MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Environment and Planning
Re: Erie County Sewer District No. 2
Modification of Plans (2012)
Date: November 13, 2012

SUMMARY

The Erie County Legislature is requested to approve the attached Resolution approving the proposed Modification of Plans in Erie County Sewer District No. 2.

FISCAL IMPLICATIONS

None. There are no new cost increases to the bond authorization that was originally approved in 2002.

REASONS FOR RECOMMENDATION

Pursuant to County Law, Article 5A, Section 253-b, Modification of Plans, any changes to the original adopted Sewer Agency Report of 2002, requires a public hearing on the proposed changes. The Erie County Legislature approved a resolution on September 27, 2012, calling a Public Hearing. The Public Hearing was held on October 24, 2012, with no objections to the Modification of Plans. The next step is to approve the attached Resolution approving the project.

BACKGROUND INFORMATION

In 2002, an Increase & Improvement of Facilities for \$3,000,000 was approved to rehabilitate the Sanitary Sewers in Erie County Sewer District No. 2. Since the approval of the original Sewer Agency Report, many of the projects fell below the original engineers' estimates thus causing a surplus of \$677,514. It is recommended by the Erie County Sewer Agency and the Erie County Sewer District No. 2 Board of Managers, that the 2002 project be modified to use the remaining funds for capital repairs to the existing pumping stations, sanitary sewers and treatment plant facilities. These remaining funds would also be available for any engineering, easements, financing costs and maintenance that would be required within the existing infrastructure of the Sewer District.

CONSEQUENCES OF A NEGATIVE ACTION

The Sewer District would not be able to utilize the remaining bond authorization to make necessary improvements within the District.

STEPS FOLLOWING APPROVAL

Erie County Division of Sewerage Management will submit a Bond Resolution for approval to the Erie County Legislature.
