ERIE COUNTY LEGISLATURE

HON. LYNNE DIXON

LEGISLATOR
DISTRICT 9

March 27, 2015

Commissioner John Loffredo
Erie County Department of Public Works
95 Franklin Street – 14th Floor
Buffalo, New York 14202

Dear Commissioner Loffredo:

It was brought to my attention during the November storm that some communities impacted by the event felt as though they were not treated equally when it came to receiving immediate state & county aid.

I am writing now to request more information as to the positioning of county resources during the storm. I am also asking for any information as to the deployment of State and other municipal assistance during the storm.

I am hoping we can put my constituents concerns aside with a published list of where the county, state, and other municipal reinforcement resources were diverted to and when. Sharing this information will help ensure an open and honest dialogue between the government and the residents of Erie County.

I appreciate your attention to this matter and I look forward to hearing from your office.

Sincerely,
