MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Emergency Services
Re: Acceptance of FY 13 Emergency Management Performance Grant
Date: January 28, 2014

SUMMARY

The Department of Emergency Services seeks authorization for the County Executive to enter into a contract to receive \$334,372 in State Assistance for the FY 13 Local Emergency Planning Grant.

FISCAL IMPLICATIONS

There is no fiscal impact on the County operating budget. Said grant is 100% reimbursed from New York State.

REASONS FOR RECOMMENDATION

The Department of Emergency Services will manage expenditures for \$334,372.00 in NYS Department of Homeland Security funds and to enhance the ability of Erie County to manage emergency and disaster situations.

BACKGROUND INFORMATION

As a result of existing threats to homeland security, New York State has allocated funds to be utilized to improve the ability of local governments to deal effectively with emergency and disaster situations. These funds play an important role in the implementation of Presidential Policy Directive 8 (PPD-8) by supporting the development and sustainment of core capabilities of prevention, protection, mitigation response and recovery within Erie County. Emergency Services continues to work on enhancing the ability of first responders within the County to effectively and efficiently manage emergency and disaster situations.

CONSEQUENCES OF NEGATIVE ACTION

Without this Legislation the FY 13 Local Emergency Management Performance grant contract will not be signed, the funding will not be received for the Department of Emergency Services and the original purpose of what these funds were intended to be utilized will not be completed.

STEPS FOLLOWING APPROVAL

The County Executive will sign the contract, \$334,372 in Homeland Security grant funds will be received, and the Department of Emergency Services will fulfill its requirements.
