

ERIE COUNTY LEGISLATURE

HON. JOHN J. MILLS
CHAIRMAN OF THE LEGISLATURE
11TH DISTRICT LEGISLATOR

June 2, 2016

Dear Clerk McCarthy,

The County has been attempting to increase our government's efficiencies by reducing the amount of paper being used.

In April the Legislature saw a 67% increase in paper usage over the prior year's April. While I understand that a large part of this increase was due to the operations of the Charter Revision Commission I would ask my colleagues and staff to be mindful about what they print and try to only print what is necessary.

I would also like to remind members and their staff that the Erie County Print shop is more than willing to assist with your printing needs at a lower cost than our own printers.

I would like this letter clocked-in for the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "John J. Mills", is written over a faint, larger version of the signature.

Chairman John J. Mills
