ERIE COUNTY LEGISLATURE

HON. JOHN J. MILLS

CHAIRMAN OF THE LEGISLATURE

11TH DISTRICT LEGISLATOR

May 12, 2014

Legislator Burke,

In regards to the letter you clocked-in to Executive Poloncarz on Friday May 9th, as you know, being I talked to you personally about this topic, I plan on forming a committee to address our crumbling infrastructure and long-term cost of road maintenance.

You'll be happy to know my staff has already begun developing this committee and we will have something clocked-in shortly, hopefully this week. I will make sure you are the first to know when submitted to the Legislature.

Thank you for your thoughts, and we look forward to having a conversation with you and the County Executive about how we need to invest more in our roads on behalf of the residents of Erie County.

Sincerely,

John Mills
Chairman, Erie County Legislature

CC: County Executive Mark Poloncarz
