**Re: Erie County Youth Bureau
2012 Summer Primetime Funding**

Dear Honorable Members:

The Department of Social Services is seeking approval to execute contracts with community providers for the 2012 Summer Primetime program. A Request for Proposals was distributed for this program and Youth Board panel recommendations were utilized to determine contract amount awards.

Operation Primetime provides for an adult supervised environment for the ten-week school summer recess period. Program activities consist of structured recreational activities that prevent delinquency, increase socialization and foster respect for authority. There is no additional local share necessary for these awards and there is no share fiscal impact based on this resolution.

Should your honorable body require further information, I encourage you to contact the Department of Social Services. Thank you for your consideration on this matter.

Sincerely yours,
