Hon. John J. Mills  
Chairman of the Erie County Legislature  
92 Franklin Street, Fourth Floor  
Buffalo, NY 14202

Chairman Mills,

As I explained in our conversation it is my goal to have a committee on County Highway Reform created that will address all the issues of the County Highway System. The full scope of the problems with the County Highways includes not just the current state of the infrastructure and the long-term maintenance of the system, but also the lack of a rational routing system and presence of many County roads that should be owned by local municipalities. My letter to the County Executive was written because I wanted to ensure that the full spirit of my request was taken into consideration.

I continue to hope that we will be able to work together to ensure that strong reforms can be accomplished.

Sincerely,

A handwritten signature in cursive script that reads "Patrick Burke".
