## ERIE COUNTY LEGISLATURE

**HON. JOHN J. MILLS**  
CHAIRMAN OF THE LEGISLATURE  
11<sup>TH</sup> DISTRICT LEGISLATOR

August 5, 2014

Honorable Mark Poloncarz  
County Executive  
95 Franklin St. – 16<sup>th</sup> Floor  
Buffalo, NY 14202

Dear Executive Poloncarz:

As you are well aware, Erie County established the Erie County Bridge and Road Infrastructure Maintenance Advisory Board to help develop a long-term plan for our county roads. The board requires recommendations from many community sources including an appointment from your office.

To date, the majority of recommendations have been submitted to the Legislature for approval. However, your office has not yet submitted a name for appointment. I am requesting that you submit over a name as soon as possible so the Legislature can finalize the appointment process and allow the board to begin the important work it has ahead of it to ensure Erie County is adequately maintaining its infrastructure.

I appreciate your anticipated cooperation.

Yours very truly,

John J. Mills – Chairman  
Erie County Legislature – District 11
