Comm. 2E-13

Dear Legislator Miller-Williams,

The Partnership for the Public Good (PPG) unites 180 organizations working for a better Buffalo. Last month, a large group of PPG Partners gathered to vote for the 2015 Community Agenda – our top policy priorities for state and local government in the coming year. The 2015 planks are:

1. Community-oriented Policing of the Buffalo Municipal Housing Authority Property
2. Building community wealth for all city of Buffalo Residents
3. Equitable Funding for the NFTA to Improve Transit and Ensure Affordability for Riders
4. High Road Economic Development at the Buffalo Niagara Medical Campus
5. Take the profit out of being a slumlord through focused legislation, intelligent codes enforcement and rigorous data analysis
6. Fair Elections in the City of Buffalo
7. Improve Local Recycling Rates
8. Language Access in Buffalo and Erie County
9. Restore the focus of Niagara River Greenway by developing a unified implementation strategy (Greenway Action Plan)
10. Expand High-Quality Early Learning Opportunities in Western New York
11. Bring ECC's proposed STEM Academic facility to the community's preferred location: the City Campus

We invite you to please join us on Friday, January 16 at 2pm for the Roll Out of the 2015 Community Agenda at the Merriweather Library. Our community partners will present in greater detail about these issues and the proposed policy solutions. Live music and poetry will add to the excitement. RSVP to Megan Connelly at megan@ppgbuffalo.org <<mailto:megan@ppgbuffalo.org>> or 852-4191, ext. 110.

Of course, we would welcome you to say a few words if you attend.

Many thanks for your consideration and support.

Best,

Megan
