MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Erie County Department of Mental Health
Re: Authorization to Accept Grant Funding and Enter into Contract
Peer to Peer Veterans Counseling Program
Date: January 29, 2016

SUMMARY

Legislative authorization is requested to accept \$285,000 in grant funding from the New York State Office of Mental Health, to establish a grant budget, and to enter into contract with the Veterans One-Stop Center of Western New York, Inc. for the continuation of a peer-to-peer veterans counseling program for the period January 1, 2016-June 30, 2017.

FISCAL IMPLICATIONS

The grant funding for this action is derived entirely from 100% New York State Aid dollars. No County tax dollars are necessary to support this request.

REASONS FOR RECOMMENDATION/BACKGROUND INFORMATION

The Erie County Department of Mental Health, through the New York State Office of Mental Health, has been awarded an additional \$285,000 to be allocated under NYSOMH direction for a peer-to-peer veterans counseling program. The Department of Mental Health seeks to enter into contract with the Veterans One-Stop Center of Western New York, Inc. for the provision of these services. The funds are targeted toward the continued development of peer-to-peer mentoring services that allow veterans to share their experiences with others who have endured the same physical and mental traumas, including PTSD and TBI and who speak the same military language.

This grant funding is a continuation of the PFC Joseph Dwyer Peer-to-Peer Veterans Counseling Program Services previously awarded to Erie County. The intention is to continue to designate the Veterans One Stop Center of Western New York, Inc. to continue the coordination of services with local providers to develop peer-to-peer mentoring and family support services.

This program was originally endorsed by your Honorable Body in Intro. 14-4 on July 18, 2013.

CONSEQUENCES OF NEGATIVE ACTION

We would be unable to provide peer-to-peer and family support services consistent with New York State efforts through the PFC Joseph Dwyer Peer-to-Peer Veterans' Counseling Services to veterans in Erie County.

STEPS FOLLOWING APPROVAL

The Department of Mental Health will work with the Division of Budget and Management to establish the grant, and will then once again enter into contract with the Veterans One-Stop Center of Western New York, Inc. for the continued development of the peer-to-peer veterans counseling program.
