## **MEMORANDUM**

**To:** Honorable Members of the Erie County Legislature  
**From:** Department of Law  
**Re:** First Amendment to Buffalo Cellblock Agreement  
**Date:** December 17, 2012

---

### **SUMMARY**

The attached resolution requests authorization for the County to enter into the First Amendment to the 2003 Lock-up Agreement between the County and the City of Buffalo concerning the County's assumption of certain police cellblock responsibilities from the City of Buffalo. The First Agreement provides for the City's compensation to the County for incurred costs in 2012 for male detainees and to compensate the County through June 30, 2013 under the new agreement for costs incurred for female detainees.

### **FISCAL IMPLICATIONS**

Under the First Amendment the City will pay the County \$465,053.09 for services previously provided by the County in 2012 and the City will pay \$163.19 per day per female detainee under the new agreement for female detainees.

### **REASONS FOR RECOMMENDATION**

The First Amendment is necessary to adequately receive compensation for services rendered by the County to the City of Buffalo.

### **BACKGROUND INFORMATION**

In July 2003, the County agreed to assume responsibilities for providing the cellblock function for the City of Buffalo. However, over the years, the City's payments for the services did not match expenses. In January 2007 then-Erie County Comptroller Mark Poloncarz issued a review of the cellblock agreement noting this fact and recommending steps be taken to address the funding discrepancy. In May 2011 the County served notice on the City that the County would not renew the agreement. In August 2012, the County served notice of default pursuant to the agreement and in October 2012 the County served written notice of termination of the agreement.

The First Amendment addresses female detainees moving forward and resolves City payments owed to the County for male detainees from early 2012.

## **CONSEQUENCES OF NEGATIVE ACTION**

Failure to approve the First Amendment will result in a lack of revenue inuring to the County.

## **STEPS FOLLOWING APPROVAL**

The County Executive will execute the contract with the City and the Department of Law and Division of Budget and Management will work with the Office of Sheriff and County Comptroller to receive the City payments and make the necessary entries to record the revenue and ensure timely future payments from the City for female detainees.
