## MEMORANDUM

TO: Erie County Legislature  
FROM: Robert W. Keating, Director of Budget and Management  
RE: 2015 Year-End Budget Balancing Amendments and Designations  
DATE: April 8, 2016

---

### **SUMMARY**

The attached resolution authorizes budget balancing amendments that are necessary to close the County's books and prepare financial statements for review by the County's independent auditors at Drescher & Malecki, LLP for the 2015 fiscal year.

### **FISCAL IMPLICATIONS**

The resolution requires no additional funding. Appropriation accounts with available balances are used to transfer budget to accounts where budget has been exceeded. Revenue budget increases are included where appropriate.

It is anticipated that Erie County will end fiscal year 2015 with approximately a \$2 million Fund 110 surplus after approval of this resolution.

### **BACKGROUND INFORMATION**

Numerous fiscal issues previously identified during 2015, especially within personal services accounts, require budgetary "clean-up" adjustments. This resolution requests authorization to decrease appropriations where available, in order to increase appropriations that are currently indicating a budget shortfall. The Budget Balancing Amendments are a normal, routine action annually.

The budget adjustments were identified in cooperation with the Erie County Comptroller's Office and in consultation with departmental accountants based on year-end financial reports. Approval of this resolution will facilitate the year-end closing activity of the Comptroller's Office and will allow for the timely completion of 2015 financial statements by our independent auditors. The 2015 budget adjustments do not in any way increase spending.

Also included in the resolution is authorization to re-appropriate 2015 funds into 2016 so that they may be designated for anticipated expenditure. The following items are in the form of fund reservations.

- Division of Information and Support Services
  - \$5,360 for technology improvements
  - \$60,000 for an Employee Self Service enhancement study
  - \$220,000 for utility expense including Child Protection cell phones
- County Clerk Registrar
  - \$20,000 for Lab and Tech equipment
- County Clerk Auto Bureau
  - \$20,000 for various equipment items

- Department of Social Services
  - \$26,777 for various community agencies
  - \$1,207,088 for increases in the Indigent Care Medicaid charges
- Buildings and Grounds
  - \$30,000 for various maintenance items
  - \$360,000 for Family Court Lobby Renovations through capital project A.15080
- Medical Examiner
  - \$3,000 for training
- Risk Retention
  - \$423,441 for the Risk Retention Fund
- Environment and Planning
  - \$62,622 for a fiber optic broadband Internet feasibility study
  - \$16,500 for the Fish Advisory Board fish map
- Highways
  - \$5,000,000 for various road and bridge improvements and heavy equipment
- Library
  - \$231,363 for library book, materials and equipment

Authorization is also requested to transfer available balances and utilize unanticipated revenue in order to establish funding in 2015 to be designated and re-appropriated as funds reservations into 2016. The requested items cover anticipated 2015 expenditures and have been deemed essential to maintaining a balanced 2016 Budget. The items are as follows:

- Fleet Services
  - \$61,000 for the procurement of new automatic vehicle locator devices
  - \$80,000 for the Gasboy security camera project
- Social Services
  - \$100,000 for moving expenses associated with the exiting of leased space
- Youth Services
  - \$80,000 for Operation Prime Time
  - \$50,000 for Youth Detention security enhancements
- Department of Law
  - \$1,576,559 for the Risk Retention Fund
  - \$975,000 for foreclosure action
  - \$106,502 for a new position of assistant county attorney to address ECC matters (Comm. 3E-17)
- Department of Health
  - \$750,000 for expanded lead poisoning prevention services (Comm. 6E-8)
  - \$375,595 for the opioid crisis response plan (Comm. 6E-9)
- Environment and Planning
  - \$36,000 for Seneca Bluffs acquisition expense
  - \$75,000 for an environmental impact analysis concerning plastic bags
- County-wide Comptroller
  - \$331,407 for RAN interest expense
- Countywide Budget Accounts
  - \$5,000,000 for Intergovernmental Transfer payments associated with ECMCC

**CONSEQUENCES OF NEGATIVE ACTION**

If authorization is not granted, the completion of the 2015 financial statements for the County will be delayed and certain funding will not be available for projects and programs in 2016 including the above-noted projects and initiatives.

**STEPS FOLLOWING APPROVAL**

The Division of Budget and Management will process all required budget amendments.
