MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Senior Services
Re: Department of Senior Service's position transfer
Date: July 27, 2012

SUMMARY

One Senior Services Case Manager (position #870) is currently budgeted for in the department's 163Connects1112 grant which ends on September 30, 2012. As of October 1, 2012 position #870 is not budgeted for in any other Senior Services grant. To retain this employee, the Department is requesting approval to transfer the position, effective October 1, 2012 to the 163III-E2012 grant, and fund the position with available appropriations in the III-E grant.

FISCAL IMPLICATIONS

No additional County funds are required. Personnel service appropriations exist in the 163III-E2012 grant to provide funding to retain the employee.

REASONS FOR RECOMMENDATION

To preserve the Department's ability to serve the frail, homebound elderly of Erie County. The existing caseloads are large and staff is stretched to serve all who are in need.

BACKGROUND INFORMATION

Case manager position #870 was initially budgeted for in the Department's 163WRAP-SOFA1213 grant, as part of the 2012 adopted County budget. Upon subsequently learning that WRAP-SOFA funding was eliminated for the 2012-13 fiscal year, Senior Services through Legislative Resolution 5E-14 (2012) transferred the position to the 163CONNECTS1112 grant, with determination of the funding source after September 30, 2012 to be addressed via another resolution after reviewing mid-year staffing levels

CONSEQUENCES OF NEGATIVE ACTION

Senior Services would be required, as of October 1, 2012, to lay off a Case Manager which would negatively impact the Department's case management function and our ability to provide services to frail elderly residents of Erie County.

STEPS FOLLOWING APPROVAL

The Department will process the payroll changes.
