**RE: State Assistance Application and Contract Execution
Household Hazardous Waste Collection Program**

Dear Honorable Members:

Enclosed please find a memorandum and proposed resolution from the Department of Environment and Planning pertaining to the Household Hazardous Waste Collection Program. The resolution authorizes the Department to apply for financial assistance from the New York State Department of Environmental Conservation (NYSDEC). In addition, the resolution authorizes the County Executive to enter into contract with the NYSDEC to accept partial reimbursement for expenses incurred conducting household hazardous waste collection events.

Should your honorable body require further information, I encourage you to contact Deputy Commissioner Thomas R. Hersey, Jr. at the Department of Environment and Planning, Division of Environmental Compliance. Thank you for your consideration on this matter.

Sincerely yours,

A handwritten signature in blue ink, reading "Mark C. Poloncarz".

MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Environment and Planning
Re: State Assistance Application and Contract Execution
Household Hazardous Waste Collection Program
Date: October 11, 2012

SUMMARY

Approval of a resolution to authorize the Erie County Department of Environment and Planning to apply for State financial assistance from the NYSDEC to offset costs associated with the Household Hazardous Waste (HHW) Collection Program. The resolution also authorizes the County Executive to execute a contract to enter into agreement with the NYSDEC for State reimbursement for HHW expenses.

FISCAL IMPLICATIONS

Erie County would realize a fiscal benefit from partial up to fifty percent State reimbursement for expenses associated with the collection and disposal of household hazardous waste.

REASONS FOR RECOMMENDATION

The Erie County Household Hazardous Waste Collection Program provides residents with the opportunity for proper disposal of unwanted household chemicals. The Program protects the environment and improves home safety. Application for State assistance increases the fiscal sustainability of the program.

BACKGROUND INFORMATION

Erie County has provided Household Hazardous Waste Collection events to the residents since 1988. Over 50,000 residents have attended 71 collection events since the inception of the program. The NYSDEC offers partial reimbursement for costs associated with disposal of waste materials along with other operating and education expenses.

As specified by the NYSDEC, as part of the application package to apply for reimbursement funding, Erie County must pass and submit a resolution authorizing the filing of the application and execution of the associated State Assistance Contract.

CONSEQUENCES OF NEGATIVE ACTION

Erie County would forfeit the State Aid funding available to offset costs associated with the Household Hazardous Waste Collection Program.

STEPS FOLLOWING APPROVAL

The Erie County Department of Environment and Planning will apply for State Aid and the County Executive will execute the contract to allow for partial State reimbursement of HHW Program expenses.
