Re: Placeholder – Road and Bridge Projects

Dear Mr. Kroll:

Please allow this item to serve as a placeholder to be amended with projects from the County Executive relating to the repair of roads and bridges.

There will be a Special Session of the Erie County Legislature called for Thursday, April 24, 2014. At that time, I anticipate that the County Executive will have presented road and bridge project proposal to the Legislature. This item can be used to address those items.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "John J. Mills", is written over a faint, larger version of the signature.

Erie County Legislature
