Re: Amigone Crematorium

Dear Legislator Hardwick:

As discussed today, please be advised that the Law Department will not be represented at the Government Affairs Committee meeting scheduled for Thursday October 8, 2014. Should the Amigone resolution be adopted litigation will likely follow. As such, it is not in the County's best interest to discuss litigation posture in a public forum. We remain committed to the defense of any suit brought in connection with the repeal of Erie County Legislative Resolution Reference (Int. 21-14) and are available to discuss with Legislators within the context of the attorney-client privilege.

Very truly yours,

MICHAEL A. SIRAGUSA
Erie County Attorney
