As previously discussed our audit will focus on the County's fleet of passenger vehicles and light duty pick-up trucks and will include 24-hour use vehicles, vehicles assigned to various departments on a permanent or regular basis and as well as the County's motor pool vehicles.

The scope of our audit will include:

- Evaluating controls over the assignment of vehicles;
- Evaluating controls over maintaining the vehicles;
- Verifying compliance with internal policies and procedures over the purchase, assignment, maintenance, and disposition of County vehicles;
- Verifying compliance with any applicable State and/or Federal regulations; and
- Follow-up on related findings and recommendations from prior Comptroller's Office reports.

A member of the Audit Division will be contacting you shortly to schedule an entrance conference and make preliminary arrangements for scheduling our fieldwork. In the meantime, please have the following items available at the entrance meeting:

- Copies of policies and procedures regarding the assignment and maintenance of County vehicles;
- Copies of any vehicle maintenance and repair contracts;
