**Re: Erie Community College Exterior Restoration – 2016
City Campus Old Post Office Masonry Repairs**

Dear Honorable Members:

Due to the critical time schedule for this project, we are requesting that an Open Item be placed on the Community Enrichment Committee agenda for discussion of the Erie Community College Exterior Restoration – 2016 City Campus Old Post Office Masonry Repairs.

During the current restoration of the North Entrance of the City Campus Old Post Office Building contractor's recently uncovered unforeseen conditions which require additional substrate and underground repairs necessary to stabilize the façade. We anticipate exhausting the project's current construction contingency allocation and will be requesting an increase of the contingency for this project. Time is of the essence in order to complete all the repairs before the winter months.

Should your Honorable Body require further information, please contact Commissioner John C. Loffredo at the Department of Public Works. Thank you for your consideration on this matter.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Mark C. Poloncarz".

Mark C. Poloncarz, Esq.
