides disadvantaged youth with vocational skills, and appreciation for the cultural aspects of society and an alternative environment.

The Langston Hughes Institute, Inc. has provided continuous services to the community since 1968. In 1971 the City of Buffalo, as part of a community Block Grant known as "Model Cities," funded seventy-one (71) human services programs. The Langston Hughes Institute was one of twenty-three (23) minority operated programs. The Institute is the only African American organization still providing services and is one of only nine (9) of the seventy-one (71) Buffalo "Model Cities" programs still in operation.

Freedom's Plow

The eyes see there materials for building,
See the difficulties, too, and the obstacles.
The hand seeks tools to cut the wood,
To till the soil, and harness the power of the waters.
Then the hand seeks other hands to help,
a community of hands to help ---
Thus the dream becomes not one man's dream alone,
But a community dream.
Not my dream alone, but *our* dream.
Not my world alone,
But *your world and my world*,
Belonging to all the hands who build...

5. The Organization shall maintain complete, accurate and current records of all financial transactions relating to its operation and the services performed pursuant to this Contract. During the term of this Contract and at any time within six (6) years thereafter, the Organization shall make such records available, upon request, to the County for review. The County shall have the right, upon reasonable notice and at reasonable times, to inspect the books and records of the Organization, its offices and facilities, for the purpose of verifying information supplied to the County or for any other purpose reasonably related to monitoring the services to be performed by the Organization pursuant to this Contract.

6. The Organization agrees to furnish to the County any management letter, if issued and independent auditor's report and related financial statements and notes made for it or for other agencies and available to it, which reflects the receipt and use of funds paid to it hereunder, within thirty (30) days after receipt of the request.

7. The Organization also agrees to make available to the County for inspection at reasonable times and places, its current membership and Board of Trustees/Directors lists, financial reports, and minutes of its last annual meeting, Board of Directors or Trustees meetings, and such other minutes as may be pertinent to the operation of such Organization in the public interest. No such membership list shall be published or be made available for any commercial use.

8. This Contract and its attachments constitute the entire Contract between the parties with respect to the subject matter hereof and shall supersede all previous negotiations, commitments and writings. It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

In the event of any conflict between the terms of this Contract and the terms of any schedule or attachment hereto, it is understood that the terms of this Contract be controlling with respect to any interpretation of the meaning and intent of the parties.

9. This Contract may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Contract shall be construed and enforced in accordance with the laws of the State of New York. In addition, the parties hereby agree that for any cause of action arising out of this Contract shall be brought in the County of Erie.

10. To the extent that the funds provided by this Contract are for specific activities or services, the Organization agrees to furnish verified accounts of its disbursements hereunder, together with certified or verified invoices thereto attached, at such times as the County may determine, in such form and detail as may be required by the County, and a final account within one hundred twenty (120) days after the close of the Organization's fiscal year.

11. The County may, at its option, audit such books and records of the Organization as are reasonably pertinent to this Contract to substantiate the basis for payment. The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one year following termination of this Contract. Any expenditure determined by audit to be inconsistent with this contract may be disallowed by the County and shall be subject to refund by the Organization to the County.

12. a. The Organization agrees to refund to the County any unused amount of monies paid to it hereunder, that is, any amount of said moneys encumbered by any current operating expenses, it being understood that in the event the unencumbered revenue of the Organization exceeds its expenses for the Organization's fiscal year, the Organization shall refund to the County within ninety (90) days of the Organization's audit report that part of the surplus which bears the same ratio to the total surplus as the amount actually paid to the Organization by the County bears to the total revenue of the Organization.

b. In determining whether a surplus is accrued by the Organization during the fiscal year, pursuant to subdivision "a" of this paragraph, all revenue of the Organization, not expressly restricted to a particular purpose by the grantor of the revenue, shall be deemed "operating revenue". All encumbered expenses of the Organization, other than those paid from funds specifically restricted to a particular purpose by a grantor, or paid from a segregated capital fund, shall be deemed "operating expense". The Organization shall be deemed to have a surplus if operating revenue exceeds expenses before any transfer of operating revenue into capital, endowment or other restricted funds or accounts.

c. Upon showing in writing to the Budget Director of the County that such a refund would cause extreme hardship to the Organization owing to unforeseen or unanticipated circumstances, the Budget Director may, subject to approval by the Erie County Legislature, authorize the Organization to retain all or part of any funds which the Organization would otherwise be required to refund to the County under this paragraph if the Legislature determines that such retention is consistent with the purpose and intent of this agreement, as applicable. Such authorized retained funds shall be used only for the purposes authorized under this Contract, but may be expended in the calendar year subsequent to this Contract.

13. The Organization agrees to perform the public benefit services which are the object of this Contract as an Independent Contractor and neither it nor any of its employees, members, directors, agents, or representatives shall be or hold themselves out to be employees, officers, agents or representatives of the County.

14. The Organization shall comply, at its own expense, with the provisions of all applicable local, state and federal laws, rules and regulations. The Organization shall further comply, at its own

expense, with all applicable rules, regulations and licensing requirements pertaining to its professional status and that of its employees, partners, associates, subconsultants and others employed to render the services hereunder.

15. The Organization shall be fully accountable for its performance under this Contract and it and its officers agree to answer under oath all questions relative to the performance hereof, and to any transaction, act or omission, had, done or omitted in connection herewith if called before any judicial, county, state or federal agency empowered to investigate this Contract or its performance.

16. The Organization shall not delegate any duties or assign any of its rights under this Contract without the prior express written consent of the County. The Organization shall not subcontract any part of the services without the written consent of the County, subject to any necessary legal approvals. Any purported delegation of duties, assignment of rights or subcontracting of services under this Contract without the prior express written consent of the County is void. All subcontracts that have received such prior written consent shall provide that subcontracts are subject to all terms and conditions set forth in this Contract. It is recognized and understood by the Organization that for the purposes of this Contract, all services performed on an approved subcontract shall be deemed services performed by the Organization and the Organization shall insure that such subcontracted service is subject to the material terms and conditions of this Contract.

17. The Organization shall indemnify and hold harmless the County, its officers, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Organization or third parties under the direction or control of the Organization; and to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Contract and to bear all other costs and expenses related thereto.

18. During the term of this Contract, the Organization agrees to procure and maintain insurance coverage naming the County as additional insured: Commercial General Liability – with a minimum combined single limit of bodily injury and property damage of \$1,000,000 per occurrence and general aggregate of \$1,000,000. The Organization shall provide a Certificate of Insurance as evidence of such coverage(s) on the County of Erie Standard Insurance Certificate or its equivalent.

In the event that the Organization utilizes vehicles, whether owned, leased, hired/borrowed or non-owned, in the performance of the services provided pursuant to this Contract, the Organization agrees to procure and maintain insurance coverage.

The Organization shall further provide evidence of workers compensation insurance on NYS Form C105.2 or U26.3 obtained from insurer. If there are no paid employees of the Organization, the Organization shall provide a "Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Insurance Coverage" (Form CE-200) which can be obtained at the State Worker's Compensation Board website: www.wcb.state.ny.us.

19. The County and the Organization and their respective employees are not and shall not be considered as joint venturers, employees, partners or agents of each other and neither shall have the

power to bind or obligate the other except as set forth in this Contract. There shall be no liability on the part of the County or Organization to any person for any debts incurred by the other.

20. If any term or provision of this Contract is held by a court of competent jurisdiction to be invalid or void or unenforceable, the remainder of the terms and provisions of this Contract shall in no way be affected, impaired, or invalidated, and to the extent permitted by applicable law, any such term, or provision shall be restricted in applicability or reformed to the minimum extent required for such to be enforceable. This provision shall be interpreted and enforced to give effect to the original written intent of the parties prior to the determination of such invalidity or unenforceability.

21. In the event of a breach or default by the Organization of any of the terms and conditions of this Contract, the County may terminate this Contract on ten (10) days written notice to the Organization and request such other remedy as may be reasonable and appropriate in view of the circumstances of such breach or default, including but not limited to, reimbursement to the County by the Organization of all or part of the funds granted to the Organization under this Contract.

22. The Organization agrees to comply with the terms, if any, of the resolution of the County Budget, and implementing resolutions appropriating funds for this Contract.

23. The Organization agrees to acknowledge in any and all promotional material the fact that the Organization receives financial support from the County.

24. Except as specifically provided otherwise in this Contract, the use of County funds shall be limited to current operating expenses including salaries, program costs, fringe benefits, rents, utilities, office supplies and equipment. No County funds shall be used for or applied toward any capital project or improvement, nor as a set-off against accounts receivable. No funds received under this Contract shall be used for any service provided or activity performed outside Erie County.

25. Erie County strongly encourages all not-for-profit agencies that Contract with the County of Erie to participate in the community service component of the County's Welfare to Work Initiative. This program places qualified public assistance recipients in community service placements. Clients participating in this component must work in their respective community assignments as a condition for receipt of welfare benefits. An agency representative should contact the Director of Employment and Training Program, Erie County Department of Social Services, for additional information regarding this program.

26. This Contract and its attachments constitute the entire Contract between the parties with respect to the subject matter hereof and shall supersede all previous negotiations, commitments and writings. It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

In the event of any conflict between the terms of this Contract and the terms of any schedule or attachment hereto, it is understood that the terms of this Contract shall be controlling with respect to any interpretation of the meaning and intent of the parties.

27. Nothing herein is intended or shall be construed to confer upon or give to any third party or

its successors and assigns any rights, remedies or basis for reliance upon, under or by reason of this Contract, except in the event that specific third party rights are expressly granted herein.

28. This Contract may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Contract shall be construed and enforced in accordance with the laws of the State of New York. In addition, the parties hereby agree that for any cause of action arising out of this Contract shall be brought in the County of Erie.

If any term or provision of this Contract is held by a court of competent jurisdiction to be invalid or void or unenforceable, the remainder of the terms and provisions of this Contract shall in no way be affected, impaired, or invalidated, and to the extent permitted by applicable law, any such term, or provision shall be restricted in applicability or reformed to the minimum extent required for such to be enforceable. This provision shall be interpreted and enforced to give effect to the original written intent of the parties prior to the determination of such invalidity or unenforceability.

29. All notices of any nature referred to in this Contract shall be in writing and either sent by registered or certified mail postage pre-paid, or delivered by hand or overnight courier, or sent by facsimile (with acknowledgment received and a copy of the notice sent by registered or certified mail postage pre-paid), as set forth below or to such other addresses as the respective parties hereto may designate in writing. Notice shall be effective on the date of receipt. Notices shall be sent to the following:

THIS CONTRACT, made as of the 1st day of January, 2012 by and between THE COUNTY OF ERIE, a municipal corporation of the State of New York, having its principal place of business at 95 Franklin Street, in the City of Buffalo, New York, 14202 (the "County"), and **LANGSTON HUGHES INSTITUTE, INC.** (the "Organization"), a not-for-profit corporation, having its principal place of business at 25 High Street, Buffalo, NY 14203.

WITNESSETH:

WHEREAS, the County, pursuant to the authority granted to it by Sections 224 and 225 of the County Law and Local Law No. 3-2002, has appropriated funds in the County's 2012 Budget for the purpose of making a conditional grant to the Organization.

NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN THE PARTIES:

1. The Organization agrees to provide public benefit services for and within Erie County as specified in the Scope of Work which is hereto attached and incorporated herein as Exhibit "A" (the "Scope of Work"). No funds granted under this Contract shall be applied to any purposes other than those described in paragraph 24 below.

2. In support of such public benefit services, the County agrees to pay to the Organization, subject to the terms and conditions enumerated herein, an amount not to exceed Fifteen Thousand Dollars (\$15,000.00) payable as follows:

50% thereof or \$7,500.00 within 60 days of the execution of this Contract; and

Payments shall be made on invoices submitted to the Erie County Department of Environment and Planning (the "Department") and approved by the Department. The Department will approve payments once it has received required supporting documentation as described in Exhibit "A".

Funds provided pursuant to this Contract shall not be used for any purpose prohibited by law.

and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Contract or to change the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Organization, then the Organization shall have the right to terminate this Contract upon reasonable prior written notice.

4. Notwithstanding any contrary provision of this Contract, or any provision of the County's current budget, the County Executive may reduce the total amount of funds in this Contract, and not yet paid to the Organization, upon ten (10) days written notice.

11. The County may, at its option, audit such books and records of the Organization as are reasonably pertinent to this Contract to substantiate the basis for payment. The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one year following termination of this Contract. Any expenditure determined by audit to be inconsistent with this contract may be disallowed by the County and shall be subject to refund by the Organization to the County.

12. a. Such authorized retained funds shall be used only for the purposes authorized under this Contract, but may be expended in the calendar year subsequent to this Contract.

13. All subcontracts that have received such prior written consent shall provide that subcontracts are subject to all terms and conditions set forth in this Contract. It is recognized and understood by the Organization that for the purposes of this Contract, all services performed on an approved subcontract shall be deemed services performed by the Organization and the Organization shall insure that such subcontracted service is subject to the material terms and conditions of this Contract.

17.
