Re: State Authorization for the Private Sale of Bonds by Negotiated Agreement

Dear Honorable Members:

Enclosed are recommended Home Rule Requests to the New York State Senate and the New York State Assembly to amend New York State Local Finance Law §54.50 to permit the continued underwriting and private sale of Erie County obligations through negotiated agreement until June 30, 2015. A copy of the related legislation introduced in the New York State Senate by Senator Patrick Gallivan (S-6687) and in the New York State Assembly by Assembly members Schimminger, Peoples-Stokes, Kearns, and Corwin (A-8864) is also attached for your information.

As outlined in the attached accompanying memorandum, this amendment will provide the County sufficient flexibility in the marketing of bonds. This flexibility allows the County the ability to adjust coupon rates and maturities to ensure a more successful sale of bonds. The County has utilized negotiated authority for many years, and unless the legislature acts, such authority will expire on June 30, 2014. Please note that while the County can benefit from such authority through lower prices and better terms, there may be circumstances and situations in which the county also engages in a competitive process.

I am available to answer any questions that you may have on this issue. Please feel free to contact me at 858-8404 and thank you in advance for your consideration of this request.

Sincerely yours,

ACCOMPANYING MEMORANDUM

RE: State Authorization to Arrange for the Underwriting and Private Sale of Bonds Through Negotiated Agreement

SUMMARY OF RECOMMENDED ACTION:

That Erie County request the enactment of state legislation entitled "An Act to amend the local finance law, in relation to the sale of municipal obligations by the County of Erie."

FISCAL IMPLICATIONS OF PROPOSAL:

The underwriting of bonds at private sale through a negotiated agreement offers needed flexibility to adjust coupon rates and maturities in response to unexpected events and uncertain credit market conditions. This flexibility can ensure a more successful sale and lower borrowing costs.

REASON FOR RECOMMENDATION:

The ability for Erie County to sell serial bonds at private sale expires on June 30, 2014.

BACKGROUND OF PROPSAL:

This method of marketing offers the advantage of greater flexibility. The structure of a bond issue or timing of a bond sale can be adjusted as necessary to respond to changing market conditions. Hence, the sale can be designated to meet investor needs and generate significant cost savings to the County.

CONSEQUENCES OF NEGATIVE ACTION:

The flexibility needed to ensure a successful sale will be lost, and the County may realize higher borrowing costs.

STEPS FOLLOWING APPROVAL:

Pursuant to Article IX of the New York State Constitution, Erie County will formally request enactment of State legislation to amend the New York State Local Finance Law.
