HON. EDWARD A. RATH, III  
LEGISLATOR

Hand Delivered

May 27<sup>th</sup>, 2014

Department of Public Works  
Attn: Commissioner John Loffredo  
95 Franklin Street – 14<sup>th</sup> Floor  
Buffalo, NY 14202

Dear Mr. Loffredo:

As you indicated at the May 15<sup>th</sup> Erie County Legislature Economic Development Committee meeting, your department would create a priority project list for additional road work and submit it to the Legislature by May 20<sup>th</sup>, at the latest. Today's date is May 27<sup>th</sup> and we have not received said list.

The Legislature appreciates your work this construction season, especially in the face of one of the worst winters in recent memory. We look forward to your continued cooperation and would like to see the additional road projects list for the \$5 Million as soon as is possible.

I appreciate your attention in this matter.

Very truly yours,

Edward A. Rath III  
Erie County Legislature – 6<sup>th</sup> District
