NAME OF ACTION: Proposed existing Out of District Customer Extensions to Erie County Sewer Districts No.'s 1, 2, 3, 4 & 5.

LOCATION: Erie County

PROJECT NO. C617-15-545

Erie County Department of Environment and Planning has identified this project as an Unlisted Action for the Purpose of SEQRA and is not required but has chosen to coordinate the review of involved agencies pursuant to Part 617.6(b) (2).

Any involved or interested agency may submit objections in writing within thirty (30) days of the date of this notification if no objections are expressed, Erie County Department of Environment and Planning will assume lead agency status for this action and will make determination of it's significance.

Erie County Department of Environment and Planning has made an initial determination of no significant impact and anticipates issuing a negative declaration if no significant concerns are identified. The existing Out of District Customer Extensions to their respective Sewer Districts are included.

Written comments may be submitted to:

John Mallory, Assistant Sanitary Engineer
Erie County Department of Environment and Planning
Division of Sewerage Management
Rath Building – 95 Franklin Street
Buffalo, New York 14202

Before: January 27, 2016

Short Environmental Assessment Form

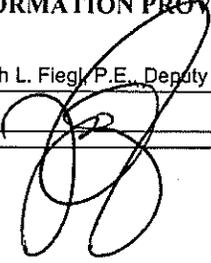

Part 1 - Project Information

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information			
Erie County Sewer Districts No.'s 1, 2, 3, 4 & 5 / Erie County Department of Environment and Planning			
Name of Action or Project: Sewer District Extensions, Current Out of District Customer Extensions			
Project Location (describe, and attach a location map): Erie County, Various, see attached exhibits			
Brief Description of Proposed Action: The five Sewer Districts will include the out of districts that are currently serviced by that Sewer District to be included within the boundaries of their respective Sewer Districts.			
Name of Applicant or Sponsor: Erie County Department of Environment & Planning, Div. of Sewerage Management		Telephone: (716) 858-6153	
		E-Mail: malloryj@erie.gov	
Address: 95 Franklin Street			
City/PO: Buffalo		State: NY	Zip Code: 14202
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>
			YES <input checked="" type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other governmental Agency? If Yes, list agency(s) name and permit or approval:			NO <input type="checkbox"/>
			YES <input checked="" type="checkbox"/>
3.a. Total acreage of the site of the proposed action?		Various (see attached) acres	
b. Total acreage to be physically disturbed?		N/A acres	
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?		N/A acres	
4. Check all land uses that occur on, adjoining and near the proposed action.			
<input checked="" type="checkbox"/> Urban <input checked="" type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input type="checkbox"/> Commercial <input checked="" type="checkbox"/> Residential (suburban)			
<input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other (specify): _____			
<input type="checkbox"/> Parkland			

18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)? If Yes, explain purpose and size: _____ _____ _____	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ _____ _____	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ _____ _____	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE

Erie County Sewer District No. 1

**ERIE COUNTY SEWER AGENCY REPORT
FOR
ERIE COUNTY SEWER DISTRICT NO. 1
SEWER DISTRICT EXTENSION
CURRENT OUT OF DISTRICT CUSTOMERS**

PURPOSE OF PROJECT

The purpose of this Sewer Agency Report (Report) is to initiate the process of considering the extension of the boundaries Erie County Sewer District No. 1 (ECSD No. 1) to include sanitary sewer service areas currently serviced as out of district customers.

In accordance with Article 5A of County Law, this Report serves as the “maps and plans” as required for the Board of Supervisors (the Erie County Legislature) to use in determining if it is in the public interest to extend a County Sewer District. In addition to this Report, the Legislature shall also consider any public comments received, both at a formal public hearing on the matter or otherwise, prior to acting on the proposed District extension.

GENERAL INFORMATION

ECSD No. 1 is located in central Erie County (Exhibit A) and provides wastewater collection and conveyance services for portions of the Towns of Cheektowaga and West Seneca. The original district was created on July 14, 1959 to service the French Road area in Cheektowaga and the Gardenville area in West Seneca. The sanitary sewage collected in ECSD No. 1 is ultimately transmitted to the Buffalo Sewer Authority owned Bird Island Wastewater Treatment Plant (WWTP).

Sewage from the proposed extensions (Exhibit A, B, C and D) are already collected in the system and treated at the Bird Island WWTP.

AGENCY REPORT BACKGROUND

The proposed extension of District boundaries to include current out of district customers is detailed in the boundary description include in the Exhibits. The sanitary sewer system in these

areas are already installed and privately owned, operated and maintained. If the extension of ECSD No. 1 is effectuated, the County's assets will remain the same.

CAPITAL PROJECT COSTS

No additional capital project costs are associated with this proposed extension.

OPERATIONS AND MAINTENANCE (O&M) COSTS

No additional operations and maintenance costs are associated with this proposed extension. ECSD No. 1 already provides operation and maintenance of this portion of the service area pursuant to the existing out of district customer agreement.

CONNECTION CHARGES

Connection charges have already been collected for all properties in this proposed extension. Additionally, as out of district customers are charged in the same manner as customers within the boundaries of the sewer district, there will be no impact on the ECSD No. 1 rates due to this action.

NEW YORK STATE AUDIT AND CONTROL

New York State Comptroller's office approval is required for sewer district extensions that result in debt and lead to cost increases over defined thresholds. Based on the fact that the extension of the District to include the current out of district customers would have no impact on the sewer rates within ECSD No. 1 and that no debt would be incurred as a result of this action, submittal of an application to New York State Audit and Control for approval is not required.

BOARD OF MANAGERS REVIEW

This Project has been previously discussed with the Board of Managers for ECSD No. 1. Based on these discussions and review of this Sewer Agency Report, the Board approved this Erie County Sewer Agency Report on October 7, 2015 and requested the Erie County Legislature to approve an extension to ECSD No. 1 to incorporate the area identified in

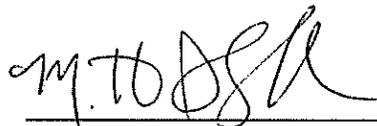

Exhibits A, B, C and D, to be known as the “Current Out of District Customers Extension”. A copy of the Board of Managers resolution pertaining to this extension is presented in Exhibit 2.

RECOMMENDATIONS

The Erie County Sewer Agency, the Department of Environment and Planning, and the ECSD No. 1 Board of Managers recommend that the Erie County Legislature should:

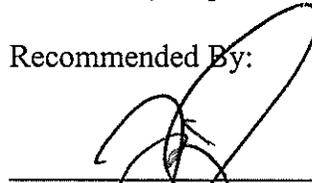

1. Accept and adopt this Sewer Agency Report which calls for extension of ECSD No. 1 to include the sanitary sewer service areas currently serviced as out of district customers, to be known as the “Current Out of District Customers Extension”;
2. Adopt the necessary resolutions for approval of an extension to ECSD No. 1 pursuant to Article 5A of County Law;
3. Adopt the necessary resolutions calling for a Public Hearing;
4. Adopt the necessary resolutions calling for an extension of Erie County Sewer No. 1 pursuant to Section 274, Article 5A of County Law, subject to a Permissive Referendum;
5. Approve an extension of ECSD No. 1 to be known as the “Current Out of District Customers Extension.”

**ECSD No. 1 Board of Managers
Resolution**

**RESOLUTION
BOARD OF MANAGERS
ERIE COUNTY SEWER DISTRICT NO. 1 (ECSD No. 1)**

WHEREAS, Erie County Sewer District No. 1 and the Erie County Department of Environment and Planning have prepared a Sewer Agency Report for consideration by the Erie County Sewer District No. 1 Board of Managers calling for the Extension of Erie County Sewer District No. 1 to include current out of district customers; and

WHEREAS, the aforementioned Sewer Agency Report described the areas to be included in the proposed extension to be known as the "Current Out of District Customers Extension"; and

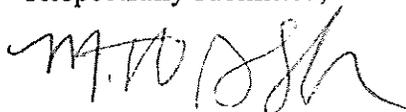

WHEREAS, the Department of Environment and Planning has provided information relative to the project's costs and the project's impact on the sewer charge structure to the properties in the proposed "Current Out of District Customers Extension".

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Sewer District No. 1 Board of Managers does hereby accept and adopt this subject Sewer Agency Report and further, recommends that this Sewer Agency Report be submitted to the Erie County Legislature for further consideration and action pursuant to Article 5A, County Law; and be it further

RESOLVED, that the Erie County Sewer Agency be directed to pursue with the Erie County Legislature, an extension of Erie County Sewer District No. 1 to be known as the "Current Out of District Customers Extension" pursuant to Section 274, Article 5A of County Law.

Respectfully submitted,

Matt A. Salah, P.E.
SECRETARY, BOARD OF MANAGERS

Erie County Sewer District No. 2

**ERIE COUNTY SEWER AGENCY REPORT
FOR
ERIE COUNTY SEWER DISTRICT NO. 2
SEWER DISTRICT EXTENSION
CURRENT OUT OF DISTRICT CUSTOMERS**

PURPOSE OF PROJECT

The purpose of this Sewer Agency Report (Report) is to initiate the process of considering the extension of the boundaries Erie County Sewer District No. 2 (ECSD No. 2) to include sanitary sewer service areas currently serviced as out of district customers.

In accordance with Article 5A of County Law, this Report serves as the “maps and plans” as required for the Board of Supervisors (the Erie County Legislature) to use in determining if it is in the public interest to extend a County Sewer District. In addition to this Report, the Legislature shall also consider any public comments received, both at a formal public hearing on the matter or otherwise, prior to acting on the proposed District extension.

GENERAL INFORMATION

ECSD No. 2 is located in southern Erie County (Exhibit 1) and provides wastewater collection and conveyance services for portions of the Towns of Hamburg, Evans, Eden, North Collins, and Brant and the Villages of Farnham, North Collins and Angola. By Agreements, ECSD No. 2 also provides services to the Lotus Bay Area Sewer Districts and Evangola State Park. The original district was created on February 21, 1961 to service portions of the Towns of Evans and the Village of Angola. The sanitary sewage collected in ECSD No. 2 is treated at the Big Sister Creek Wastewater Treatment Plant (WWTP) in Angola.

Sewage from the proposed extensions (Exhibit A, B, C, D, E, F, G, H, I and J) are already collected in the system and treated at Big Sister Creek WWTP.

AGENCY REPORT BACKGROUND

The proposed extension of District boundaries to include current out of district customers is detailed in the boundary description included in the Exhibits. The sanitary sewer system in these

areas are already installed and serviced by ECSD No. 2. If the extension of ECSD No. 2 is effectuated, the County would assume ownership of the collection system associated with Exhibits G and I, a total of 900 lineal feet of 8 inch diameter pipe and 8 - 4 foot diameter manholes, and 1100 lineal feet of 8 inch diameter pipe and 3 - 4 foot diameter manholes, respectively. The collection system associated with the remaining exhibits will remain privately owned and maintained.

CAPITAL PROJECT COSTS

No additional capital project costs are associated with this proposed extension.

OPERATIONS AND MAINTENANCE (O&M) COSTS

No additional operations and maintenance costs are associated with this proposed extension. ECSD No. 2 already provides operation and maintenance of this portion of the service area pursuant to the existing out of district customer agreement.

CONNECTION CHARGES

Connection charges have already been collected for all properties in this proposed extension. Additionally, as out of district customers are charged in the same manner as customers within the boundaries of the sewer district, there will be no impact on the ECSD No. 2 rates due to this action.

NEW YORK STATE AUDIT AND CONTROL

New York State Comptroller's office approval is required for sewer district extensions that result in debt and lead to cost increases over defined thresholds. Based on the fact that the extension of the District to include the current out of district customers would have no impact on the sewer rates within ECSD No. 2 and that no debt would be incurred as a result of this action, submittal of an application to New York State Audit and Control for approval is not required.

BOARD OF MANAGERS REVIEW

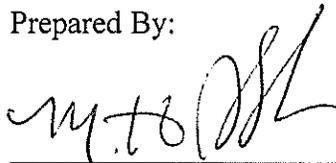

This Project has been previously discussed with the Board of Managers for ECSD No. 2. Based on these discussions and review of this Sewer Agency Report, the Board approved this Erie County Sewer Agency Report on October 8, 2015 and requested the Erie County Legislature to approve an extension to ECSD No. 2 to incorporate the area identified in Exhibit A through J, to be known as the "Current Out of District Customers Extension". A copy of the Board of Managers resolution pertaining to this extension is presented in Exhibit 2.

RECOMMENDATIONS

The Erie County Sewer Agency, the Department of Environment and Planning, and the ECSD No. 2 Board of Managers recommend that the Erie County Legislature should:

1. Accept and adopt this Sewer Agency Report which calls for extension of ECSD No. 2 to include the sanitary sewer service areas currently serviced as out of district customers, to be known as the "Current Out of District Customers Extension";
2. Adopt the necessary resolutions for approval of an extension to ECSD No. 2 pursuant to Article 5A of County Law;
3. Adopt the necessary resolutions calling for a Public Hearing;
4. Adopt the necessary resolutions calling for an extension of Erie County Sewer No. 2 pursuant to Section 274, Article 5A of County Law, subject to a Permissive Referendum;
5. Approve an extension of ECSD No. 2 to be known as the "Current Out of District Customers Extension."

Resolution**

**RESOLUTION
BOARD OF MANAGERS
ERIE COUNTY SEWER DISTRICT NO. 2 (ECSO No. 2)**

WHEREAS, Erie County Sewer District No. 2 and the Erie County Department of Environment and Planning have prepared a Sewer Agency Report for consideration by the Erie County Sewer District No. 2 Board of Managers calling for the Extension of Erie County Sewer District No. 2 to include current out of district customers; and

WHEREAS, the aforementioned Sewer Agency Report described the areas to be included in the proposed extension to be known as the "Current Out of District Customers Extension"; and

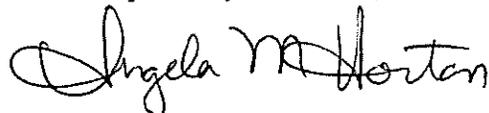

WHEREAS, the Department of Environment and Planning has provided information relative to the project's costs and the project's impact on the sewer charge structure to the properties in the proposed "Current Out of District Customers Extension".

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Sewer District No. 2 Board of Managers does hereby accept and adopt this subject Sewer Agency Report and further, recommends that this Sewer Agency Report be submitted to the Erie County Legislature for further consideration and action pursuant to Article 5A, County Law; and be it further

RESOLVED, that the Erie County Sewer Agency be directed to pursue with the Erie County Legislature, an extension of Erie County Sewer District No. 2 to be known as the "Current Out of District Customers Extension" pursuant to Section 274, Article 5A of County Law.

Respectfully submitted,

Angela M. Horton, P.E.
SECRETARY, BOARD OF MANAGERS
Erie County Sewer District No. 2

Erie County Sewer District No. 3

**ERIE COUNTY SEWER AGENCY REPORT
FOR
ERIE COUNTY SEWER DISTRICT NO. 3
REVISED SEWER DISTRICT EXTENSION
CURRENT OUT OF DISTRICT CUSTOMERS**

PURPOSE OF PROJECT

The purpose of this Sewer Agency Report (Report) is to initiate the process of considering the extension of the boundaries of Erie County Sewer District No. 3 (ECSD No. 3) to include sanitary sewer service areas currently serviced as out of district customers.

In accordance with Article 5A of County Law, this Report serves as the “maps and plans” as required for the Board of Supervisors (the Erie County Legislature) to use in determining if it is in the public interest to extend a County Sewer District. In addition to this Report, the Legislature shall also consider any public comments received, both at a formal public hearing on the matter or otherwise, prior to acting on the proposed District extension.

GENERAL INFORMATION

ECSD No. 3 is located in central Erie County (Exhibit 1) and provides wastewater collection and conveyance services for portions of the Towns of Boston, Eden, Hamburg, and Holland, along with the Villages of Blasdell, Hamburg, and Orchard Park. The original District was created on April 9, 1963. The sanitary sewage collected in ECSD No. 3 is ultimately transmitted to either the Southtowns Advanced Wastewater Treatment Plant (WWTP), Blasdell WWTP or Holland WWTP.

Sewage from the proposed extensions (Exhibits A, B, C, D, E, F, G, H, I, J, K and L) are already collected in the system and treated at the Southtowns Advanced WWTP.

AGENCY REPORT BACKGROUND

The proposed extension of District boundaries to include current out of district customers is detailed in the boundary description included in the Exhibits. The sanitary sewer systems in these areas are already installed and serviced by ECSD No. 3. If the extension of ECSD No. 3 is

effectuated, the County would assume ownership of 1800 lineal feet of 8 inch diameter pipe and 6 – 4 foot diameter manholes that are associated with Exhibits I and L. Sewers associated with the remaining Exhibits will continue to be privately owned and maintained.

CAPITAL PROJECT COSTS

No additional capital project costs are associated with this proposed extension.

OPERATIONS AND MAINTENANCE (O&M) COSTS

No additional operations and maintenance costs are associated with this proposed extension. ECSD No. 3 already provides operation and maintenance of this portion of the service area pursuant to the existing out of district customer agreement.

CONNECTION CHARGES

Connection charges have already been collected for all properties in this proposed extension. Additionally, as out of district customers are charged in the same manner as customers within the boundaries of the sewer district, there will be no impact on the ECSD No. 3 rates due to this action.

NEW YORK STATE AUDIT AND CONTROL

New York State Comptroller's office approval is required for sewer district extensions that result in debt and lead to cost increases over defined thresholds. Based on the fact that the extension of the District to include the current out of district customers would have no impact on the sewer rates within ECSD No. 3 and that no debt would be incurred as a result of this action, submittal of an application to New York State Audit and Control for approval is not required.

BOARD OF MANAGERS REVIEW

This Project has been previously discussed with the Board of Managers for ECSD No. 3. Based on these discussions and review of this Sewer Agency Report, the Board approved this Erie County Sewer Agency Report on December 9, 2015 and requested the

Comm. 2M-7
Page 60 of 137

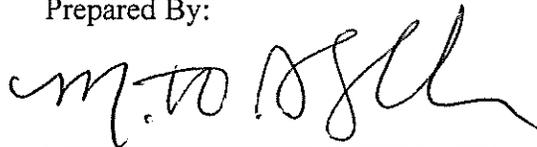

Erie County Legislature to approve an extension to ECSD No. 3 to incorporate the area identified in Exhibits A through L, to be known as the “Current Out of District Customers Extension”. A copy of the Board of Managers resolution pertaining to this extension is presented in Exhibit 2.

RECOMMENDATIONS

The Erie County Sewer Agency, the Department of Environment and Planning, and the ECSD No. 3 Board of Managers recommend that the Erie County Legislature should:

1. Accept and adopt this Sewer Agency Report which calls for extension of ECSD No. 3 to include the sanitary sewer service areas currently serviced as out of district customers, to be known as the “Current Out of District Customers Extension”;
2. Adopt the necessary resolutions for approval of an extension to ECSD No. 3 pursuant to Article 5A of County Law;
3. Adopt the necessary resolutions calling for a Public Hearing;
4. Adopt the necessary resolutions calling for an extension of Erie County Sewer No. 3 pursuant to Section 274, Article 5A of County Law, subject to a Permissive Referendum;
5. Approve an extension of ECSD No. 3 to be known as the “Current Out of District Customers Extension.”

BOARD OF MANAGERS
ERIE COUNTY SEWER DISTRICT NO. 3 (ECSD No. 3)**

WHEREAS, Erie County Sewer District No. 3 and the Erie County Department of Environment and Planning have prepared a Sewer Agency Report for consideration by the Erie County Sewer District No. 3 Board of Managers calling for the Extension of Erie County Sewer District No. 3 to include current out of district customers; and

WHEREAS, the aforementioned Sewer Agency Report described the areas to be included in the proposed extension to be known as the "Current Out of District Customers Extension"; and

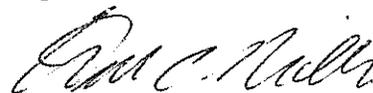

WHEREAS, the Department of Environment and Planning has provided information relative to the project's costs and the project's impact on the sewer charge structure to the properties in the proposed "Current Out of District Customers Extension".

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Sewer District No. 3 Board of Managers does hereby accept and adopt this subject Sewer Agency Report and further, recommends that this Sewer Agency Report be submitted to the Erie County Legislature for further consideration and action pursuant to Article 5A, County Law; and be it further

RESOLVED, that the Erie County Sewer Agency be directed to pursue with the Erie County Legislature, an extension of Erie County Sewer District No. 3 to be known as the "Current Out of District Customers Extension" pursuant to Section 274, Article 5A of County Law.

Respectfully submitted,

David Millar, P.E.
SECRETARY, BOARD OF MANAGERS
Erie County Sewer District No. 3

Erie County Sewer District No. 4

**ERIE COUNTY SEWER AGENCY REPORT
FOR
ERIE COUNTY SEWER DISTRICT NO. 4
SEWER DISTRICT EXTENSION
CURRENT OUT OF DISTRICT CUSTOMERS**

PURPOSE OF PROJECT

The purpose of this Sewer Agency Report (Report) is to initiate the process of considering the extension of the boundaries Erie County Sewer District No. 4 (ECSD No. 4) to include sanitary sewer service areas currently serviced as out of district customers.

In accordance with Article 5A of County Law, this Report serves as the “maps and plans” as required for the Board of Supervisors (the Erie County Legislature) to use in determining if it is in the public interest to extend a County Sewer District. In addition to this Report, the Legislature shall also consider any public comments received, both at a formal public hearing on the matter or otherwise, prior to acting on the proposed District extension.

GENERAL INFORMATION

ECSD No. 4 is located in eastern northern Erie County (Exhibit 1) and provides wastewater collection and conveyance services for portions of the Towns Alden and Lancaster and conveyance services for the Villages of Depew and Lancaster. The original district was created on March 10, 1964. The sanitary sewage collected in ECSD No.4 is ultimately transmitted to the Buffalo Sewer Authority owned Bird Island Wastewater Treatment Plant (WWTP).

Sewage from the proposed extensions (Exhibit A and B) are already collected in the system and treated at the Bird Island WWTP.

AGENCY REPORT BACKGROUND

The proposed extension of District boundaries to include current out of district customers is detailed in the boundary description include in the Exhibits. The sanitary sewer system in these areas is already installed and serviced by ECSD No. 4. If the extension of ECSD No. 4 is

effectuated, the County would not assume ownership of the collection system in these areas as they are privately owned and maintained.

CAPITAL PROJECT COSTS

No additional capital project costs are associated with this proposed extension.

OPERATIONS AND MAINTENANCE (O&M) COSTS

No additional operations and maintenance costs are associated with this proposed extension. ECSD No. 4 already provides operation and maintenance of this portion of the service area pursuant to the existing out of district customer agreement.

CONNECTION CHARGES

Connection charges have already been collected for all properties in this proposed extension. Additionally, as out of district customers are charged in the same manner as customers within the boundaries of the sewer district, there will be no impact on the ECSD No. 4 rates due to this action.

NEW YORK STATE AUDIT AND CONTROL

New York State Comptroller's office approval is required for sewer district extensions that result in debt and lead to cost increases over defined thresholds. Based on the fact that the extension of the District to include the current out of district customers would have no impact on the sewer rates within ECSD No. 4 and that no debt would be incurred as a result of this action, submittal of an application to New York State Audit and Control for approval is not required.

BOARD OF MANAGERS REVIEW

This Project has been previously discussed with the Board of Managers for ECSD No. 4. Based on these discussions and review of this Sewer Agency Report, the Board approved this Erie County Sewer Agency Report on October 7, 2015 and requested the Erie County Legislature to approve an extension to ECSD No. 4 to incorporate the area identified in

Comm. 2M-7
Page 96 of 137

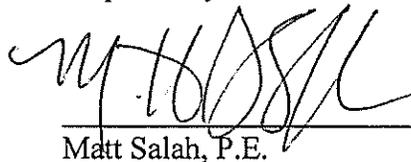

Exhibits A and B, to be known as the “Current Out of District Customers Extension”. A copy of the Board of Managers resolution pertaining to this extension is presented in Exhibit 2.

RECOMMENDATIONS

The Erie County Sewer Agency, the Department of Environment and Planning, and the ECSD No. 4 Board of Managers recommend that the Erie County Legislature should:

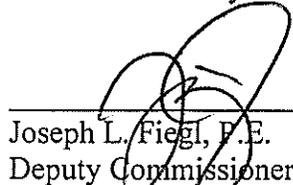

1. Accept and adopt this Sewer Agency Report which calls for extension of ECSD No. 4 to include the sanitary sewer service areas currently serviced as out of district customers, to be known as the “Current Out of District Customers Extension”;
2. Adopt the necessary resolutions for approval of an extension to ECSD No. 4 pursuant to Article 5A of County Law;
3. Adopt the necessary resolutions calling for a Public Hearing;
4. Adopt the necessary resolutions calling for an extension of Erie County Sewer No. 4 pursuant to Section 274, Article 5A of County Law, subject to a Permissive Referendum;
5. Approve an extension of ECSD No. 4 to be known as the “Current Out of District Customers Extension.”

**ECSD No. 4 Board of Managers
Resolution**

**RESOLUTION
BOARD OF MANAGERS
ERIE COUNTY SEWER DISTRICT NO. 4 (ECSD No. 4)**

WHEREAS, Erie County Sewer District No. 1 and the Erie County Department of Environment and Planning have prepared a Sewer Agency Report for consideration by the Erie County Sewer District No. 4 Board of Managers calling for the Extension of Erie County Sewer District No. 4 to include current out of district customers; and

WHEREAS, the aforementioned Sewer Agency Report described the areas to be included in the proposed extension to be known as the “Current Out of District Customers Extension”; and

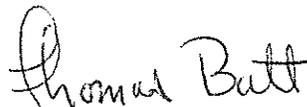

WHEREAS, the Department of Environment and Planning has provided information relative to the project's costs and the project's impact on the sewer charge structure to the properties in the proposed “Current Out of District Customers Extension”.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Sewer District No. 4 Board of Managers does hereby accept and adopt this subject Sewer Agency Report and further, recommends that this Sewer Agency Report be submitted to the Erie County Legislature for further consideration and action pursuant to Article 5A, County Law; and be it further

RESOLVED, that the Erie County Sewer Agency be directed to pursue with the Erie County Legislature, an extension of Erie County Sewer District No. 4 to be known as the “Current Out of District Customers Extension” pursuant to Section 274, Article 5A of County Law.

Respectfully submitted,

Thomas Batt, P.E.
SECRETARY, BOARD OF MANAGERS

Erie County Sewer District No. 5

**ERIE COUNTY SEWER AGENCY REPORT
FOR
ERIE COUNTY SEWER DISTRICT NO. 5
SEWER DISTRICT EXTENSION
CURRENT OUT OF DISTRICT CUSTOMERS**

PURPOSE OF PROJECT

The purpose of this Sewer Agency Report (Report) is to initiate the process of considering the extension of the boundaries Erie County Sewer District No. 5 (ECSD No. 5) to include sanitary sewer service areas currently serviced as out of district customers.

In accordance with Article 5A of County Law, this Report serves as the “maps and plans” as required for the Board of Supervisors (the Erie County Legislature) to use in determining if it is in the public interest to extend a County Sewer District. In addition to this Report, the Legislature shall also consider any public comments received, both at a formal public hearing on the matter or otherwise, prior to acting on the proposed District extension.

GENERAL INFORMATION

ECSD No. 5 is located in northern central Erie County (Exhibit 1) and provides wastewater collection and conveyance services for portions of the Towns of Amherst and Clarence. The original District was created on March 24, 1971. The sanitary sewage collected in ECSD No. 5 is ultimately transmitted to the Amherst Wastewater Treatment Plant (WWTP).

Sewage from the proposed extensions (Exhibit A, B, C, D, E, F, G and H) are already collected in the system and treated at the Amherst WWTP.

AGENCY REPORT BACKGROUND

The proposed extension of District boundaries to include current out of district customers is detailed in the boundary description included in the Exhibits. The sanitary sewer system in these areas are already installed and services by ECSD No. 5 If the extension of ECSD No. 5 is effectuated, the County would assume ownership of the collection system associated with Exhibits

A and D. there are 640 lineal feet of 8-inch diameter pipe and 5 – 4 diameter manholes associated with Exhibit A and 1300 lineal feet of 8-inch diameter pipe and 10 – 4 diameter manholes associated with Exhibit D. The collection systems in the remaining Exhibits will remain privately owned and maintained.

CAPITAL PROJECT COSTS

No additional capital project costs are associated with this proposed extension.

OPERATIONS AND MAINTENANCE (O&M) COSTS

No additional operations and maintenance costs are associated with this proposed extension. ECSD No. 5 already provides operation and maintenance of this portion of the service area pursuant to the existing out of district customer agreement.

CONNECTION CHARGES

Connection charges have already been collected for all properties in this proposed extension. Additionally, as out of district customers are charged in the same manner as customers within the boundaries of the sere district, there will be no impact on the ECSD No. 5 rates due to this action.

NEW YORK STATE AUDIT AND CONTROL

New York State Comptroller's office approval is required for sewer district extensions that result in debt and lead to cost increases over defined thresholds. Based on the fact that the extension of the District to include the current out of district customers would have no impact on the sewer rates within ECSD No. 5 and that no debt would be incurred as a result of this action, submittal of an application to New York State Audit and Control for approval is not required.

BOARD OF MANAGERS REVIEW

This Project has been previously discussed with the Board of Managers for ECSD No. 5. Based on these discussions and review of this Sewer Agency Report, the Board approved this Erie

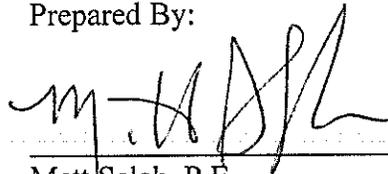

County Sewer Agency Report on October 14, 2015 and requested the Erie County Legislature to approve an extension to ECSD No. 5 to incorporate the area identified in Exhibits A, through Exhibit H, to be known as the "Current Out of District Customers Extension". A copy of the Board of Managers resolution pertaining to this extension is presented in Exhibit 2.

RECOMMENDATIONS

The Erie County Sewer Agency, the Department of Environment and Planning, and the ECSD No. 5 Board of Managers recommend that the Erie County Legislature should:

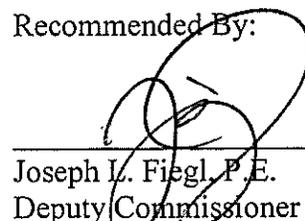

1. Accept and adopt this Sewer Agency Report which calls for extension of ECSD No. 5 to include the sanitary sewer service areas currently serviced as out of district customers, to be known as the "Current Out of District Customers Extension";
2. Adopt the necessary resolutions for approval of an extension to ECSD No. 5 pursuant to Article 5A of County Law;
3. Adopt the necessary resolutions calling for a Public Hearing;
4. Adopt the necessary resolutions calling for an extension of Erie County Sewer No. 5 pursuant to Section 274, Article 5A of County Law, subject to a Permissive Referendum;
5. Approve an extension of ECSD No. 5 to be known as the "Current Out of District Customers Extension."

**ECSD No. 5 Board of Managers
Resolution**

**RESOLUTION
BOARD OF MANAGERS
ERIE COUNTY SEWER DISTRICT NO. 5 (ECSD No. 5)**

WHEREAS, Erie County Sewer District No. 5 and the Erie County Department of Environment and Planning have prepared a Sewer Agency Report for consideration by the Erie County Sewer District No. 5 Board of Managers calling for the Extension of Erie County Sewer District No. 5 to include current out of district customers; and

WHEREAS, the aforementioned Sewer Agency Report described the areas to be included in the proposed extension to be known as the “Current Out of District Customers Extension”; and

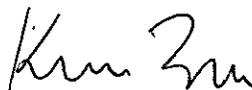

WHEREAS, the Department of Environment and Planning has provided information relative to the project's costs and the project's impact on the sewer charge structure to the properties in the proposed “Current Out of District Customers Extension”.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Sewer District No. 5 Board of Managers does hereby accept and adopt this subject Sewer Agency Report and further, recommends that this Sewer Agency Report be submitted to the Erie County Legislature for further consideration and action pursuant to Article 5A, County Law; and be it further

RESOLVED, that the Erie County Sewer Agency be directed to pursue with the Erie County Legislature, an extension of Erie County Sewer District No. 5 to be known as the “Current Out of District Customers Extension” pursuant to Section 274, Article 5A of County Law.

Respectfully submitted,

Kevin Zynda, P.E.
SECRETARY, BOARD OF MANAGERS
Erie County Sewer District No. 5
