Dear Legislator Burke:

After reviewing and discussing the proposed Animal Abuse Registry law, the Erie County Sheriff's Office has come to the conclusion that the office is capable of maintaining a web based data source for individuals convicted of animal abuse stipulated in your proposed law.

Working with the District Attorney's office and the Department of Information and Support Service, it is possible to develop and update the registry on a regular basis.

Thank you for contacting the Sheriff's Office and requesting our input into the proposed local law. If you need anything else please contact me at your convenience.

Regards,

Scott Zylka
