Hon. Mark C. Poloncarz
Erie County Executive
95 Franklin St.
Buffalo, NY 14202

Dear County Executive Poloncarz,

As you know, the Erie County Fisheries Advisory Board was established to advise the Department of Environment and Planning on matters "concerning protection, development, and access to fisheries, upon related issues, and upon such additional matters as may be requested by the Commissioner or by the County Executive," as stated in the Erie County Code.

I understand that there is a vacancy on this important County board, and would appreciate any consideration you could provide to a community leader who would make an ideal member of the advisory board.

George Johnson, Jr., (291 East Delavan Ave., Buffalo, NY 14208) is my recommendation to become a member of the Erie County Fisheries Advisory Board, having expressed a keen interest in serving, as well as knowledge and interest in the issues involved.

I thank you in advance for your consideration.

Sincerely,

Barbara Miller-Williams
1st District Legislator
