MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Emergency Services
Re: Acceptance of FY 14 Public Safety Answering Point (PSAP) Operations Grant
Date: November 17, 2014

SUMMARY

The Department of Emergency Services is seeking authorization for the County Executive to enter into a contract to receive \$210,388.00 in federal assistance for the FY 14 Public Safety Answering Point (PSAP) Operations Grant.

FISCAL IMPLICATIONS

There is no fiscal impact on the county operating budget. Said grant is 100% reimbursed.

REASONS FOR RECOMMENDATION

The Department of Emergency Services will be allowed to manage expenditures for \$210,388.00 in federal funds allocated by the NYS Department of Homeland Security funds and utilize the funds to enhance the ability of Erie County to manage emergency and disaster situations.

BACKGROUND INFORMATION

As a result of existing threats to homeland security, New York State has allocated federal and state funds to be utilized to improve the ability of local governments to deal effectively with emergency and disaster situations. These funds are provided to facilitate the development, consolidation and/or improved operation of public safety communications to support and enhance the dispatch centers within Erie County by updating their current systems to the Next Gen 911 system.

CONSEQUENCES OF NEGATIVE ACTION

Without this Legislation the FY 14 Public Safety Answering Point (PSAP) Operations Grant contract will not be signed, the funding will not be received for the Department of Emergency Services and the original purpose of what these funds were intended to be utilized will not be completed.

STEPS FOLLOWING APPROVAL

The County Executive will sign the contract, the \$210,388.00 in Homeland Security grant funds will be received, and the Department of Emergency Services will fulfill its requirements.
