RE: Authorization to Enter Into Contract with Brain and Spine Medical Services, PLLC, DBA DIA Invision Health

Honorable Members:

The purpose of this resolution is to authorize entering into a contract for Cancer Services reimbursement from multiple sources with Brain and Spine Medical Services, PLLC, DBA DIA Invision Health, for the provision eligible clinical services during the time period 12/1/13 through 3/31/18. This contractor has been providing services for the Cancer Services Program under their original name – Diagnostic Imaging Associates – they have now joined a larger group and are being called DIA Invision Health. Since they have a new parent organization and tax ID number, we need to have them re-enroll with a new contract

The provision of clinical services is based upon New York State Department of Health assigned rates for the Partners for Prevention Cancer Services Program of Erie County.

Should your honorable body require further information, I encourage you to contact the Health Department. Thank you for your consideration on this matter.

Sincerely yours,

Mark C. Poloncarz, Esq.
