Dear Honorable Members:

The Department of Public Works will be receiving proposals for architectural/engineering services for renovations at the Dr. Matt Gajewski Health Services Center at 1500 Broadway in Buffalo during the legislative summer recess. Re: Dr. Matt Gajewski Health Services Center – Renovations
Date: July 17, 2012

SUMMARY

The Dr. Matt Gajewski Health Services Center was shut down in 2010 by the former administration. It served as a hub for primary care, family planning, dental, and mental health services in the Broadway-Bailey area. Early this year, knowing that the County Executive was interested in bringing primary care back to the East-Side, Catholic Health Services approached Erie County with a proposal to renovate 1500 Broadway and lease the space back to Catholic Health System. This resolution is seeking authorization for the County Executive to enter into an Agreement Amendment for Architectural/Engineering services for designing the renovations to the facility so the Lease costs can be determined.

FISCAL IMPLICATIONS

Funds for the project are currently available from the approved and adopted 2011 Capital Project Accounts, SAP A.11003 – County-wide Code Compliance & A.11006 – County-wide Mechanical, Electrical & Plumbing.

REASON FOR RECOMMENDATION

Architectural/Engineering services are required for renovation to the building and to determine the estimate of construction for the lease agreement with the health care providers.

BACKGROUND INFORMATION

The abandoned health care facility will be re-opened providing primary care, family planning, dental and mental health services to the community.

CONSEQUENCES OF NEGATIVE ACTION

The Dr. Matt Gajewski Health Services Center at 1500 Broadway will remain closed.

STEPS FOLLOWING APPROVAL

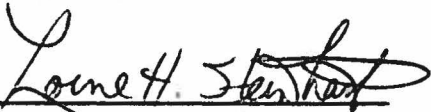

An Agreement Amendment will be issued for the Architectural/Engineering design services.

STEPS FOLLOWING APPROVAL
