RE: Erie County – 2015 – Solar Power Purchase Agreement

Dear Honorable Members:

The Department of Environment and Planning has received proposals for the design, development and operation of the Erie County – 2015 – Solar Power Purchase Agreement project and will, in the near future, be seeking authorization for award of contract.

Due to the critical time schedule for this project, we are requesting that this item be placed on the next Energy & Environment Committee agenda as an open item.

Should your Honorable Body require further information, I encourage you to contact Deputy Commissioner of Environment and Planning Thomas Hersey or Director of Energy Development and Management Eric Walker in the Department of Public Works. Thank you for your consideration on this matter.

Sincerely,
