

## ERIE COUNTY LEGISLATURE

HON. TED MORTON  
LEGISLATOR

County Executive Mark Poloncarz  
95 Franklin Street, 16<sup>th</sup> Floor  
Buffalo, NY 14202

September 22, 2017

Executive Poloncarz,

I wanted to follow up regarding the Made in America Act and your offer to work with me to develop a version of the law that would be acceptable to you following yesterday's failed veto override vote.

I'm more than willing to work with you to make this a reality as I believe we have an opportunity to do more in the county to help our local workers and manufacturers. Members of my staff have already had conversations with the County Attorney and your staff so we can begin to address the concerns you had with the original legislation.

I look forward to working with you to develop a compromise bill and hope we can put Erie County at the forefront of supporting American workers and American manufacturers. Thank you for your time and consideration of this matter.

Sincerely,

A handwritten signature in black ink that reads "Ted Morton".

Erie County Legislator
