## MEMORANDUM

**To:** Honorable Members of the Erie County Legislature  
**From:** Department of Environment and Planning  
**Re:** State Assistance Application and Contract Execution: Household Hazardous Waste Collection Program  
**Date:** November 28, 2014

---

### **SUMMARY**

The Department of Environment and Planning is requesting authorization to apply for State financial assistance from the New York State Department of Environmental Conservation (NYSDEC) to offset costs associated with the Household Hazardous Waste (HHW) Collection Program. The Department is also requesting authorization for the County Executive to enter into an agreement with the NYSDEC for State reimbursement for HHW expenses.

### **FISCAL IMPLICATIONS**

Erie County would realize a fiscal benefit of fifty percent State reimbursement for expenses associated with the collection and disposal of household hazardous waste.

### **REASONS FOR RECOMMENDATION**

The Erie County Household Hazardous Waste Collection Program provides residents with the opportunity for proper disposal of unwanted household chemicals. The Program protects the environment and improves home safety. Application for State assistance increases the fiscal sustainability of the program.

### **BACKGROUND INFORMATION**

Erie County has provided Household Hazardous Waste Collection events to residents since 1988. Over 50,000 residents have attended 73 collection events since the inception of the program. The NYSDEC offers partial reimbursement for costs associated with disposal of waste materials along with other operating and education expenses.

As specified by the NYSDEC, as part of the application package to apply for reimbursement funding, Erie County must pass and submit a resolution authorizing the filing of the application and execution of the associated State Assistance Contract.

### **CONSEQUENCES OF NEGATIVE ACTION**

Erie County would forfeit the State Aid funding available to offset costs associated with the Household Hazardous Waste Collection Program.

### **STEPS FOLLOWING APPROVAL**

The Erie County Department of Environment and Planning will apply for State Aid and the County Executive will execute the contract to allow for partial State reimbursement of HHW Program expenses.
