**RE: Award of Contract
Erie County Sewer District No. 8
Contract No. 12 - Brooklea and Creekside Low Pressure Grinder Stations**

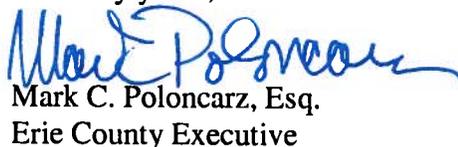

Honorable Members:

The Department of Environment and Planning, Division of Sewerage Management is proposing to replace the Brooklea and Creekside grinder pumping stations located in Erie County Sewer District No. 8. This work is necessary to enable the continued reliable operation of the sanitary sewer system at these locations.

Plans and specifications, known as Brooklea and Creekside Low Pressure Grinder (LPG) Replacement, Contract 12, were prepared, and construction bids were received on May 15, 2013. The lowest responsible bidder is CMH Company, Inc. CMH Company, Inc. has been recognized as successfully performing similar work in Erie County. Therefore, this resolution seeks approval to award Contract 12 to CMH Company, Inc.

Should your honorable body require further information, I encourage you to contact Joseph Fiegl in the Department of Environment and Planning. Thank you for your consideration on this matter.

Sincerely yours,

Mark C. Poloncarz, Esq.
Erie County Executive

MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Environment and Planning
Re: Award of Contract
Erie County Sewer District No. 8
Contract No. 12 - Brooklea and Creekside Low Pressure Grinder Stations
Date: May 21, 2013

SUMMARY

Award of the Brooklea and Creekside Low Pressure Grinder (LPG) Replacement, Contract 12, to CMH Company, Inc. for the bid amount of \$88,950.00 is requested.

The necessary bid tabulations, Engineer's estimate, Engineer's recommendation, and suggested resolution for award are enclosed.

FISCAL IMPLICATIONS

There will be no impact on the County's General Fund. The funds for this contract will be provided by Erie County Sewer District No. 8, Capital Project C.00071.

REASONS FOR RECOMMENDATION

Completion of the project improvements are required to maintain ongoing reliable operation of the Brooklea and Creekside Low Pressure Grinder Stations.

BACKGROUND INFORMATION

The Brooklea and Creekside Low Pressure Grinder stations provide sanitary sewer service to various customers in Erie County Sewer District No. 8. The existing stations are at the end of their useful service life and require replacement. The proposed replacement Low Pressure Grinder stations are modern package units with the grinder station and pumps in one factory built unit. These stations will provide improved performance, reliability and service life to the customers of Erie County Sewer District No. 8.

Plans and specifications were prepared by the Erie County Division of Sewerage Management for the purpose of receiving bids. Construction bids were received on May 15, 2013.

CONSEQUENCES OF NEGATIVE ACTION

Failure of the existing Brooklea and Creekside grinder pump stations would require emergency bypass pumping to enable continued sanitary sewer service to the customers of Erie County Sewer District No. 8.

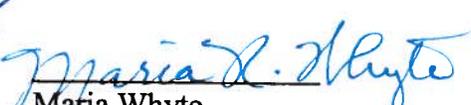

STEPS FOLLOWING APPROVAL

The low bidder will be issued a Notice of Award and the Department will initiate the process of executing the contract documents. A Notice to Proceed will be provided upon receipt of the necessary insurance certificates, bonds, MBE/WBE Utilization Plan and execution of the contract.

COMPTROLLERS OFFICE REVIEW

The proposed legislature has been reviewed by the Comptrollers Office and is related to an authorized capital project for which there are sufficient capital appropriations for the action proposed.

A RESOLUTION SUBMITTED BY:
DEPARTMENT OF ENVIRONMENT AND PLANNING

Re: Award of Contract
Erie County Sewer District No. 8
Contract No. 12 - Brooklea and Creekside Low Pressure Grinder Stations

WHEREAS, the Erie County Department of Environment and Planning has received the following lowest responsible bid for the Erie County Sewer District No. 8, Brooklea and Creekside Low Pressure Grinder Stations, Contract No.12 at 2:00 P.M. on May 15, 2013:

<u>Contract</u>	<u>Low Bidder</u>	<u>Amount</u>
Contract No. 12	CMH Company, Inc. 12704 North Road Alden, New York 14004-9772	\$88,950.00

WHEREAS, the aforementioned lowest responsible bidder has successfully performed similar work in Erie County.

NOW, THEREFORE BE IT

RESOLVED, the Brooklea and Creekside Low Pressure Grinder Stations, Contract No. 12 be awarded to CMH Company, Inc. in the not to exceed amount of \$88,950; and be it further

RESOLVED, that the County Executive be, and is hereby authorized to execute the Contract with the aforementioned lowest, responsible bidder subject to approval as form by the County Attorney and certification of availability of funds; and be it further

RESOLVED, that the Comptroller is authorized and directed to allocate \$88,950.00 from Sewer Capital, Erie County Sewer District No. 8, account C.00071 for Contract No. 12; and be it further

RESOLVED, that the Clerk of the Legislature be directed to send one (1) certified copy each of this resolution to the County Executive, Director of Budget and Management, Comptroller's Office, Kristen Walder, Assistant County Attorney, and send two (2) certified copies of this resolution to Joseph L. RE: Erie County Sewer District No. 8
Contract No. 12 - Brooklea and Creekside Low Pressure Grinder Replacement
Engineer's Recommendation

Bids were opened for Contract No. 12 on May 15, 2013. A copy of the bid tabulation and engineer's estimate are attached. CMH Company, Inc. was the low bidder with a bid of \$88,950.00. There were four (4) bidders on this contract and the County received a favorable bid from CMH Company, Inc. They were lower than the other bidders and less than the engineer's estimate. We feel the bid amount is a good, competitive number.

CMH Company, Inc. has had numerous sanitary sewer installation contracts with us throughout the years. They are an experienced company specializing in sanitary sewer installations, and will have no problem performing the scope of work for this contract.

Our recommendation is to award Contract No. 12 to CMH Company, Inc. at a total bid of \$88,950.00.
