Dear Ms. McCarthy:

Please be advised that there is a need to call a Public Hearing to consider Agricultural District modification requests.

Pursuant to New York State Agriculture and Markets Law §303-a, a comment period was held from December 19, 2015 through January 20, 2016 during which any municipality whose territory encompasses Districts 2, 4, 8, 9 and 15, and State Agency, or any landowner within or adjacent to the District, may propose a modification to the District. Additionally, under §303-a(1) of the Agriculture and Markets Law, the County Legislature is required to review districts eight years after their creation and every eight years thereafter.

The Erie County Legislature is to hold a PUBLIC HEARING to consider the above mentioned as well as recommendations of the Erie County Agricultural and Farmland Protection Board at 6:00 p.m. on Monday, February 22, 2016 at the North Collins Public Library, 2095 School St, North Collins, NY 14111.

Thank You for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "John J. Mills". The signature is written in a cursive style.
