Jack Quinn, President  
Erie Community College  
121 Ellicott Street  
Buffalo, NY 14203

Dear President Quinn:

Recently a Resolution was introduced to the Erie County Legislature requesting that a report be submitted, in writing, on the process that led to ending the College's partnership with Middle Early College High School to this Honorable Body no later than October 3, 2016. On October 27, 2016, the Legislature received the draft Addendum to Memorandum of Understanding between the Middle Early College of Erie Community College and Buffalo Public Schools.

Please submit a report to the Legislature that details the process by which Erie Community College administration decided to end the partnership with Buffalo Public School's Middle Early College High School. In addition to reporting on the process by which this partnership ended, please inform the Legislature on the plan for Erie Community College to reestablish a partnership with the Buffalo Public School system.

Thank you for your assistance with this matter. Please feel free to contact me if you have any questions and/or concerns. I can be reached at (716)842-0490.

Sincerely,

A handwritten signature in black ink, appearing to read "Barbara Miller-Williams".
