MEMORANDUM

13 JUN 10 PM 1:3

To: Honorable Members of the Erie County Legislature
From: Department of Public Works
Re: Supplemental Agreement with NYSDOT - Bridge Painting
Project Construction Award -Various Towns, Erie County - PIN 5760.27
Date: June 10, 2013

SUMMARY

Request adoption of resolution to authorize the County Executive to enter into a Supplemental Agreement with the New York State Department of Transportation for the Construction Phase of the Project.

FISCAL IMPLICATIONS

The total cost of the authorized project is currently estimated at \$435,000. The Design Phase in the amount of \$50,000 was previously appropriated via Comm. 17E-9 of October 25, 2012. This Supplemental Agreement adds the Construction phase at a cost of \$385,000, of which 80% will be reimbursed with Federal funds. The required 20% local share for this phase is \$77,000 which is available in Fund 420, BA 123, B.21011, 2010 Bridge Painting Construction.

REASONS FOR RECOMMENDATION

Erie County has completed the Design Phase of this Project and would allow construction in Summer of 2013. The County's entrance into a contract with the New York State Department of Transportation allows for 80% of the cost of Construction Phase to be funded by Federal funds.

BACKGROUND INFORMATION

This Project was approved by the New York State Department of Transportation in their current Capital Program 5-year Plan with funding from the Locally Administered Federal Aid Program and to be let in the Summer of 2013.

CONSEQUENCES OF NEGATIVE ACTION

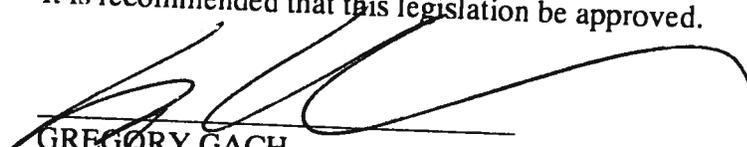

The Construction Phase of the Project will not be fully funded and therefore, not completed. As a result the bridges noted will not be painted nor their life expectancy prolonged, and Federal Aid for the project could be lost.

STEPS FOLLOWING APPROVAL

The County Executive will sign the Supplemental Agreement so that it can be fully executed by the New York State Department of Transportation.

COMPTROLLER'S OFFICE REVIEW

The proposed legislation has been reviewed by the Office of the Comptroller and is related to an authorized capital project for which there are sufficient account balances for the action proposed. It is recommended that this legislation be approved.
