Dear Chairperson Mills & Majority Leader Lorigo:

As you are aware, the gaming industry is a dynamic one with constant changes and challenges being presented on an almost daily basis. Therefore, I am respectfully requesting the opportunity to appear before the appropriate Erie County Legislature committee to discuss the future of casino gaming and potential negative impacts that have arisen or may arise, as well as the outlook for the gaming industry in our region.

Thank you in advance for the opportunity to present an update on this very important issue on behalf of Western Region Off-Track Betting Corporation.

Sincerely,

Michael P. Nolan, Executive Vice-President/C.O.O.
Western Region Off-Track Betting Corporation

cc: Clerk of the Erie County Legislature
